The actions are authentic 2. They revolve around the CEO 3. They signal a clean break with the past, and a clear path to the future 4. They appeal to employee heads and hearts 5. They're often theatrical or dramatic 6. They're told, and re-told, throughout the organization With extensive and inspiring examples of stories containing these attributes, the authors illustrate how readers can harness the power of stories within their company in order to change or create a winning culture to align with any strategy.
