Top Business Schools in Houston

Houston is home to several prestigious business schools that are recognized nationally and internationally. These institutions provide various undergraduate and graduate programs designed to equip students with the skills necessary to thrive in today's competitive business landscape.

University of Houston - C.T. Bauer College of Business

The C.T. Bauer College of Business at the University of Houston is one of the leading business schools in the region. It offers a wide range of undergraduate and graduate programs, including an MBA, Executive MBA, and specialized master's degrees. The school is known for its strong emphasis on

research and practical applications, providing students with opportunities to engage in real-world projects.

Rice University - Jesse H. Jones Graduate School of Business

Rice University's Jesse H. Jones Graduate School of Business is consistently ranked among the top business schools in the nation. The school offers a full-time MBA program, an Executive MBA, and several dual degree options. Rice's focus on innovation and entrepreneurship, combined with its small class sizes, creates a personalized learning environment that fosters collaboration and networking.

Texas Southern University - Jesse H. Jones School of Business

Texas Southern University's Jesse H. Jones School of Business provides a comprehensive business education with a commitment to diversity and inclusion. The school offers undergraduate and graduate programs, including an MBA. The curriculum is designed to prepare students for leadership roles in various industries, particularly in underserved communities.

Programs Offered

Business schools in Houston offer a variety of programs catering to different career paths and academic interests. From undergraduate degrees to advanced graduate programs, students can find a suitable course of study to meet their goals.

Bachelor's Degree Programs

Most business schools provide a Bachelor of Business Administration (BBA) program with concentrations in areas like finance, marketing, management, and entrepreneurship. These programs typically include core business courses along with electives that allow students to specialize in their fields of interest.

Master's Degree Programs

Graduate programs are available for those looking to advance their careers. The most popular option is the Master of Business Administration (MBA), which can be pursued full-time or part-time, with flexible schedules to accommodate working professionals. Other master's programs include:

- Master of Science in Finance
- Master of Accountancy
- Master of Human Resource Management
- Master of Marketing

Executive Education

Many business schools also offer executive education programs designed for professionals seeking to enhance their leadership skills. These programs are typically shorter and more intensive, focusing on advanced topics relevant to experienced managers and executives.

Admission Requirements

Admission to business schools in Houston typically requires prospective students to meet specific criteria, which may vary by institution. Generally, the following components are considered during the application process:

Undergraduate Admission

For undergraduate programs, applicants usually need to submit:

- A completed application form
- High school transcripts
- Standardized test scores (SAT or ACT)
- Letters of recommendation
- A personal statement or essay

Graduate Admission

Graduate programs often have more stringent requirements, including:

- A completed graduate application form
- Undergraduate transcripts

- GMAT or GRE scores (though some programs may waive this requirement)
- Professional resume
- Letters of recommendation
- A personal statement highlighting career goals and motivations

houston business schools: Best 143 Business Schools Nedda Gilbert, Princeton Review (Firm), 2004 Our Best 357 Colleges is the best-selling college guide on the market because it is the voice of the students. Now we let graduate students speak for themselves, too, in these brand-new guides for selecting the ideal business, law, medical, or arts and humanities graduate school. It includes detailed profiles; rankings based on student surveys, like those made popular by our Best 357 Colleges guide; as well as student quotes about classes, professors, the social scene, and more.

Plus we cover the ins and outs of admissions and financial aid. Each guide also includes an index of all schools with the most pertinent facts, such as contact information. And we've topped it all off with our school-says section where participating schools can talk back by providing their own profiles. It's a whole new way to find the perfect match in a graduate school.

McAdams, 2000 Don McAdams, one of a small group of activists elected to the Houston Independent School District Board of Education in 1989, provides a fast moving first-person account of successful reform in the nation's seventh largest school district. With tact and wisdom, the author shows that school reform is seldom about reading, writing, and arithmetic. Rather, it is mostly about power, status, and money. This is a great story filled with conflict and surprising turns of fate. No one interested in politics, governance, and management of urban school districts can afford to miss *Fighting to Save Our Urban Schools . . . and Winning!*

From its surprising discussions of groups of African American wholly

absorbed into Native American culture to illustrating how the largely forgotten role of blacks in the West helped contribute to everything from the Brown vs. Board of Education desegregation ruling to the rise of the Black Panther Party, Quintard Taylor fills a major void in American history and reminds us that the African American experience is unlimited by region or social status.
