pearlstein business learning center: Building Drexel Richardson Dilworth, Scott Gabriel Knowles, 2016-12-12 Published in conjunction with Drexel University's 125th anniversary, Building Drexel chronicles the founding of the university by Anthony J. Drexel through to the present day. The editors and contributors create a prismatic discussion of the university and its evolution. Richly illustrated chapters cover the architectural history of notable Drexel buildings; the role of Drexel in Philadelphia's modern history; its Greek life; sports—particularly Drexel's history in the Big 5; and each of the university's schools and colleges. There is a history of the medical college and law school, plus the creation of new schools such as those of biomedical engineering, science and health systems. Building Drexel also documents the civil rights history of Drexel and its urban planning history in relation to the racially diverse Powelton Village and Mantua neighborhoods it borders. This commemorative volume shows the development of the university both in the city and in the world. Contributors include: Lloyd Ackert, Cordelia Frances Biddle, Paula Marantz Cohen, Donna Marie De Carolis, Roger Dennis, Gloria Donnelly, Kevin D. Egan, Alissa Falcone, David Fenske, John A. Fry, Stephen F. Gambescia, Marla J. Gold, Charles Haas, Kathy Harvatt, Daniel Johnson, Jeannine Keefer, Larry Keiser, Michael Kelley, Jason Ludwig, Jonson Miller, Julie Mostov, Danuta A. Nitecki, Anthony M. Noce, Steven J. Peitzman, David Raizman, Tiago Saraiva, Amy E. Slaton, Nathaniel Stanton, Virginia Theerman, Laura Valenti, James Wolfinger, Eric A. Zillmer, and the editors.

pearlstein business learning center: Best 143 Business Schools Nedda Gilbert, Princeton Review (Firm), 2004 Our Best 357 Colleges is the best-selling college guide on the market because it is the voice of the students. Now we let graduate students speak for themselves, too, in these brand-new guides for selecting the ideal business, law, medical, or arts and humanities graduate school. It includes detailed profiles; rankings based on student surveys, like those made popular by our Best 357 Colleges guide; as well as student quotes about classes, professors, the social scene, and more. Plus we cover the ins and outs of admissions and financial aid. Each guide also includes an index of all schools with the most pertinent facts, such as contact information. And we've topped it all off with our school-says section where participating schools can talk back by providing their own profiles. It's a whole new way to find the perfect match in a graduate school.

pearlstein business learning center: Library and Information Center Management

Barbara B. Moran, Claudia J. Morner, 2017-11-16 This essential, single-volume textbook supplies a comprehensive introduction to library management that addresses all the functions of management, specifically within the ever-evolving modern library environment. Strategic planning. Facilities management. Leadership, ethics, communication, and motivation. Human resources and staffing. Change, library development, and innovation. Marketing. Measurement and evaluation. Fiscal responsibility and control. These are just some of the wide range of responsibilities and necessary skills of contemporary library managers—not all of which are typically covered in detail in LIS educational programs. Now updated and expanded for its ninth edition, Libraries Unlimited's Library and Information Center Management is the core management text for library information science programs. This latest text adds new information on grant writing as well as more about budgets, marketing, financial management, assessment, and evidence-based management. The authors include various real-world examples from international settings to help readers understand and conceptualize the place of the library and information center in our global world. Each chapter ends with two helpful sections that present numerous examples and opportunities to apply newly gained information: Practice Your Skills and Discussion Questions.
