why did they kill sasha off family business: I Love Russia Elena Kostyuchenko, 2023-10-17 * Named a Best Book of the Year by The New Yorker and TIME * Winner of the Pushkin House Book

Prize * A New York Times Book Review Editors' Choice * "A haunting book of rare courage."

—Clarissa Ward, CNN chief international correspondent and author of *On All Fronts To be a journalist is to tell the truth*. *I Love Russia* is Elena Kostyuchenko's unrelenting attempt to document her country as experienced by those whom it systematically and brutally erases: village girls recruited into sex work, queer people in the outer provinces, patients and doctors at a Ukrainian maternity ward, and reporters like herself. Here is Russia as it is, not as we imagine it. The result is a singular portrait of a nation, and of a young woman who refuses to be silenced. In March 2022, as a correspondent for Russia's last free press, *Novaya Gazeta*, Kostyuchenko crossed the border into Ukraine to cover the war. It was her mission to ensure that Russians witnessed the horrors Putin was committing in their name. She filed her pieces knowing that should she return home, she would likely be prosecuted and sentenced to up to fifteen years in prison. Yet, driven by the conviction that the greatest form of love and patriotism is criticism, she continues to write. *I Love Russia* stitches together reportage from the past fifteen years with personal essays, assembling a kaleidoscopic narrative that Kostyuchenko understands may be the last work from her homeland that she'll publish for a long time—perhaps ever. It exposes the inner workings of an entire nation as it descends into fascism and, inevitably, war. She writes because the threat of Putin's Russia extends beyond herself, beyond Crimea, and beyond Ukraine. We fail to understand it at our own peril.

why did they kill sasha off family business: Take the Money and Come Kathleen Hope, 2018-05-31 "I'm never going to date again!" Sarah swore vehemently, standing in the middle of their hotel room, objecting to her best friend Callie's insistence on a "girl's night out." "I'm going to join a nunnery, stave off men altogether. So I most certainly have no interest in hanging out at a bar where there will be scumbags aplenty," she insisted petulantly. It really wasn't all men that Sarah was exasperated with, but rather the string of men she'd managed to attract who should have come with warning signs, like "Scumbag King," "Super Sloth," or "Lying, Cheating Dirt-bag." "I'm not trying to find you a husband, Sarah...just a good lay. Or hell, a little flirting is fine with me," Callie explained patiently. "You've been out of the game for months now. And I get it, you had some bad luck. But, it's time to get back on the horse—at least long enough to take one out for a ride." Bad luck was an understatement in Sarah's opinion. In the past three years since graduating from college, she'd wound up dating a gambler who had maxed out her credit cards behind her back, and a deadbeat who, it turned out, was not a video game designer as he had said, but rather a fanatical video game player. The latest in her string of "bad luck," a compulsive cheater who couldn't keep it in his pants—even in the midst of her twenty-fifth birthday celebration. She'd darted off to her bedroom to look for a sweater and ended up finding her sister riding her boyfriend like he was a bucking stallion. "Is this the line for pony rides?" Sarah had asked dryly before turning around and walking

out of the house. She wasn't angry at her sister; Liz hadn't known the scumbag was her...

The quaint coastal town of South Cove, California, is buzzing with excitement about the new specialty tea shop, Tea Hee—not to mention its beautiful owner, Kathi Corbin. But while the men in town are distracted by her looks, Jill Gardner, owner of the local bookshop café, senses something peculiar about the South Cove newcomer. Why, for instance, does Kathi get so pale and flustered when she hears that her sister Ivy is in town? With a festival drawing plenty of tourists, everyone's focused on business—until a dead body is found in a seedy motel and identified as someone connected to Kathi. Now the town is buzzing with suspicion, and it's up to Jill to clear Kathi's name without getting herself in hot water. Includes an excerpt from A STORY TO KILL, Lynn Cahoon's BRAND NEW series
