History of the Risky Business Costume

The "Risky Business" Halloween costume is not just a clothing choice; it's a nostalgic nod to a cultural phenomenon that defined a generation. The film, directed by Paul Brickman, features Tom Cruise as Joel Goodson, a high school student who turns his parents' home into a makeshift brothel while they are away. The iconic scenes, especially the one where Joel dances to Bob Seger's "Old Time Rock and Roll," have made this costume synonymous with the carefree spirit of the 1980s.

The costume typically consists of a white button-up shirt, boxer shorts, and sunglasses. This simplistic yet striking outfit is easily recognizable and has garnered a cult following over the years. The appeal of the "Risky Business" costume lies not only in its humor but also in its representation of youthful rebellion. As Halloween approaches each year, many people look for ways to celebrate the film's legacy, making it a popular choice for parties and events.

How to Create Your Own Risky Business Costume

Creating your own "Risky Business" costume is straightforward and can be done with items you may already have in your wardrobe. Here's a breakdown of how to assemble the perfect outfit:

Essential Clothing Items

The key components of the "Risky Business" costume include:

- **White Button-Up Shirt:** A classic, slightly oversized white dress shirt is essential. Make sure it is long enough to peek out from underneath your shorts.
- **Boxer Shorts:** Any pair of comfortable, loose-fitting boxer shorts will work. Traditional plaid patterns or solid colors are great options.
- **Sunglasses:** Choose a pair of stylish, dark sunglasses. The more retro, the better, as they contribute to the overall aesthetic of the 1980s.

To enhance the costume, you can also consider a pair of socks or slip-on shoes, which add to the casual vibe of the outfit.

Optional Additions

If you want to take your costume to the next level, consider adding some optional items:

- **Props:** A toy microphone or a fake dollar bill can mimic Joel's antics in the film.
- **Costume Wig:** If you want to replicate his hairstyle, a wig styled in a similar fashion can enhance the look.

Essential Accessories for the Look

Accessories play a vital role in completing the "Risky Business" costume. Here are some essential accessories to consider:

Jewelry and Watches

A simple wristwatch can add a touch of sophistication to the look. Avoid anything too flashy; instead, go for classic styles that reflect the 1980s aesthetic.

Footwear

For footwear, options can range from simple loafers to casual slip-on shoes. The goal is to choose something that complements the relaxed nature of the costume while remaining comfortable for the evening.

Makeup and Hair Tips

Makeup and hair can significantly enhance your "Risky Business" costume. Here's how to achieve the perfect look:

Hair Styling

Joel Goodson's hairstyle is characterized by its tousled, carefree appearance. If your hair is short, use a bit of hair gel or pomade to create a slightly messy look. If you're using a wig, style it to mimic Joel's iconic hairstyle.

Makeup

For a male character, makeup is minimal, but you can add a bit of bronzer to give your skin a sun-kissed glow. For females, a light application of makeup that includes a natural foundation, subtle eye makeup, and a hint of blush can enhance the overall appearance without being too overpowering.

Ideas for Halloween Parties with a Risky Business Theme

If you want to host a Halloween party with a "Risky Business" theme, consider incorporating elements from the movie to create an immersive experience. Here are some ideas to get you started:

- **Decorations:** Use 1980s-themed decorations, including posters from the film, disco balls, and retro furniture to set the scene.
- **Music Playlist:** Create a playlist featuring hits from the 1980s, especially songs featured in the film, like Bob Seger's "Old Time Rock and Roll."
- **Photo Booth:** Set up a photo booth with props such as sunglasses and microphones, allowing guests to capture the fun of the evening.

By embracing the spirit of the film, you can create a memorable event that encourages guests to participate in the theme through costumes and activities.

risky business halloween costume: Netflix Nostalgia Kathryn Pallister, 2019-04-15 Whether it's "Flashback Friday" or "Throwback Thursday," audiences are hungry for nostalgic film and television, and the streaming giant Netflix serves up shows from the past that satisfy this craving, in addition to producing original contemporary content with nostalgic flavor. As a part of the series "Reboots, Remakes and Adaptations" originated by series editors Dr. Carlen Lavigne and Dr. Paul Booth, this edited volume focuses exclusively on the intersection between the Netflix platform and the current nostalgia trend in popular culture. As both a creator and distributor of media texts, Netflix takes great advantage of a wide variety of audience nostalgic responses, banking on attracting audiences who seek out nostalgic content that takes them back in time, as well as new audiences who discover "old" and reimagined content. The book aims to interrogate the complex and contradictory notions of nostalgia through the contemporary lens of Netflix, examining angles such as the Netflix business model, the impact of streaming platforms such as Netflix on the consumption of nostalgia, the ideological nature of nostalgic representation in Netflix series, and the various ways that Netflix content incorporates nostalgic content and viewer responses. Many of the contributed chapters analyze current, ongoing Netflix series, providing very timely and original analysis by established and emerging scholars in a variety of disciplines. What can we learn about our selves, our times, our cultures, in response to an examination of "Netflix and Nostalgia"?

risky business halloween costume: Claimed by Him: An Age Gap Romance Collection Isla Chiu, 2024-09-07 Warning: this collection contains 5 sexy age gap instalove romance short stories featuring young women and their determined alpha males! Includes An Offer from My Dad's Creditor, Knocked Up by the Tycoon, Caught by the College President, Wanted by My Fake Boyfriend's Dad, and An Offer from the CEO! An Offer from My Dad's Creditor Lucky for you and your parents, I'm benevolent enough to offer an alternative method of payment, he says. From the

lust in his gray gaze, I have a pretty good idea what the alternative method of payment is, but I ask anyway, What do you want, Mr. Ricci? I want you to carry my child. His words make me lightheaded. Today was not a good day to skip dinner. Um, what? I ask, my legs trembling with the struggle to stay upright. Maybe I heard him wrong. No such luck. I want you to carry my child, Paisley. Knocked Up by the Tycoon My breath stops for a moment. Is that...? I shake my head before I can finish the thought. Pregnancy has to be making me hear things. Because there's no way- Alexa, look at me. My eyes bulge out of their sockets when a big familiar hand grabs my small one. Okay, I don't think my pregnancy brain can make that up. My imagination is not that vivid. I turn around, and my breath halts for yet another moment. Standing in front of me is Dallas Takahashi, my ex-boyfriend. And the father of the baby growing inside me. Caught by the College President I suck in a breath when my college president wraps his arms around me and pulls me onto his lap. I...I have a boyfriend, I say, my voice coming out annoyingly breathy. He chuckles. Oh, yes, your boyfriend, who seems like a real prize. He tugs at my blanket, exposing my bare shoulder. When he lowers his head and presses his mouth to my shoulder, I become breathless. Wanted by My Fake Boyfriend's Dad At the sight of Mike's father, I have to actively keep my jaw off the ground. One thing my friend neglected to tell me-his father is sexy. Mike's not a bad-looking guy either, but he got his golden hair and hazel eyes from his mother. Mr. Currant, on the other hand, has dark chocolate waves and intense gray eyes. Tall, dark, and handsome-just my type. An Offer from the CEO His face becomes serious. I know your family has a lot of debt, Charity. I stiffen. Does a CEO normally concern himself with the financial troubles of a lowly office assistant? There are your mother's unpaid hospital bills, your father's unwise loan to his brother, your own brother's gambling... My grip tightens on my bottled water. How does he know all of that? I'll take care of that debt, Adam says. I catch my breath. Chance Enterprises is a multi-billion dollar company, so I know he has the means to pay off my family's mountain of debt. Why would you do that? I ask. Then I remember that Mr. Chance is known for his philanthropy. Does he see me as a pitiful charity case? Is that why he has been so nice to me? Because I want something in exchange. What do you...? I get my answer when he strokes the hem of my black pencil skirt.

risky business halloween costume: This Dog Will Change Your Life Elias Weiss Friedman, 2025-06-03 A uniquely insightful, uplifting, emotional, and informative book that shows us how dogs make our lives better by making us better people from the Dogist. Elias Weiss Friedman became known as The Dogist when he took thousands of photos of dogs and posted them online along with their unique dog stories. Even before he was The Dogist, though, he was a Dogist—a fervent dog lover, and an evangelist about the relationship between dogs and humans and the joy this bond brings us in the modern world. Over his decades of studying dogs and their people, Elias has arrived at a deceptively simple realization: Dogs make people's lives better by making people better. Dogs improve us. They save us. They give our lives greater meaning and fulfillment. They teach us to become the best versions of ourselves. They help us understand our own identities, deepen our relationships, and remind us of patience, purpose, and commitment. We constantly seek those things in our human life, but so many of the answers are already right in front of us, in our dogs. This book weaves together stories of the many dogs Elias has been lucky enough to know, both in his personal life and while doing his Dogist work. Told in a light tone that does not shy away from more serious issues (Elias is not above the occasional sentimental moment or dog pun), this book charmingly explores the ways that dogs are not just our family and our friends but also irreplaceable beings capable of generating boundless love and restoring balance to our lives. In an increasingly alienating and divisive world, there is one clear remedy: the one with four legs that rolls over for belly rubs. Dogs can change our lives, and this book might just change yours.

risky business halloween costume: Dude, Bro Bread Foster, 2015-10-27 Dude, Bro: How to College is a humorous guide to surviving college written by comedian Bread Foster. Dude, Bro will provide articles, episodes, and truth (under the guise of guidance) about college life, mixed with honest stories from a mildly psychotic student. The objective is to provide an honest experience from a lower-middle class author who went crazy at a state university. Dude, Bro will have a sense of humor because college itself is kind of a joke.

risky business halloween costume: Bared Souls Ellie Wade, 2020-09-14 Bared Souls by the USA TODAY Bestselling Author Ellie Wade is an emotionally gripping love story that will leave you breathless. Experience the raw power of an extraordinary love that has the potential to both heal and destroy in this captivating tale. From innocent beginnings to unexpected twists, this novel takes you on a rollercoaster ride of emotions, challenging the very concept of love and its limits. Alma Weber He told me that he'd destroy me. I knew he wasn't lying, and I loved him anyway. I believed in love—in him. I just wasn't prepared to carry the weight of his demons. I wanted forever with him, but life showed me love was temporary, and forever was a dream. Despite everything that happened, even now, I wouldn't change any of it. For a love to have the capacity to destroy you, it has to be extraordinarily powerful—and that kind of love is impossible to walk away from. Leo Harding I warned her that I'd ruin her. I knew that I'd taint her innocence with my bad intentions. I was weak. She was perfection. I was nothing. The truth is that I loved her, and I selfishly wanted to hold on—to her, to the man she had made me, to the life we could have. I wanted to dance with her in the light despite knowing that the darkness would find me anyway. Heartbreak was inevitable. Yet I held on to the sliver of hope that I was wrong, that love really was enough. Destiny isn't something I buy into, but she makes me want to believe.

risky business halloween costume: Mike and Dave Need Wedding Dates Mike Stangle, Dave Stangle, 2016-06-21 SOON TO BE A MAJOR MOTION PICTURE FROM 20TH CENTURY FOX Two reckless but lovable all-American bros make a strong case for maturing slowly through their outrageous yet enlightening misadventures across this great country of ours. My brother and I are looking for wedding dates for our cousin's wedding. We've been told by the bride that bringing dates is "mandatory" so we "won't harass all of my friends all night" and "stay under control." Rather than ask some fringe women in our lives to go and face the inevitable 'does this mean he wants to take it to the next level?!' questions, we'd rather bring complete strangers and just figure it out... We're both in our 20s, single, dashing tall, Anglo-Saxon, respectfully athletic, love to party, completely house trained...love our mother, have seen Love Actually several times...raw, emotional, sensitive, but still bad boys....You should be attractive or our aunts will judge you, but not TOO attractive or one of our uncles might grope you. Dave and Mike Stangle thought nothing of it when they boozily decided to turn to the "activity partners" section of Craigslist to solicit dates to their cousin's wedding. The hilarious, out-of-this-world ad that they came up with—featuring a picture of the two brothers as centaurs—immediately went viral, eventually landing these Wayfarers-wearing, moped-riding, completely reckless but ultimately loveable bros in the annals of the "Internet famous." In Mike and Dave Need Wedding Dates, the Stangle brothers bring their trademark, off-color humor to everything from their most embarrassing adolescent experiences (like getting beat up by a girl on their front lawn...in front of their dad), to the most outrageous predicaments (like tripping on mushrooms with their bulldog, Frank), to proper sexting etiquette, and finally to breaking up a midget bar fight (you have to shoo them away). With the incredible comedic chemistry of Vince Vaughn and Owen Wilson in Wedding Crashers and the uncensored honesty of Tucker Max, Mike and Dave insist there's nothing wrong with just seeing where life takes you.
