business class flights cape town: Fake Work Leigh Claire La Berge, 2025-06-17 In this genre-bending memoir, Leigh Claire La Berge reflects on her stint at one of the most prestigious management consulting firms in the country and what it teaches us about the absurdity of work—for readers of Bullshit Jobs and fans of Office Space and Sorry to Bother You While headlines blazed with doomsaying prophecies about the looming Y2K apocalypse, Leigh Claire was quickly introduced to the mysterious workings of The Process—a mythical and ever-changing corporate ethos The Andersen People (her fellow consultants) believed held world-saving powers. Her heroic task: printing physical copies of spreadsheets and sending them to a secure storage facility somewhere in the bowels of New Jersey. After performing a series of equally mundane tasks, one well-timed deployment of an anecdote about a legendary quarterback catapulted her into the ranks of middle management. It wasn't long before she found herself jet-setting on the firm's dime to thirty-minute lunch meetings in Johannesburg, and giving impromptu lectures to Japanese executives about limiting liability at the end of the world. By the end of her brief time as a businessman at a fake firm, in a fake industry, dedicated to solving a fake crisis, Leigh Claire had accumulated a lifetime's worth of lessons about the absurdity of work and the nature of financialized capitalism. Fake Work blends memoir with post-facto theoretical interjections on the philosophical problems posed by contemporary corporate culture—from the inadequacy of poststructuralist inquiry to the alienation of office jobs—to tell the story of the techno-armageddon that wasn't.

business class flights cape town: *Bafana Republic and Other Satires* Mike van Graan,

2020-06-01 This collection of satirical sketches takes readers on a sometimes cynical, sometimes hilarious trip through many of the issues that face democratic South Africa. The seed of this collection was sown in 2007 when South Africa won the right to host the 2010 FIFA World Cup. The debate about huge amounts of public funds being spent on a 'vanity project' instead of being used to improve the lives of the majority of the country's citizens inspired Mike van Graan, one of South Africa's leading contemporary political playwrights, to use sport as an entry point for satirical commentary. Van Graan follows this with piercing attention towards matters of the state. With themes ranging from the World Cup to the political football of land, from the violent abuse of women to state capture, this selection of satirical sketches takes readers on a rollercoaster trip through many of the issues that face democratic South Africa. The sketches come from six one-person revues, *Bafana Republic* (2007), *Bafana Republic: Extra Time* (2008), *Bafana Republic: Penalty Shootout* (2009), *Pay Back the Curry* (2016), *State Fracture* (2017) and *Land Acts* (2018). Van Graan uses a potent mix of comedy, poetry and drama to make points that hit hard at core issues which 21st-century South Africans are struggling with. Readers will laugh and cringe and sometimes cry, but one thing they will not be able to do is remain unaffected.

In *The Travel Detective Flight Crew Confidential* you'll find: • great shopping (furniture in Atlanta, silk in Bangkok, leather in São Paulo) • great services (medical care

in Paris and inexpensive manicures in Tokyo) • great food and drink (hidden ethnic restaurants in London, and the bars with the best attitude and cheapest drinks in Key West) • secrets to navigating the world's airports during layovers • what to do and what never to do, what to seek and what to avoid You get tips in crew members' own words—good, bad, or ugly—that you won't find anywhere else. Opinionated, often controversial, but always helpful, *The Travel Detective Flight Crew Confidential* is a resource no one who flies can afford to be without.
