cleo business hotel: A Generous Pour Mike Kelly, 2022-11 The story of Jimmy Kelly's Steak House, Nashville's oldest fine restaurant and the family who started it—of stills, saloons, and speakeasies, and of a family who was tough and resourceful, who lost everything, and picked themselves up and started again. When young James Kelly fled the Irish Famine in 1848, he arrived in America with a roll of copper tubing under his shirt. To make whiskey, of course. And he did—in the green rolling hills of Middle Tennessee. Later his son John would open a saloon, initiating the family custom of serving up “a great steak and a generous pour of whiskey” that continues to this day. Readers will delight in tales of bootleggers and rumrunners, saloons and speakeasies, of hard workers with strong family values, the old genteel Nashville and the new Nashville recording industry, and the mysterious difference between whiskey and bourbon. There are stories about Jack Daniel, Roy Rogers and Dale Evans (and even Trigger), Al Capone, Bob Dylan, Grantland Rice, John Jay Hooker Sr., and local characters only a Nashvillian could love. The story of the Kelly family in Tennessee takes readers from the Civil War to Nashville’s postwar boom and the turn of a new century: the Roaring 20s that followed the first World War, the temperance movement that led to Prohibition, and the speakeasy solution that led honest Kelly men to defy a patently bad law as they built a family legacy of beloved restaurants in Nashville. Mike Kelly—James’s great-grandson—has written a fine and rollicking tale of a most interesting time in American history. His affection for his family and his community shows on every page.

cleo business hotel: Always and Forever Cathy Kelly, 2007-01-02 When the going gets tough... In the Irish town of Carrickwell, with its lush, endlessly rolling hills and authentic country tranquility, three women's lives are anything but calm. There's Mel, a compulsively ambitious mother/publicity manager at a high-powered PR firm -- living proof that balancing motherhood and a full-time job is no walk in the park. The hot-headed, indomitable Cleo, just out of college with a degree in hotel management, would like nothing better than to modernize and revive her family's

dwindling hotel -- but faces a constant battle with her old-fashioned parents. And finally, there's the stylish, sweet-tempered Daisy, a self-consciously curvy fashion buyer for an upscale clothing boutique, who has been struggling -- and longing -- to have a baby with her absolutely perfect boyfriend. Although unconnected, these three women have one thing in common: they all need a break from their stressful lives. ...these tough gals hit the nearest spa! So each one sets out for a little R & R at the new Clouds Hill spa, built by an American woman with her own secret turmoil. It is there that Mel, Cleo, and Daisy meet -- their worlds and troubles colliding -- forming an intimate bond that helps them to realize what matters most in life, always and forever.

cleo business hotel: *Spelling Mississippi* Marnie Woodrow, 2011-07-27 From an acclaimed short-story writer, a blazingly intelligent and humorous debut novel that is set in New Orleans and tells the story of two strangers whose paths first cross on the remarkable banks of the Mississippi. Cleo, a Canadian on holiday in New Orleans, is sitting alone in the French Quarter late one night, dreamily watching the river's lazy progress. Suddenly, a woman clad in full evening dress, from rhinestone tiara to high heels, takes a running leap off the wharf into the Mississippi. Cleo watches, astonished, then turns and runs, mistakenly assuming the jumper is dead -- a suicide. But Madeline, it turns out, is not bent on suicide. She is irresistibly drawn to water, as is Cleo, who was conceived during the great flood in Florence in 1966. Perhaps it is this shared obsession with the murky depths that fuels Cleo's determination to find Madeline. She pounds the quaint streets of New Orleans, city of cheap bourbon, rich turtle soup, the scent of magnolias and *A Streetcar Named Desire*. *Spelling Mississippi* is filled with all the bristling energy of *Fall on Your Knees*. Told with great humour and affection, it is a seductive, liberating story about ties that bind and those that simply restrain, and a lesson not in spelling but forgiveness.

Through whirlwind extenuating circumstances the two of them are placed in a position where they realize that God does not close one door without opening another.
