The Kentucky Barbecue Book is a feast for readers who are eager to sample the finest fare in the state. From the banks of the Mississippi to the hidden hollows of the Appalachian Mountains, author and barbecue enthusiast Wes Berry hits the trail in search of the best smoke, the best flavor, and the best pitmasters he can find. This handy guide presents the most succulent menus and colorful personalities in Kentucky. Kentucky style barbecue is distinct because of its use of mutton and traditional cooking methods. Many of the establishments featured in this book are dedicated to the time-honored craft of cooking over hot hardwood coals inside cinderblock pits. These traditions are disappearing as methods requiring less manpower, less wood, and less skill gain ground.

business one stop ky: *Building Systems* , 2003-01 Building Systems Magazine (BSM) is an award winning United States-based trade magazine read by builders, developers and general contractors using or considering using innovative construction technologies. Once commonly known as pre-fab, today's modern building systems employ innovative materials and techniques to create residential or commercial structures in a factory setting in a fraction of the time it takes to site build. BSM focuses mainly on log, timber frame, modular, panel, and structural insulated panel building technologies. Since factory fabrication and site preparation take place simultaneously, structures are finished and ready for occupancy in weeks, rather than months or years as required by conventional site-building schedules.
