Regular Business Hours

Burlington Coat Factory typically operates under a consistent set of hours across many of its locations. Understanding these hours can be crucial for shoppers who want to avoid crowds or ensure they have ample time to browse their favorite items. Most Burlington Coat Factory stores open their doors at 9:00 AM and close at 10:00 PM from Monday to Saturday. On Sundays, the hours may vary slightly, usually opening at 9:00 AM and closing earlier, around 9:00 PM.

Typical Weekly Schedule

Here is a breakdown of the typical weekly business hours for Burlington Coat Factory:

- Monday: 9:00 AM - 10:00 PM
- Tuesday: 9:00 AM - 10:00 PM
- Wednesday: 9:00 AM - 10:00 PM

- Thursday: 9:00 AM - 10:00 PM
- Friday: 9:00 AM - 10:00 PM
- Saturday: 9:00 AM - 10:00 PM
- Sunday: 9:00 AM - 9:00 PM

It is essential to note that while these hours are common, they may vary by location. Therefore, it is advisable for shoppers to check the specific hours for their local store before planning a visit.

Holiday Hours

During the holiday season, Burlington Coat Factory adjusts its hours to accommodate increased shopper traffic. Holiday hours may differ from standard business hours, providing extended shopping opportunities for consumers. Key holidays often see Burlington Coat Factory opening earlier or closing later to better serve customers.

Common Holidays and Hours

Here are some common holidays and the typical hours Burlington Coat Factory follows:

- Thanksgiving: Open at 6:00 PM to Midnight
- Black Friday: Open at Midnight to 10:00 PM
- Christmas Eve: 9:00 AM - 6:00 PM
- Christmas Day: Closed
- New Year's Eve: 9:00 AM - 6:00 PM
- New Year's Day: 10:00 AM - 10:00 PM

These hours may vary, so it is wise to verify with the local store during holiday seasons. Additionally, some locations might offer extended hours during peak shopping periods leading up to holidays.

Location-Specific Hours

Since Burlington Coat Factory has numerous locations across the United States and Canada, business hours can vary significantly from one store to another. Factors influencing these differences may include regional demand, local regulations, and the size of the store.

How to Find Location-Specific Business Hours

To find the most accurate business hours for a specific Burlington Coat Factory location, customers can utilize the following methods:

- Visit the official Burlington Coat Factory website and use the store locator feature.
- Call the local store directly to inquire about their business hours.
- Check local listings or Google Maps for updated hours and customer reviews.

By using these methods, shoppers can ensure they have the correct information before heading out, saving time and avoiding disappointment.

Tips for Shopping During Peak Hours

Understanding when peak hours occur can significantly enhance your shopping experience at Burlington Coat Factory. Peak hours typically include weekends and evenings, especially during sales events or holiday seasons. Here are some practical tips for shopping during these busy times:

Optimal Shopping Strategies

- Visit during weekdays: If possible, plan your shopping trips earlier in the week, like Monday or Tuesday, to avoid the weekend rush.
- Arrive early: Getting to the store right when it opens can provide a quieter shopping experience and better product selection.
- Use online shopping: For those who prefer to avoid crowds altogether, consider shopping online where you can find many of the same deals without the hassle of navigating a busy store.

Implementing these strategies can help ensure a more enjoyable and efficient shopping experience at Burlington Coat Factory.

Conclusion

Understanding Burlington Coat Factory's business hours is critical for planning successful shopping trips. With regular hours typically from 9:00 AM to 10:00 PM, and special holiday hours providing additional opportunities, consumers can take advantage of shopping at their convenience. Remember to check location-specific hours and consider peak shopping times for an optimal experience. Armed with this knowledge, shoppers can make informed decisions and enjoy all that Burlington Coat Factory has to offer.

burlington coat factory business hours: Tense Times Lee M. Pierce, 2023-08-29 How the syntax used in US political discourse creates the very crises it describes American public culture is obsessed with crisis. Political polarization, economic collapse, moral decline—the worst seems always yet to come and already here. Tense Times argues that the ways we discuss these crises, especially through verb tenses, not only contribute to our perception and description of such crises but create them. Past. Present. Future. These are the three principal verb tenses—the category of syntax that allows us to discuss time—that account for much of what is written about our crisis culture. Lee M. Pierce invites readers to expand their syntactic inventory beyond tense to include aspect (duration) and mood (attitude). Doing so opens new possibilities for understanding crisis discourse, as Pierce demonstrates with close readings of three syntaxes: the historical present, the past imperfective, and the retroactive subjunctive. Each mode produces a different experience of crisis and can help us understand our current political reality. The book investigates a dozen widely circulated discourses from the past decade of US political culture, from Beyoncé's controversial hit single "Formation" to the presidential campaign slogans of Hillary Clinton and Donald Trump, from the dueling rallies of Glenn Beck and Jon Stewart at the National Mall to the Ground Zero Mosque controversy and the 2007-2008 bailout. Taking a comparative approach that integrates theories of syntax from rhetorical, literary, affect, and cultural studies as well as linguistics, computer science, and Black studies, Tense Times suggests that the public's conjuring of crisis is not inherently problematic. Rather, it is the openness of that crisis to contingency—the possibility that things could have been otherwise—that ought to concern anyone interested in language, politics, American culture, current events, or the direction this country is headed.

burlington coat factory business hours: **Legal Plunder** Joshua Page, Joe Soss, 2025-08-12 A searing, historically rich account of how US policing and punishment have been retrofitted over the last four decades to extract public and private revenues from America's poorest and most vulnerable communities. Alongside the rise of mass incarceration, a second profound and equally disturbing development has transpired. Since the 1980s, US policing and punishment have been remade into tools for stripping resources from the nation's most oppressed communities and turning them into public and private revenues. Legal Plunder analyzes this development's origins, operations, consequences, and the political struggles that it has created. Drawing on historical and contemporary evidence, including original ethnographic research, Joshua Page and Joe Soss examine the predatory dimensions of criminal legal governance to show how practices that criminalize,

police, and punish have been retrofitted to siphon resources from subordinated groups, subsidize governments, and generate corporate profits. As tax burdens have declined for the affluent, this financial extraction—now a core function of the country’s sprawling criminal legal apparatus—further compounds race, class, and gender inequalities and injustices. Legal Plunder shows that we can no longer afford to overlook legal plunder or the efforts to dismantle it.
