business administration job: Social Work in Juvenile and Criminal Justice Settings Albert R. Roberts, David W. Springer, 2007 In this completely revised and updated classic, Professors Roberts and Springer, along with 51 justice-oriented and forensic experts, have set the standard of care for mental health treatment and the delivery of social services to crime victims, juvenile and adult offenders, and their families. The second edition of *Social Work in Juvenile and Criminal Justice Settings* was published almost ten years ago in 1997, and was also translated to Chinese. Now Dr. Roberts, Dr. Springer, and their team of 51 prominent chapter authors have done such a thorough job of updating and finding new authors, that the end result is a comprehensive new book. In this third edition, 16 of the 31 chapters are new and specially written for this book. A growing number of mental health professionals are recognizing the need to examine current evidence-based program developments, assessment, and treatment practices with crime victims and offenders. This book focuses on the multiple roles and practices of justice social workers, also known as forensic social workers and crisis counselors. Many professional social workers, counselors and field placement students work in corrections and probation, forensic mental health, addictions treatment, juvenile justice, victim assistance, and police social work settings. In the words of Dean Barbara W. White (former President, Council on Social Work Education, and NASW) in her laudatory Foreword to this edition: This groundbreaking book provides the necessary blueprints and guidelines for best practices with crime victims as well as juvenile and adult offenders in institutional, community-based, diversion, and aftercare programs. . . . This is the first all-inclusive, authoritative, exceptionally well-written volume on social policies and social work practices in both juvenile justice and criminal justice settings. . . . This book is a landmark achievement. An increasing number of offenders and victims have been found to be

business administration job: *Financial Accounting for School Administrators* Ronald E. Everett, Donald R. Johnson, Bernard W. Madden, 2012-05-18 An update to Financial and Managerial Accounting for School Administrators: Superintendents, School Business Administrators and Principals, this book and CD includes current best practices, GASB pronouncements, and web-based applications. It also provides school administrators with important accounting background, technique, and applications in the school environment and demonstrates the overall binding effect accounting has on all of the tasks and functions performed by school administrators. Knowledge about accounting and accounting skills pervades all aspects of the day-to-day operation of a school and school district. The proper day-to-day operation of the schools and quality planning and decision-making cannot realistically take place unless administrators and board members have an understanding of school fund accounting. The present and the future will see the need for both financial and managerial accounting. One type will not overshadow the other. Both will continue to evolve and develop to satisfy the needs of society and the education community. Financial and managerial accounting together can be thought of as the process that gathers, produces, organizes, and presents information that can be consumed by a wide variety of users for the purpose of keeping an organization operating, growing, improving, and changing. This book and CD will be useful to superintendents, school business managers, and principals.
