turkish business class lounge: Twenty Years Sune Engel Rasmussen, 2024-08-06 Winner of the Overseas Press Club of America's Cornelius Ryan book award One of the Washington Post's 50 Best Nonfiction Books of 2024 An Economist Best Book of the Year | An Air Mail editor's pick Rasmussen combines social history with rigorous reporting . . . His ability to delve into [his characters'] lives lends his book the feeling of a novel . . . Trenchant . . . Superlative. —Martha Anne Toll, The Washington Post Devastating . . . Impressive . . . Haunting. —Suzy Hansen, The New York Review of Books An intimate history of the Afghan war—and the young Afghans whose dreams it enabled and dashed. No country was more deeply affected by 9/11 than Afghanistan: an entire generation grew up amid the upheaval that began that day. Young Afghans knew the promise of freedom, democracy, and safety, fought with each other over its meaning—and then witnessed its collapse. In *Twenty Years*, the Wall Street Journal correspondent Sune Engel Rasmussen draws on more than a decade of reporting from the country to tell Afghanistan's story from a new angle. Through the eyes of newly empowered women, skilled entrepreneurs, driven insurgents, and abandoned Western allies, we see the United States and its partners bring new freedoms and wealth, only to preside over the corruption, war-lordism, and social division that led to the Taliban's return to power. Rasmussen relates this history via two main characters: Zahra, who returns from abroad with high hopes for her liberated county, where she must fight to escape a brutal marriage and rebuild her life; and Omari, who joins the Taliban to protect the honor of his village and country and winds up wrestling with doubt and the trauma of war after achieving victory. We also meet Parasto, who risks her life running clandestine girls' schools under the new Taliban regime, and Fahim, a rags-to-riches tycoon who is forced to flee. With intimate access to these and other characters, Rasmussen offers deep insight into a country betrayed by the West and Taliban alike.

With detailed advice on what to see and do, listings for accommodation and restaurants, guidance on cultural etiquette and advice for women and other diverse travellers, this book provides the practical information adventurous tourists need to explore this new, exciting destination. Saudi Arabia will appeal to adventure travellers, offering activities ranging from pristine, world-class scuba diving to mountain-trekking. With dramatic scenery including a desert that stretches for hundreds of kilometres (where you can

Culture vultures will appreciate pre-Islamic rock art, Nabatean heritage, Mada'in Saleh (the sister city to Jordan's Petra in Jordan) and six UNESCO World Heritage Sites rarely visited by international tourists. Particularly after sundown, when Saudi Arabia truly comes alive, urbanites can explore the cities of Riyadh and Jeddah, where shopping opportunities range from traditional souqs to top-end malls where the wealthy go to see and be seen. Gastronomists can enjoy varied cuisine, from fine dining worthy of a Michelin star to traditional meals served on the floor, shared by all and eaten by hand. This guide dispels misinformation by providing an unbiased, up-to-date and comprehensive resource that accurately reflects what Saudi Arabia now offers visitors from all backgrounds. Most outsiders know little about the Kingdom other than from typically negative media coverage, so may be pleasantly surprised at its rich history and youthful population eager to extend hospitality to guests respecting their culture and traditions. A comprehensive guide combining detailed travel information about the entire Kingdom (from the Northern Borders to Asir, and from Hejaz to Eastern Province) with a chapter explaining some of the main practices of and reasons for the hajj and umrah pilgrimages, plus contextual insights covering cultural etiquette, reforms and women travellers, Bradt's Saudi Arabia is the perfect companion for people who thrive on off-the-beaten-path travel.
