Understanding Global Entry

Global Entry is a trusted traveler program administered by the U.S. Customs and Border Protection (CBP). It is designed to expedite the process for pre-approved, low-risk travelers entering the United States. Cardholders who have Global Entry can use automated kiosks at select airports which significantly reduces the time spent in line upon arrival. This program is particularly beneficial for business travelers who frequently travel internationally and wish to minimize delays.

Eligibility for Global Entry

To be eligible for Global Entry, applicants must meet certain criteria. The program is open to U.S. citizens, U.S. lawful permanent residents, and citizens of several other countries, including Canada, the United Kingdom, Germany, Mexico, and others. Applicants must not have any criminal convictions and should not pose a security risk. Each application undergoes a thorough background check to ensure the applicant meets the program's stringent requirements.

Benefits of Global Entry

The benefits of Global Entry extend beyond just expedited processing through customs. Cardholders enjoy several perks that enhance their travel experience:

- **Fast Processing:** Global Entry members use dedicated kiosks, allowing them to skip long customs lines.
- **Access to TSA PreCheck:** Global Entry provides automatic enrollment in TSA PreCheck, allowing travelers to pass through security more efficiently.
- **International Travel:** Global Entry is recognized at numerous international airports, facilitating easier re-entry into the United States.
- **Family Benefits:** Children under 18 can also use Global Entry if they are included on a parent or guardian's application.

How Amex Business Platinum Enhances Global Entry

The American Express Business Platinum Card offers unique advantages for those enrolled in Global Entry. This card not only provides access to the Global Entry application fee reimbursement but also includes other travel-related benefits that complement the Global Entry program.

Reimbursement of Application Fees

One of the primary benefits of the Amex Business Platinum is that it reimburses the Global Entry application fee, which can be as high as \$100. This reimbursement is particularly appealing to business owners and frequent travelers, as it eliminates the financial barrier to applying for the program.

Enhanced Travel Perks

In addition to Global Entry reimbursement, the Amex Business Platinum Card offers a suite of travel benefits that further enhance the overall travel experience. These include:

- **Access to Airport Lounges:** Cardholders enjoy access to over 1,300 airport lounges, providing a comfortable place to relax before flights.
- **Travel Insurance:** Comprehensive travel insurance options are available, covering trip

cancellations, interruptions, and lost luggage.

- **24/7 Concierge Services:** The card provides access to a dedicated concierge service that can assist with travel planning and reservations.

Applying for Global Entry

The application process for Global Entry is straightforward but requires careful attention to detail. Here are the steps involved:

1. **Complete the Online Application:** Interested individuals must fill out the Global Entry application on the CBP website, providing personal information and travel history.
2. **Pay the Application Fee:** After submitting the application, a non-refundable fee must be paid. This is where the Amex Business Platinum reimbursement comes into play.
3. **Schedule an Interview:** If conditionally approved, applicants must schedule an in-person interview at a Global Entry Enrollment Center.
4. **Attend the Interview:** During the interview, applicants will undergo a background check and be asked questions about their travel history.
5. **Receive Approval:** Upon successful completion of the process, applicants will receive their Global Entry membership, which will be valid for five years.

Fees and Costs

The standard fee for applying to Global Entry is \$100, which is valid for five years. This fee is non-refundable, even if the application is denied. However, as mentioned, cardholders of the Amex Business Platinum Card can have this fee reimbursed, making it a cost-effective choice for frequent travelers. Additionally, members should be aware that there may be fees associated with renewing their Global Entry membership after the initial five years.

amex business platinum global entry: Avoiding Critical Marketing Errors Richard D. Czerniawski, 2020-03-17 Praise for AVOIDING CRITICAL MARKETING ERRORS: HOW TO GO FROM DUMB TO SMART MARKETING: "Richard is at the very top of the list when it comes to people who can help someone understand how to be a great marketer." Kurt Kane, EVP Chief Concept & Marketing Officer, at The Wendy's Company "Richard reminds us vividly that marketing, now more than ever before, has a critical role to play in generating impact and lasting results." - Didier Devaud, Vice President Global Marketing and Education iTero, Align Technology "AVOIDING CRITICAL MARKETING ERRORS is the de facto tool for all marketers to get smart(er) so they may elevate their business impact!" - Ben Cook, President, Acumen Learning "Experienced or not, this book will sharpen your saw and propel your ability to deliver results." - Lisa Tollman, Executive Director, Amgen OVERVIEW: AVOIDING CRITICAL MARKETING ERRORS: How to Go from Dumb to Smart Marketing may offend marketers who don't recognize they can do much more with marketing, and it will probably disturb those who are satisfied with the status quo. Marketing is underutilized and losing its relevance. Ignorance of proven principles and failure to adopt best practices and quality processes is at the root of the decline of marketing's role and relevance in the present era. This decline is exacerbated by marketers not being held accountable or accepting accountability for providing a clear line-of-sight in driving financial outcomes and growing healthy brands. That's not smart. It's dumb marketing! Yet, in today's "age of abundance and sameness," where generally acceptable quality (GAQ) rules, smart marketing is more essential than ever. This book, written by Richard Czerniawski, a veteran career marketer, tackles critical marketing errors, those grave blunders, slip-ups and missteps, both of omission and commission, that not only lead to underperformance but further threaten marketing relevance and undermine brand potential. Importantly, it addresses what all marketers and their organizations need to do to achieve smart marketing, so it matters where it counts: in the marketplace. If you are one of those other marketers and senior managers who recognize they are, and/or marketing is, underutilized—regardless of the current level—and want to improve this situation, then this book will prove invaluable to you. If you are one of these marketers, you will not be offended by the content. Instead, it will provoke your thinking and assist you in your pursuit of achieving marketing excellence. More Praise for AVOIDING CRITICAL MARKETING ERRORS: HOW TO GO FROM DUMB TO SMART MARKETING: "Any smart marketer should read this book - now!" Gilberto Dalesio, Chief Commercial Officer, SIFI "I can attest that Richard's focus on genuine marketing excellence delivers the incremental sales impact, ROI and accountability that everyone in the organization should demand." - Peter Valenti, Division President, Hologic "This is a no-nonsense book with practical advice and plenty of examples on doing smart marketing from a successful, veteran marketer." Santosh Chaturvedi, VP, New Products Planning & Portfolio Strategy, Global Oncology, EMD Serono "This book will make you laugh at outrageous gaffes, wince in recognition of your own mistakes, learn how to avoid marketing traps, and most importantly, put your brand on a bullet train headed straight for brand loyalty." Robin Shapiro, Global President, TBWA/WORLDHEALTH
