**tom cruise costume risky business: *Costume, Makeup, and Hair*** Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists, hair stylists, and costumers. With precious few but notable exceptions, creative workers in these fields have received little public recognition, even when their artistry goes on to inspire worldwide fashion trends. From the acclaimed Behind the Silver Screen series, *Costume, Makeup, and Hair* charts the development of these three crafts in the American film industry from the 1890s to the present. Each chapter examines a different era in film history, revealing how the arts of cinematic costume, makeup, and hair, have continually adapted to new conditions, making the transitions from stage to screen, from monochrome to color, and from analog to digital. Together, the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation, often fashioning striking looks and ingenious effects out of limited materials. *Costume, Makeup, and Hair* not only considers these crafts in relation to a wide range of film genres, from sci-fi spectacles to period dramas, but also examines the role they have played in the larger marketplace for fashion and beauty products. Drawing on rare archival materials and lavish color illustrations, this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume, makeup, and hairstyling as distinct art forms.

**tom cruise costume risky business: This Dog Will Change Your Life** Elias Weiss Friedman, 2025-06-03 A uniquely insightful, uplifting, emotional, and informative book that shows us how dogs make our lives better by making us better people from the Dogist. Elias Weiss Friedman became known as The Dogist when he took thousands of photos of dogs and posted them online along with their unique dog stories. Even before he was The Dogist, though, he was a Dogist—a fervent dog lover, and an evangelist about the relationship between dogs and humans and the joy this bond brings us in the modern world. Over his decades of studying dogs and their people, Elias has arrived at a deceptively simple realization: Dogs make people's lives better by making people better. Dogs improve us. They save us. They give our lives greater meaning and fulfillment. They teach us to become the best versions of ourselves. They help us understand our own identities, deepen our relationships, and remind us of patience, purpose, and commitment. We constantly seek those things in our human life, but so many of the answers are already right in front of us, in our dogs. This book weaves together stories of the many dogs Elias has been lucky enough to know, both in his personal life and while doing his Dogist work. Told in a light tone that does not shy away from more serious issues (Elias is not above the occasional sentimental moment or dog pun), this book charmingly explores the ways that dogs are not just our family and our friends but also irreplaceable beings capable of generating boundless love and restoring balance to our lives. In an increasingly alienating and divisive world, there is one clear remedy: the one with four legs that rolls over for belly rubs. Dogs can change our lives, and this book might just change yours.

Includes **An Offer from My Dad's Creditor**, **Knocked Up by the Tycoon**, **Caught by the College President**, **Wanted by My Fake Boyfriend's Dad**, and **An Offer from the CEO!** **An Offer from My Dad's Creditor** Lucky for you and your parents, I'm benevolent enough to offer an alternative method of payment, he says. From the

lust in his gray gaze, I have a pretty good idea what the alternative method of payment is, but I ask anyway, What do you want, Mr. Ricci? I want you to carry my child. His words make me lightheaded. Today was not a good day to skip dinner. Um, what? I ask, my legs trembling with the struggle to stay upright. Maybe I heard him wrong. No such luck. I want you to carry my child, Paisley. Knocked Up by the Tycoon My breath stops for a moment. Is that...? I shake my head before I can finish the thought. Pregnancy has to be making me hear things. Because there's no way- Alexa, look at me. My eyes bulge out of their sockets when a big familiar hand grabs my small one. Okay, I don't think my pregnancy brain can make that up. My imagination is not that vivid. I turn around, and my breath halts for yet another moment. Standing in front of me is Dallas Takahashi, my ex-boyfriend. And the father of the baby growing inside me. Caught by the College President I suck in a breath when my college president wraps his arms around me and pulls me onto his lap. I...I have a boyfriend, I say, my voice coming out annoyingly breathy. He chuckles. Oh, yes, your boyfriend, who seems like a real prize. He tugs at my blanket, exposing my bare shoulder. When he lowers his head and presses his mouth to my shoulder, I become breathless. Wanted by My Fake Boyfriend's Dad At the sight of Mike's father, I have to actively keep my jaw off the ground. One thing my friend neglected to tell me-his father is sexy. Mike's not a bad-looking guy either, but he got his golden hair and hazel eyes from his mother. Mr. Curren, on the other hand, has dark chocolate waves and intense gray eyes. Tall, dark, and handsome-just my type. An Offer from the CEO His face becomes serious. I know your family has a lot of debt, Charity. I stiffen. Does a CEO normally concern himself with the financial troubles of a lowly office assistant? There are your mother's unpaid hospital bills, your father's unwise loan to his brother, your own brother's gambling... My grip tightens on my bottled water. How does he know all of that? I'll take care of that debt, Adam says. I catch my breath. Chance Enterprises is a multi-billion dollar company, so I know he has the means to pay off my family's mountain of debt. Why would you do that? I ask. Then I remember that Mr. Chance is known for his philanthropy. Does he see me as a pitiful charity case? Is that why he has been so nice to me? Because I want something in exchange. What do you...? I get my answer when he strokes the hem of my black pencil skirt.

**tom cruise costume risky business: Christian Slater - Back from the Edge** Nigel Goodall, 2015-08-26 Christian Slater is a screen icon in his own time and one of the world's most admired actors. This long awaited biography traces the life and career of a fascinating Hollywood player...From the late eighties onwards, Christian Slater was the embodiment of teenage cool. Films such as The Name of the Rose, Young Guns II and Pump Up the Volume became instant cult classics and ensured his status as both a teenage heartthrob and as the elite actor of his generation. His position as an A-list star was hardly diminished during the nineties, with brilliant performances in Robin Hood: Prince of Thieves, True Romance, Broken Arrow and Very Bad Things establishing him as a formidable force in acting. But fame and success did not always sit easily with Christian, and from his off-screen behaviour resulted a 'bad boy' reputation that has stuck with him ever since. Alcohol and drug excesses have led to numerous incidents with the law, assault charges, even a stint in jail - but through all this, Christian managed to retain a highly successful career. These personal demons, as well as Christian's intense and turbulent love affairs with the likes of Winona Ryder,

Christina Applegate and Patricia Arquette, have merely added to the romance of this highly elusive and attractive individual. Yet for the man himself, the crazy lifestyle started to take its toll, and in more recent years Christian started to come to terms with the personality flaws that have plagued him throughout his family life and career. In addition to his film career, Christian's impeccable performances in a recent stage play version of *One Flew Over The Cuckoo's Nest* won him the Theatregoers Choice Award for Best Actor, and with his role in Broadway's *The Glass Menagerie* and the West End production of *Sweet Bird of Youth*, his return to theatrical mainstream is in full bloom. From this incisive biography, which includes a complete filmography, emerges a complex and sometimes contradictory character, a man who has dealt with fame, love, loss and success in his own, uncompromising and inspired way. The films, the flings, the affairs, the media gossip - all are dealt with truthfully in a book as fascinating and candid as the man himself.

**tom cruise costume risky business: Bared Souls** Ellie Wade, 2020-09-14 *Bared Souls* by the USA TODAY Bestselling Author Ellie Wade is an emotionally gripping love story that will leave you breathless. Experience the raw power of an extraordinary love that has the potential to both heal and destroy in this captivating tale. From innocent beginnings to unexpected twists, this novel takes you on a rollercoaster ride of emotions, challenging the very concept of love and its limits. Alma Weber He told me that he'd destroy me. I knew he wasn't lying, and I loved him anyway. I believed in love—in him. I just wasn't prepared to carry the weight of his demons. I wanted forever with him, but life showed me love was temporary, and forever was a dream. Despite everything that happened, even now, I wouldn't change any of it. For a love to have the capacity to destroy you, it has to be extraordinarily powerful—and that kind of love is impossible to walk away from. Leo Harding I warned her that I'd ruin her. I knew that I'd taint her innocence with my bad intentions. I was weak. She was perfection. I was nothing. The truth is that I loved her, and I selfishly wanted to hold on—to her, to the man she had made me, to the life we could have. I wanted to dance with her in the light despite knowing that the darkness would find me anyway. Heartbreak was inevitable. Yet I held on to the sliver of hope that I was wrong, that love really was enough. Destiny isn't something I buy into, but she makes me want to believe.
