Now, Mike, the author of *Dancing Around the World with Mike and Barbara Bivona*, returns to share more of their globe-trotting adventures in part one of a new travel memoir series. While cruising the islands, they witnessed lava flowing into the surf off the shores of Hawaii and danced on a nightclub floor that once saw the white-uniformed officers of the warships anchored at the naval station in Pearl Harbor. Mike describes the thrill and challenge of learning the intricate steps of the Argentine tango in Buenos Aires and, more importantly, absorbing its proper attitude from master dancers. The brimstone fumes wreathing the slopes of Mt. Vesuvius transported them back in time, as the frozen bodies of the unlucky residents of Pompeii and Herculaneum as well as the evidence of Romans lively erotic imagination left on walls and sculptured into clay inspired numerous colorful conversations. Mike and Barbara's shared passion for art and history has led them to seek out the haunts of other lovers of adventure: Columbus, Ponce de Leon, General Custer, circus impresario John Ringling, and the elderly jazz musicians in New Orleans. Part memoir and part travelogue, this volume offers you a trip around the world with the Bivonas without ever leaving your chair. *Traveling Around the World with Mike and Barbara Bivona* by Michael Bivona CPA, published by IUniverse, was a winner in the Annual Eric Hoffer Awards for Short Prose and Independent Books 2014 for eBooks nonfiction.
