tiesto business: The Business Simon Napier-Bell, 2023-01-27 “The only history of pop music you’ll ever have to read.”— Huffington Post Let legendary rock manager Simon Napier-Bell take you inside the (dodgy) world of popular music – not just a creative industry, but a business that has made people rich beyond their wildest dreams. This book describes the evolution of the music industry from 1713 – the year parliament granted writers ownership over what they wrote – to today, when a global, 100 billion pound industry is controlled by just three major players: Sony, Universal and Warner. Inside you will uncover some little-known facts about the industry, including: how a formula for writing hit songs in the 1900s helped create 50,000 of the best-known songs of all time; how Jewish immigrants and black jazz musicians dancing cheek-to-cheek created a template for all popular music that followed; and how rock tours became the biggest, quickest, sleaziest and most profitable ventures the music industry has ever seen. Through it all, Napier-Bell balances seductive anecdotes – pulling back the curtain on the gritty and absurd side of the industry – with an insightful exploration of the relationship between creativity and money.

What makes each individual venue a unique nightlife experience, and what influences partygoers to choose that brand over another? This book is a collection of stories from an array of industry professionals who have created successful nightlife experiences.

tiesto business: The Gospel According to Blindboy in 15 Short Stories Blindboy Boatclub, 2017-10-27 The Gospel According to Blindboy is a surreal and genre-defying collection of short stories and visual art exploring the myths, complacencies and contradictions at the heart of modern Ireland. Covering themes ranging from love and death to sex and politics, there's a story about a girl from Tipp being kicked out of ISIS, a van powered by Cork people's accents and a man who drags a fridge on his back through Limerick. Whip-smart, provocative and animated by the author's unmistakably dark wit, it is unlike anything else you will read this year. 'Mad, wild, hysterical, and all completely under the writer's control - this is a brilliant debut.' Kevin Barry 'There is genius in this book, warped genius. Like you'd expect from a man who for his day job wears a plastic bag on his head but something beyond that too. Oddly in keeping with the tradition of great Irish writers.' Russell Brand 'One of Ireland's finest and most intelligent comic minds delivers stories so blisteringly funny and sharp your fingers might bleed.' Tara Flynn 'Essential, funny and disturbing.'
