prayer for your business: *40 Days of Prayer for My Business* Becky A. Davis, 2017-01-30 Every day for the last five years, I've read a prayer for my business, and I know without a doubt, those prayers are what have helped me grow, sustain and build a successful business. Those prayers gave me strength when things got hard, when I struggled in business and when I doubted myself. I knew that praying for my business was a game changer and I wanted to help other entrepreneurs create a disciplined behavior to pray for 40-days and watch God move in your business. The number 40 shows up often in the Bible; specifically, 126 times. In the New Testament, Jesus was tempted for 40 days and 40 nights (Matthew 4:2). There were 40 days between Jesus' resurrection and ascension (Acts 1:3). The Bible seems to use 40 to emphasize a time of testing and strengthening, and after the 40 days, there is an emphasis on spiritual truth, a new beginning, transition, change or renewal. It has been said that 40 is the length of time necessary to accomplish major parts of Gods Plan. This book has 40 prayers for your business. Prayer that helps you push through when things get tough, and they always get tough in business. These prayers help you remember to keep God first in your business and to continue to acknowledge him on your business journey. The prayers in this book are a guide to help build your spiritual muscle in life and business. These prayers will help you weather the storms that come by building a closer and intimate relationship with God. Take one vitamin P (prayer) each day for essential spiritual nutrients.

prayer for your business: *Business After God's Heart* William Parker, 2024-02-21 I have found David the son of Jesse, a man after My heart. (Acts 13:22) Business leaders face perplexing challenges to succeed in the marketplace, they make difficult decisions affecting the lives of their employees, and they inspire their staff to give their best. They experience triumphs and defeats, elation and agony, real wins and real losses. And while the Bible doesn't give us a manual for business leadership, it does give us a window into the heart after God's heart, the heart of King David. He faced similar challenges as a gifted tactician, strategist, and ruler, and he was very far from perfect. As David walked through his leadership challenges and his personal failures, he communicated his heart in his psalms. Many business leaders today apply the principles of the ancient Chinese general Sun Tzu from *The Art of War* to their business. In fact, legions of Sun Tzu devotees are out there applying the principles of a pagan conqueror to attack the marketplace for personal gain. How much better to consider the brilliance of God's conqueror King David, a man after His own heart? David's psalms are poetic expressions of this heart. Furthermore, his psalms continue to be "living and active" (Hebrews 4:12) as they are indeed part of the living and active Word of God for business leaders today. No followers of Sun Tzu would dare to make such an amazing claim. *Business after God's Heart* challenges the heart of the business leader to follow after the heart of God, as it is revealed in the psalms of David. And ultimately, as the leader's personal engagement in business flows from this heart, it will yield the fruit of *Business after God's Heart*.

prayer for your business: The Prayer Powered Entrepreneur Kim Avery, 2019-12-31 "A practical and powerful resource for any business owner who desires to do business led and empowered by God."—Shae Byner, author of *The Kingdom Driven Entrepreneur's Guide* While Christian entrepreneurs start their days with prayer, the hustle and bustle of running their own businesses quickly takes focus away from their vital partnership with the almighty God. As a result, prayers for business are often broad, unfocused, and strictly tied to the entrepreneur's vision of ideal results. The *Prayer Powered Entrepreneur* model walks entrepreneurs through 31 days of recognizing God as CEO through an inside-out system of praying for transformation: In themselves Their relationship with God Their relationship with others Their relationship with their business Culminating in praying for the impact they want their business to have in the world. Kim Avery encourages entrepreneurs to keep God at the center of everything, praying in alignment with the things He has already promised, and anticipating His daily activity in their lives. During this month-long journey, business owners learn how to build a better business, live a better life, and make a bigger impact—all through the simple practice of inside-out prayer. "Kim Avery gives everyone who is called into such an entrepreneurial challenge a wealth of wisdom and an easy-to-implement practical tool to keep one going.
