Genetics and Background

The monkey business strain is a hybrid that typically leans slightly towards the sativa side, offering a unique blend of genetics that contributes to its interesting characteristics. This strain is often a cross between several well-known cannabis varieties, including the popular strains known for their uplifting effects and rich flavor profiles. The exact lineage can vary depending on the breeder, but it is commonly associated with strains that promote creativity and sociability.

Monkey business strain boasts a well-balanced ratio of THC and CBD, making it suitable for a variety of users. With THC levels often ranging from 18% to 24%, this strain provides a potent experience while still allowing for manageable effects. The balanced nature of monkey business makes it an appealing option for both new and experienced cannabis users.

Effects and Benefits

The effects of monkey business can be described as uplifting and euphoric, making it an excellent choice for social gatherings or creative endeavors. Users often report an initial cerebral high that promotes a sense of happiness and motivation. As the high progresses, the strain introduces a calming body effect that allows users to relax without feeling overly sedated.

Common Effects

Here are some of the most commonly reported effects of the monkey business strain:

- Increased sociability
- Enhanced creativity
- Heightened mood
- Relaxation of the body
- Mild euphoria

These effects make monkey business strain suitable for various occasions, whether you're looking to unwind after a long day or engage in lively social interactions.

Potential Benefits

In addition to its recreational appeal, monkey business strain also offers several potential medical benefits. Some users report that it can help alleviate symptoms of anxiety and depression. The uplifting effects may help combat feelings of stress and promote a more positive outlook.

Additionally, the strain's relaxing properties can be beneficial for those dealing with chronic pain or discomfort, making it a versatile option for medicinal users. Its balanced THC and CBD content may also help in reducing inflammation and promoting overall well-being.

Flavor Profile

The flavor profile of monkey business is one of its standout features. Users often describe the taste as complex, with notes of sweet fruit and earthy undertones. The aroma is equally enticing, with a blend of citrus and spicy notes that can fill a room with its pleasant scent.

Tasting Notes

Here's a breakdown of the primary flavors associated with the monkey business strain:

- Sweet and fruity
- Citrus undertones
- Earthy and herbal notes
- Spicy hints

This diverse flavor profile not only makes it enjoyable to consume but also enhances the overall experience for users, contributing to the strain's popularity.

Cultivation Tips

For those interested in cultivating the monkey business strain, there are several key considerations to keep in mind. This strain can be grown both indoors and outdoors, but it thrives best in a controlled environment where growers can manage temperature and humidity levels.

Growing Conditions

When growing monkey business, here are some important conditions to consider:

- Optimal temperature: 70-80°F (21-27°C)
- Humidity: 40-50% during vegetative stage, lower during flowering
- Light: Full-spectrum LED or HID lights for indoor growing
- Soil: Well-draining soil enriched with nutrients

Monkey business typically has a flowering time of around 8 to 10 weeks, and with proper care, growers can expect a moderate to high yield. Regular pruning and training techniques can help maximize light exposure and promote healthier growth.

Medical Uses

In the realm of medicinal cannabis, the monkey business strain is increasingly recognized for its therapeutic potential. Patients often seek out this strain for its ability to provide relief from various conditions.

Common Medical Applications

Some of the primary medical uses of monkey business include:

- Relief from anxiety and stress
- Management of chronic pain
- Alleviation of symptoms associated with depression
- Reduction of inflammation
- Appetite stimulation

Due to its balanced effects, monkey business can be particularly beneficial for those who require therapeutic support while maintaining functionality in their daily lives.

Conclusion

The monkey business strain stands out in the cannabis world for its unique combination of uplifting effects, complex flavor profile, and potential medicinal benefits. Whether you are a recreational user looking for an enjoyable experience or a medical patient seeking relief from various conditions, monkey business is a versatile strain worth considering. Its balanced nature and appealing taste make it a favorite among many cannabis enthusiasts, ensuring that it will continue to be a prominent choice in dispensaries. By understanding its genetics, effects, and cultivation tips, users can maximize their experience with this delightful strain.

monkey business strain: *Tunnel of Dreams* M. Bradley Davis, 2003-12 Sixth graders Robert and Melissa love hating each other-- You've been cruel to me all day, Robert, Melissa stormed at him. I haven't done anything to deserve it! But, you're so much fun to tease! I can't help it! Melissa shoved him. I hate you! Robert fell backward. The tunnel wall was made of old, rotted timbers. It gave way. Robert struggled not to fall by grabbing the wall. Large chunks of wood came away in his hands. Robert turned wide, surprised eyes on the wood. When he looked up, Melissa's shocked eyes met his in the dim light. She touched what he held. What? She exclaimed. How? They heard a rumbling and felt the ground start to shake. Robert frantically threw the pieces of wood away. Melissa screamed. He pulled her against him as dirt and wood pelted them. A three-foot long chunk of timber just missed hitting her as she fell against him. Mud and water splashed them, turning both an unrecognizable drab brown almost instantly. No! No! Melissa screamed. I don't want to die! She clutched at him. Help me, Robert! Robert held her close as the mud piled around them. In seconds, darkness and silence came.

monkey business strain: *Death's Men* Denis Winter, 2014-10-23 *Death's Men* is the classic bestselling story of the First World War as told by the soldiers themselves - reissued for the 2014 Centenary. Millions of British men were involved in the Great War of 1914-1918. But, both during and after the war, the individual voices of the soldiers were lost in the collective picture. Men drew arrows on maps and talked of battles and campaigns, but what it felt like to be in the front line or in a base hospital they did not know. Civilians did not ask and soldiers did not write. *Death's Men* portrays the humble men who were called on to face the appalling fears and discomforts of the fighting zone. It shows the reality of the First World War through the voices of the men who fought. 'A raw, haunting read that puts you directly into the shoes of the men who rushed to volunteer at the start of the war' Guardian 'An engrossing view of what it was like to live in the trenches, go on leave, get wounded, et cetera, and features voice after voice from the ranks' Telegraph Denis Winter was born in 1940 and read history at Pembroke College, Cambridge. *Death's Men* was first published in 1978, to critical and popular acclaim. This was followed by his book *The First of the Few: Fighter Pilots of the First World War*.

monkey business strain: Holy Wars Don Wigton, 2008-01-25 *Holy Wars* "is the most memorable book on the subject of church music I've ever read. . . Your work is exquisite! " Frank Pooler Professor/Director Cal State Long Beach University Choir. *Holy Wars* is a comprehensive worship study written for every believer who seeks to live a life of true biblical worship within the cultural storm that we find ourselves today. It is an intimate book written for the benefit of promoting a personal relationship with Jesus Christ according to the guidance of God's Word. When we think of "Holy Wars" one might picture terrorism. But there is a Holy War raging within the church itself that is proving to be of far more consequence than Islamic dread. Because this war is engaged within the worship life of the people of God, the outcome could seriously undermine Christian orthodoxy and the Christian way of life for generations to come. As the result of the efforts of Church Growth advocates, congregations throughout America are contending over different notions of worship. The decisions that Christians make in that regard will determine the shape and influence of the Church and the nature of our society over the next century. We can find answers within this ongoing battle once we have come to a full understanding of the nature of biblical worship. Many times manipulative entertainment schemes, attempts to conform to the world, watered-down theology, church politics, mediocre music and unbiblical worship forms drag the people of God away from their true calling. *Holy Wars* delves into each of these areas of church life to discern what is going wrong while offering specific biblical remedies.

monkey business strain: Mars, Inc. Ben Bova, 2013-12-03 How do you get to the Red Planet? Not via a benighted government program trapped in red tape and bound by budget constrictions, that's for sure. No, what it will take is a helping of adventure, science, corporate powerplays, a generous dollop of seduction¾both in and out of the boardroom¾and money, money, money! Art Thrasher knows this. He is a man with a driving vision: send humans to Mars. The government has utterly failed, but Thrasher has got the plan to accomplish such a feat: form a club of billionaires to chip in one billion a year until the dream is accomplished. But these are men and women who are tough cookies, addicted to a profitable bottom-line, and disdainful of pie-in-the-sky dreamers who want to use their cash to make somebody else's dreams come true. But Thrasher is different from the other dreamers in an important regard¾he's a billionaire himself, and the president of a successful

company. But it's going to take all his wiles as a captain of industry and master manipulator of business and capital to overcome setbacks and sabotage^{3/4}and get a rocket full of scientist, engineers, visionaries, and dreamers on their way to the Red Planet. The man for the job has arrived. Art Thrasher is prepared to do whatever it takes to humans on Mars^{3/4}or die trying! monkey business strain: The Lost Traveler Sanora Babb, 2013-11-15 An autobiographical novel, long out of print, continues Sanora Babb's story as begun in her memoir, *An Owl on Every Post*. Set in Kansas in the early 1930s, it is a rich character study of a classic American individualist and his family. The father, a gambler, is a complex and magnetic man, portrayed from the perspective of his brave and proud daughter, Robin. Against the dark background of his declining fortunes stand Robin's high spirits and intelligence as she experiences the turbulent emotions of first sexual love and rebels against the circumstances of the gambler's rambling life. The novel's depiction of the Great Depression era and its lost families is one that will haunt readers long after the final page. The author's first book manuscript was her Dust Bowl novel *Whose Names Are Unknown*, which Random House didn't publish because *The Grapes of Wrath* came out first. Thus, *The Lost Traveler*, published in 1958, was her first published, and well-received, novel. www.sanorababb.com "There is a good deal of laughter in *The Lost Traveler*. There is a good deal of tragedy in it, too, for Miss Babb has given us a living and unflinchingly honest picture of a wandering gambler and his family. This is her first novel and she shows herself to be a searching storyteller. A living and unflinchingly honest picture. - New York Times "Strongly recommended. A fascinating story of a professional nomadic gambler who starts by being a hero in the eyes of his wife and daughters and ends in lonely disgrace: occasionally embarrassing, frequently funny, and as an account of the development of family relationships good by any standards. London Sunday Times". . . a remarkable job of making the hero sympathetic and understandable in spite of his occupation and occasional brutality. [The author] has made the whole family come alive, particularly Robin, the only member of the family with fortitude enough to stand up to her father. Los Angeles Mirror News . . . spare and accurate in its depiction of the stark Kansas towns of the 1930s -- Mary Clearman Blew, author of *All But the Waltz* and editor with Kim Barnes of *Circle of Women: An Anthology of Contemporary Western Women Writers* A brilliant first novel. -- Los Angeles Times
