nevada state bank business account: Illusions Lee Delarosa, 2012 From a happy childhood to a member of the Black Dot gang. Later, the Air Force trained me in Electronic Espionage and awarded me a Top Secret clearance. In Trabzon, Turkey, I intercepted secret Russian Morse Code messages, regarding Antiballistic missiles. Left the Air Force and went into business. As Treasurer in a marketing firm, things were great; but the CEO perpetrated a scam, and stole thousands of dollars from investors. Our Hollywood attorney represented us, but, also the Mafia. The Feds hauled our

company into Court for interstate fraud. Having to do nothing with the scam, the court let me off the hook. The CEO went to prison on another scam; our flamboyant attorney also went to prison for financing the mob in a Roving Casino in L.A. I went to work for another prosperous company owned by two 24-year-old principals. Eight weeks after working for them, the young pair was caught committing a \$1.8 million Check Kiting scheme. We did business in Diamonds, Investments, and produced a major motion picture, *Stroker Ace*, starring Burt Reynolds, as Stroker Ace. Four years later, the young entrepreneurs were tried; one of them went to prison. I became a full-fledged alcoholic, suffered two bankruptcies, and almost lost my life several times and my family. After 5 years of repentance and going through the cleansing fire of God, I came to my senses. The last 20 years have been wonderful with blessings, teaching the Word, and laying hands on the sick and seeing them recover. I have had numerous Miracles, Visions, and Prophecies that have come to pass. Today, in my golden years, what can I say...God is good, great, and awesome!! Never did accumulate any wealth. But I have Jesus--I have it all!
