The Real Deal. The Big Shamrock. Shaq. You know him by any number of names, and chances are you know all about his legendary basketball career: Shaquille Shaq O'Neal is a four-time NBA champion and a three-time NBA Finals MVP. After being an All-American at Louisiana State University, he was the overall number one draft pick in the NBA in 1992. In his 19-year career,

Shaq racked up 28,596 career points (including 5,935 free throws!), 13,099 rebounds, 3,026 assists, 2,732 blocks, and 15 All-Star appearances. These are statistics that are almost as massive as the man himself. His presence-both physically and psychologically-made him a dominant force in the game for two decades. But if you follow the game, you also know that there's a lot more to Shaquille O'Neal than just basketball. Shaq is famous for his playful, and at times, provocative personality. He is, literally, outsize in both scale and persona. Whether rapping on any of his five albums, challenging celebrities on his hit television show Shaq Vs., studying for his PhD or serving as a reserve police officer, there's no question that Shaq has led a unique and multi-dimensional life. And in this rollicking new autobiography, Shaq discusses his remarkable journey, including his candid thoughts on teammates and coaches like Kobe Bryant, Dwyane Wade, LeBron James, Phil Jackson, and Pat Riley. From growing up in difficult circumstances and getting cut from his high school basketball team to his larger-than-life basketball career, Shaq lays it all out in *Shaq Uncut: My Story*.

He worked for them, watched them, and his interest in building communities through economic development grew even while his basketball career flourished. His fame as an NBA star gave him access to some of the most successful business leaders in the country. It was Earvin's own entrepreneurial spirit that inspired them to serve as his mentors. Earvin made the transition from great athlete to greater entrepreneur through hard work and by avidly pursuing opportunities. He recognized that densely populated urban communities were ripe for commercial and residential development. He partnered with major brands like Starbucks, 24 Hour Fitness, and T.G.I. Friday's to lead a major economic push in these communities. The success of his businesses proved that ethnically diverse urban residents would welcome and support major brands if given the opportunity. Earvin continues to be a leader of urban economic development that provides jobs, goods, and a new spirit of community. *32 Ways to Be a Champion in Business* will inspire and enlighten readers who wish to make a similar impact with their careers and business endeavors.

what business does shaquille oneal own: Fintech, Small Business & the American Dream Karen G. Mills, 2019-03-12 Small businesses are the backbone of the U.S. economy. They are the biggest job creators and offer a path to the American Dream. But for many, it is difficult to get the capital they need to operate and succeed. In the Great Recession, access to capital for small businesses froze, and in the aftermath, many community banks shuttered their doors and other lenders that had weathered the storm turned to more profitable avenues. For years after the financial crisis, the outlook for many small businesses was bleak. But then a new dawn of financial technology, or "fintech," emerged. Beginning in 2010, new fintech entrepreneurs recognized the gaps in the small business lending market and revolutionized the customer experience for small business owners. Instead of Xeroxing a pile of paperwork and waiting weeks for an answer, small businesses filled out applications online and heard back within hours, sometimes even minutes. Banks scrambled to catch up. Technology companies like Amazon, PayPal, and Square entered the market, and new possibilities for even more transformative products and services began to appear. In *Fintech, Small Business & the American Dream*, former U.S. Small Business Administrator and Senior Fellow at Harvard Business School, Karen G. Mills, focuses on the needs of small businesses for capital and how technology will transform the small business lending market. This is a market that has been plagued by frictions: it is hard for a lender to figure out which small businesses are creditworthy, and borrowers often don't know how much money or what kind of loan they need. New streams of data have the power to illuminate the opaque nature of a small business's finances, making it easier for them to weather bumpy cash flows and providing more transparency to potential lenders. Mills charts how fintech has changed and will continue to change small business lending, and how financial innovation and wise regulation can restore a path to the American Dream. An ambitious book grappling with the broad significance of small business to the economy, the historical role of credit markets, the dynamics of innovation cycles, and the policy implications for regulation, *Fintech, Small Business & the American Dream* is relevant to bankers, fintech investors, and regulators; in fact, to anyone who is interested in the future of small business in America.

what business does shaquille oneal own: Shaq Talks Back Shaquille O'Neal, 2014-07-01 Funny, insightful, opinionated, and unexpectedly moving, *Shaq Talks Back* presents the true voice of one of the NBA's greatest players, as he looks back on life during his first championship with the Los Angeles Lakers. It's rare to discover a candid sports autobiography—even rare when the author is one of the most recognizable athletes in the world. But in *Shaq Talks Back*, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. *Shaq Talks Back* is the story of how potential became reality—how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic—and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the

big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * Inside the Lakers' comeback from the brink against Portland and the drive to the 2000 NBA championship
