mind your own damn business quotes: *The Broken Hummingbird* Ann Marie Jackson, 2025-07-30 In the midst of a marital crisis, Jane hatches an unusual plan to avoid a custody battle, the thing she most fears: she convinces husband Kevin to walk away from the pressures of New York—in particular, her demanding job and an affair she almost had—in the hope that moving to their favorite city abroad will fix their family. In San Miguel de Allende, Jane and her young sons delight in new adventures, but Kevin still seethes. Jane befriends a circle of intriguing women and helps two girls who remind her of the brother she abandoned when her own parents divorced. After witnessing violence involving the girls' father, Jane's vivid dreams, possibly guided by a hummingbird messenger from the hereafter, grow ever darker. When tragedy strikes San Miguel, the community fractures and then rises, and Jane must make a dangerous choice. *The Broken Hummingbird* balances the raw undoing of a marriage with the joys of discovery that lie in building a new life.

Here are literary lions on everything from the passive voice to promotion and publicity: James Baldwin on the practiced illusion of effortless prose, Isaac Asimov on the despotic tendencies of editors, John Cheever on the perils of drink, Ivan Turgenev on matrimony and the Muse. Here, too, are the secrets behind the sleight-of-hand practiced by artists from Aristotle to Rita Mae Brown. Sagacious, inspiring, and entertaining, *Advice to Writers* is an essential volume for the writer in every reader.

mind your own damn business quotes: Offsides Tam DeRudder Jackson, 2024-07-08 I never saw him coming. My life goals include working with athletes—not dating them. Even though all my friends seem to be hooking up with Wildcats players these days, that wasn't in the cards for me. Then I met Finn McCabe. The big D-lineman is a padded-up ad for sin—surprisingly sweet, scary-smart, a little awkward, and far too hot for my own good. Too bad he has questionable taste in women . . . With the game on the line . . . Timing that first step for a free shot at the quarterback is always my focus. The trick is not to jump too soon and be called for offsides. Unfortunately, I forgot the rules when it comes to hooking up with the perfect girl. Everything with Chessly Clarke is moving exactly on time until a certain group of jersey chasers shows up and flags the play. Timing is everything. The moment I look into Chessly's dark blue eyes, I'm a goner. Then I jumped offsides. Playing football for a national championship-caliber team, I know the rewards for hard work, and Chess is worth everything I'm willing to do for a second chance. She's a little nerdy, a lot sexy, and she ties me up in knots. She thinks she knows the score, but I'm focused on winning her heart. Game Time.

mind your own damn business quotes: The Return of Bowie Bravo Christine Rimmer, 2025-02-11 Well, timing never had been his strong suit... And the fact that Bowie Bravo walked in the door, after seven years away, just when Glory Rossi was about to go into labor with another man's child certainly proved the point. Because the last time Glory had seen Bowie was when she was delivering his child—a little boy who'd never known his real father. But according to Bowie, that was about to change. Bowie was now a respectable businessman, and he was more than ready to be a father—to both of Glory's children. He was also ready to be a husband to the woman he'd never been able to live without. And when he saw that their feelings for each other still burned bright, he didn't see any reason why he'd have to....

mind your own damn business quotes: Magnolia Kristi Cook, 2014-08-05 Jenna and Ryder are far from friends—until a storm stirs up their passion in this contemporary southern romance from New York Times bestselling author Kristi Cook. In Magnolia Branch, Mississippi, The Cafferty and Marsden families are practically royalty. Neighbors since the Civil War, the families have shared vacations, holidays, backyard barbecues, and the overwhelming desire to unite their two clans by marriage. So when the families finally have a baby boy and girl at the same time, the perfect opportunity seems to have arrived. Except Jemma Cafferty and Ryder Marsden have no intention of giving in to their parents' wishes. They're only seventeen—oh, and also? They hate each other. Jemma can't stand Ryder's nauseating golden-boy persona, and Ryder would prefer it if stubborn-headed Jemma didn't exist. And their communication is not exactly effective: even a casual hello turns into a yelling match. But when a violent Mississippi storm ravages through Magnolia Branch, it unearths feelings Jemma and Ryder didn't know they had. And the line between love and hate just might be thin enough to cross...

It could happen.

mind your own damn business quotes: The Headmaster's Wife Stephen Birmingham, 2024-04-02 Cultural shifts of the late twentieth century reveal dark secrets at an elite prep school, in this posthumously discovered novel by the author of *Our Crowd*. Located in bucolic Connecticut, the Crittenden School has long held a venerable reputation as one of New England's premier preparatory schools. However, times are changing, and that change is coming to Crittenden. In the midst of social upheaval, the headmaster's wife, Clarissa Spotswood, is thrust into faculty and student intrigues—a role for which she is woefully unprepared. Clarissa has spent the past thirty years quietly standing by her husband, Headmaster Hobart Spotswood, projecting the image of the

model society wife. But this meticulous façade is shattered when Clarissa uncovers horrific events within the school's insular community. And interspersed with the drama is Clarissa's own journal entries revealing a secret history of her own. Previously unpublished, *The Headmaster's Wife* was written by the late Stephen Birmingham, author of notable works such as *Real Lace* and *Life at the Dakota*. Discovered after Birmingham's death, the manuscript was transcribed and edited by his son, Carey Birmingham.

mind your own damn business quotes: *Nobody's Business* M.J. Kane, 2019-08-27 Trevon Campbell's world changed the moment his ex-girlfriend announced he was a father... Determined to make up for his past mistakes, Trevon gives Trina what she wanted before their breakup, what feels like his soul, which means he needs to forget about the exotic woman who stole his heart on one fateful night. Kai Malone refuses to play by her family's rules... Instead of working for the family business, she became a firefighter. Working in a field dominated by men is hard enough, especially when you have a multicultural heritage, but Kai dedicates her life to her career to be the best and so she doesn't have to think about the infidelity of her fiancé. Tired of his deceit, she gave in to a one-night stand with a complete stranger, someone she'd never have to see again - or so she thought. When tragedy strikes, their worlds collide, leaving them no choice but to interact with each other again. It doesn't take long for them to realize the attraction that brought them together the first time is stronger than ever, forcing Trevon to make the biggest decision of his life.

mind your own damn business quotes: *Guide Us Home* CF Frizzell, Jesse J. Thoma, 2024-02-13 Nancy and Sam have no intention of playing nice. Each aims to win the bid for the abandoned Narragansett Island Lighthouse, and compromise isn't in the cards. It's preservation versus profit, but the lighthouse's dissatisfied governing board insists on better from both women. Ironically, a battered old book at the lighthouse just might provide the key to success. Inspiring parallels are discovered in the dog-eared pages: the struggles, dreams—and love—between two Danish women braving WWII's desperate days, guided by a valiant lighthouse they know well. The heroic tale could navigate Nancy and Sam to success, if they stop floundering long enough to see love coming to their rescue.

mind your own damn business quotes: *The Devil's Own Game* Annie Hogsett, 2019-10-15 The murder is the message What you don't see is what you get. When a sniper targets a blind man walking along the lagoon of the Cleveland Museum of Art, the bullet is a wake-up call aimed straight for Allie Harper and Tom Bennington, shattering their illusion that the Mondo Mega Jackpot Nightmare is over. On the day Allie—sassy, lonely, broke—met Tom—smart, hot, blind—he won \$500 million trying to show a kid that gambling doesn't pay. Romance—and multiple murders—ensued,

along with a new, opulent lifestyle that the couple had never dreamed possible. Then a ruthless man of formidable skills and resources hacked into the security system in their rented 9,000 square-foot lakeside mansion, and they learned just how far someone who begrudges their good fortune would go to destroy them. Now they know the past six months of peace and quiet were the calm before a rising storm of mayhem and revenge. The new game begins tonight. An old devil. A new devil. And a new case for The T&A Detective Agency. (Yes. They should have put Allie's initial first.) Tom and Allie aren't on the case long before they discover a strong lead that takes them into the heights of Cleveland's upper-crust, where husbands and wives weave webs of betrayal with unfathomable sums of money at the center. As the threats—and murders—multiply, Allie, Tom, and the T&A must fight to beat the devil's own game. Will they get out alive? Somebody's Bound to Wind Up Dead series: Too Lucky to Live (Book 1) Murder to the Metal (Book 2) The Devil's Own Game (Book 3) Praise for Annie Hogsett: The original voice, humor, and unusual premise will appeal to Janet Evanovich readers. —Library Journal STARRED review for Too Lucky to Live Fast pacing, multiple plot twists, and humor, including a Stephanie Plum-like main character, enliven the story and keep the pages turning. —Booklist for Too Lucky to Live The bittersweet mystery, with the open-ended threat of a villainous mastermind, is reminiscent of P.J. Tracy's early 'Monkeewrench' novels. —Library Journal for Murder to the Metal

mind your own damn business quotes: Double Dealing Linda Cajio, 2013-06-12 Temptation, temptation, temptation . . . a million-dollar showdown over real estate turns into love at first swipe in this romance from beloved author Linda Cajio. Even as he's sneaking onto the Barkeley estate, Jed Waters knows better. This is no way for the vice president of Atlantic Developers to behave. He may remember the secret path through the hedge maze . . . he may be able to outrun the dogs nipping at his heels . . . but he never counted on being greeted by Rachel Barkeley herself. Once they were childhood friends. Now Rachel is the exotic stunner in a Shaker sweater—and the owner of the property that Jed's company is so desperate to turn into condos. Seeing Jed after all these years fills Rachel with a kind of delicious fear. The gardener's son is all grown up, looking like he stepped out of a teenage fantasy. It's not Rachel's fault her eccentric uncle reneged on his deal with Jed, gifted her with the estate, and retired to a monastery in Nepal. If only Jed spent some quality time at the Barkeley house, he would fall in love with it and see Rachel's side of the story . . . which is why she kidnaps him and stashes him in the trophy room. But her gorgeous prisoner has captured something more valuable than any mansion: Rachel's heart. Includes a special message from the editor, as well as excerpts from these Loveswept titles: Flirting with Disaster, Taking Shots, and Long Simmering Spring.
