klm business class lax to amsterdam: BECKONED, Part 3: From Los Angeles with Love

Aviva Vaughn, 2017-08-15 And then there were three... Fire and ice have nothing on Angela Holguín and Soren Lund who first met as MBA students in exciting Barcelona. But their timing was off, until Destiny put them back in the same city: London; and their passion ignited. But will their fledgling romance stand a chance against the forces of Time and Space with Soren in Barcelona and Angela in Los Angeles? And a new threat also looms on the horizon: a mysterious and handsome entrepreneur interested in Angela's new business ...or is he? Angela beckons Soren to spend the holidays with her in Los Angeles, but when he makes her a beguiling offer, their relationship will be put to the test. BECKONED: slow burn, second chance romance inspired by food, travel, and Jane Austen. Over 300 reviews with 4.4+star average! Part 3 of a complete 6-part series. It has been so long since I have read a series that has kept my interest like this one! I literally couldn't wait to jump into part 3 of this series and again as with the first two books I wasn't disappointed! I just can't help but be swept up in the relationship between Angela and Soren! I really am drawn to them. Again the author did a fabulous job with the writing in this book and I really do love her writing style - I honestly feel like I am on the journey with these characters through the author's fabulous descriptive writing! I am so excited to read part 4! -Katie, 5-star review Aviva Vaughn just keeps bringing it. Another book in the Beckoned series that I could not put down. The way Ms. Vaughn writes, always is so descriptive and makes you feel like you are right there with the characters. She keeps you on your toes with all the twists and turns. You keep reading because you want to see what is going to happen next. I cannot wait to read Part 4 in the series. -Dori from Florida, 5-star review Something I've always admired about books is that when you find a well written series each book may even be better than the last, unlike motion pictures where the second rarely adds up. This is just one of the many reasons I've always favored a good book over a movie. My point is that I feel this way about Aviva Vaughn's Beckoned series. I was completely drawn into Angela and Soren's story in book one, book two blew my mind and yet somehow even after following their story a third time, I NEED to know more. -Felicia, 5-star review This lady has completely captured me with this series, at first I was intrigued to see how a American author would write about the UK and she definitely did it justice. I really feel that Aviva characters really pull you into the story and plays wonders with your imagination not many authors can really do that for me I've only got a hand full I will read hundreds of times over and over and she has definitely gone on that list for myself. -Claire, 5-star review The whole story/series has been fascinating and captivating- but this book takes it to a whole new level. Ms. Vaughn has upped the ante, so to speak, and produced a story that I devoured in matter of hours. I couldn't put it down and HAD to find out what was happening. The books just seem to get better and better.... And the love triangle of sorts/the 'threat,' and the emotional rollercoaster that this story took me on had me sooooo conflicted. I am now really anxious about the next book, and to find out how the story will end. Thank you, Ms. Vaughn! -Angela, 5-star review Woah part three! This series just keeps getting better! I read this one in just a few hours because I could not stop reading it! After finding out this is the author's favorite book of the series, I was so excited to read this and Aviva Vaughn did NOT disappoint! This book gave me a new appreciation for California and seeing it through the eyes of someone who truly loves it is wonderful. Every time Aviva Vaughn describes a new location, I can picture it in such vivid detail. She really has a way with words! Bring on Part 4!! -Emily, 5-star review I'm not even sure I'm even capable to begin to describe how much i enjoy this book (and series). Wow, it's such a roller ride! So much attention to details, scenic scenes and characters ! I can picture it all in my head and hear their voices. Phenomenal story plot, with drama, suspense, intrigue ... oh and sooo much love!! We can't all forgot that! The characters are relatable and entertaining! Such an amazing story, once you read one, you'll want to read the others ASAP!! -Nicole, 4-star review This series just gets better and better with each book... -Lisette, 5-star review FROM THE AUTHOR Dearest Reader, I wrote BECKONED for many reasons, but first and foremost, I wrote it to feature the kind of people I know: diverse, smart, complicated men and women. My heroines are strong and educated, and my heroes are polite and respectful. As an avid reader, I wanted to see characters that looked like me and my friends and reflect the world I want to see. I

also wanted to write a beautiful book. I consider BECKONED to be a modern story told in an old-fashion way with lots of metaphors and beautiful phrases, and where the sex is explicit but also elegant. So if you are a Word Nerd like me, then you will love BECKONED! If you choose to embark on this journey with me, you--and your taste buds--will get to visit London, Barcelona, Bath, Los Angeles, Honolulu, Costa Rica, New Zealand, and Copenhagen. It will be a fun--and delicious--ride! There are even recipes in some of the books as well as soundtracks to give you a multi-sensory experience. BECKONED is a single story in six parts and should be read in order. The intimacy is steamy, but it is sloooooow burn and is distributed throughout the books because of how the couples' relationships change and deepen. Birthing BECKONED has truly been a labor of love, and I hope you enjoy reading it as much as I enjoyed writing it! BUCKLE UP and enjoy the journey. Wishing you love and romance, ~Aviva

klm business class lax to amsterdam: Beckoned, Part 2: From Bath with Love Aviva

Vaughn, 2017-07-14 Can fire and ice both survive? Fire and ice have nothing on Angela Holguín and fellow MBA student Soren Lund. When they first met at school in the exciting seaside city of Barcelona, Angela was intrigued by the aloof Dane; he was enthralled by the vivacious Californian. But their timing was off and they went their separate ways - until Fate and Destiny put them back in the same city: London. In the British capital, Angela and Soren not only reunite, their desire reignites. This time they are determined not to let love slip through their fingers. They tumble into each other's arms and embark upon a passionate journey that takes them from the chic, bustling streets of London to the romantic, historic byways of Bath and back again. It is there, at their final destination, that Angela and Soren must face reality. While opposites attract, they might not be able to coexist. In the next three days, they will have to decide if what they have is truly love or simply the beckoning of desire. BECKONED: slow burn, second-chance romance inspired by food, travel, and Jane Austen. Over 300 reviews with 4.4+star average! Part 2 of a complete, 6-part series. Aviva Vaughn's debut will sweep you off your feet. BECKONED is a vibrant, sensual story about longing and second chances. Get ready to fall in love. -Mia Hopkins, Award-Winning Author of Thirsty; voted one of the five best romances of 2018 by the Washington Post. After reading book one I was excited to read this book and I can say I was definitely not disappointed. The writing style made me feel like I was experiencing those emotions with them. The more I read the more I found myself hoping that they could find a way to make things work, the more invested I became. The whole story was engaging and well written. A brilliant follow up to book one. I cannot wait to read the next book in this amazing series. ~Kerry, 5-star review So I am slightly infatuated with the writing style of Aviva Vaughn. She was new to me when I first read Part 1 of this series, but I connected with her writing style right away, and this book doesn't come up short in the slightest. Aviva Vaughn writes in a fan-fiction sense of Jane Austen. HOW COULD ONE NOT LOVE IT!?!?! This alone had me hooked, leading to intense and complicated characters with realistic situations and personalities. ~Liz, 5-star review Aviva Vaughn continues to enthrall me with her writing in this series. The scenic details and flowing storyline, hooks you from the beginning and will make you want more at the end. Luckily, there is book 3. I can't wait to continue reading the series and see if there is a HEA for Angela. ~Lisette, 5-star review Wow. Aviva Vaughn has done it again! Beckoned, Part 2: From Bath With Love gives the reader a beautiful image of bustling London life contrasted wonderfully with the lazy pace of Bath. As a lover of Jane Austen books, this series has been such a treat with Angela's love of travel, books and all things Austen! FIVE STARS!!! ~Emily, 5-star review This series has absolutely captured me, personally I love a good cliffhanger and this book contains a brilliant one, I have fallen head over heels for each character and their personalities, so after reading book 1 I could not wait to be sucked in to this book as it continues with the story of passion, love, and travel some of my favourite story baselines. I will definitely be following and looking out for other books/series from this author as her writing and descriptions are beautifully written. ~Claire, 5-star review Beckoned, Part 2: From Bath with Love by Aviva Vaughn was as good as the first book. I give this book 5 stars. ~Amanda, 5-star review After finished and loving part 1 in this series I could not wait to start the second book and I was not disappointed at all! As this starts where book 1 finished it should definitely be read after it. I cannot wait to read part 3 especially after being left on a cliff-hanger with this book!! ~Katie, 5-star review Another great book written by Aviva Vaughn, that you will not be able to put down. Including me, that I read it in one sitting. Ms. Vaughn's writing flows and is so descriptive. She makes you feel like you are there with her characters. She takes you on an emotional roller coaster ride that has many twists and turns.
