Typically, these tickets require travelers to start and end their journey in the same city, following a specific route. This ticket type is particularly popular among business travelers who need to visit various countries for meetings, conferences, or other professional engagements.

From commandeering the dressing rooms at Saks (where a personal shopper offers Clara Evian in a cut-crystal bowl), to accompanying Margo on her first book tour, to an appearance on PrimeTime Live (where Margo plays a supporting role), the indomitable Clara establishes herself as a world-class personality, a star of the first order.
