

all ten commandments

all ten commandments represent a foundational set of biblical laws that have profoundly influenced religious, ethical, and legal traditions around the world. These commandments, delivered to Moses on Mount Sinai, are central to the Judeo-Christian faiths and continue to serve as a moral compass for millions. Understanding all ten commandments involves exploring their individual meanings, historical context, and enduring significance. This article will provide a detailed overview of each commandment, discussing their implications and relevance today. Additionally, the piece will outline the commandments in an organized manner to facilitate better comprehension and reflection. The following sections will cover the origin, the full list of all ten commandments, their interpretations, and their role in modern society.

- The Origin and Historical Context of the Ten Commandments
- List and Explanation of All Ten Commandments
- Interpretations and Variations Across Religions
- The Role of the Ten Commandments in Modern Ethics and Law

The Origin and Historical Context of the Ten Commandments

The ten commandments originated within the ancient religious traditions of the Israelites as recorded in the Hebrew Bible, specifically in the books of Exodus and Deuteronomy. According to biblical narrative, God delivered these commandments to Moses on Mount Sinai after the Israelites' exodus from Egypt. These laws were intended to establish a covenant between God and His people, outlining moral and religious duties. Historically, the commandments reflect the social and spiritual norms of the time, emphasizing justice, worship, and community responsibility. Their preservation and transmission have been pivotal in shaping Western religious thought and legal frameworks.

The Significance of Mount Sinai

Mount Sinai holds a critical place in biblical history as the site where Moses received the divine laws directly from God. This event symbolizes the direct communication between the divine and humanity, marking the formal establishment of the covenant. The experience on Mount Sinai not only provided the Israelites with a code of conduct but also reinforced their identity as a chosen people bound by divine law.

Historical Influence on Law and Society

Beyond their religious significance, the ten commandments have influenced the development of legal

systems, particularly in Western cultures. Principles such as prohibitions against murder, theft, and false testimony are reflected in modern legal codes. This historical influence underscores the commandments' role in promoting social order and justice.

List and Explanation of All Ten Commandments

All ten commandments are traditionally divided into two categories: duties to God and duties to fellow humans. Each commandment provides specific instructions designed to guide moral behavior and spiritual devotion. The following list presents all ten commandments with explanations to clarify their meaning and application.

1. **You shall have no other gods before Me.** This commandment emphasizes exclusive worship of the one true God, prohibiting idolatry and polytheism.
2. **You shall not make for yourself an idol.** It forbids the creation and worship of physical images or representations as divine entities.
3. **You shall not take the name of the Lord your God in vain.** This prohibits misuse or disrespectful use of God's name, underscoring reverence.
4. **Remember the Sabbath day, to keep it holy.** This commandment requires setting aside the seventh day for rest and spiritual renewal.
5. **Honor your father and your mother.** It stresses the importance of respecting and obeying parents and authority figures.
6. **You shall not murder.** This commandment forbids the unlawful taking of human life, affirming the sanctity of life.
7. **You shall not commit adultery.** It prohibits sexual relations outside the bounds of marriage, promoting faithfulness.
8. **You shall not steal.** This commandment forbids taking another person's property without permission.
9. **You shall not bear false witness against your neighbor.** It prohibits lying or giving false testimony, especially in legal contexts.
10. **You shall not covet.** This commandment addresses the inner desire for others' possessions, warning against envy and greed.

Divine and Social Dimensions

The first four commandments primarily focus on the relationship between humans and God, establishing religious duties. The remaining six commandments regulate interpersonal conduct,

promoting social harmony and justice. This dual focus highlights the comprehensive nature of the ten commandments as both spiritual and ethical guidelines.

Interpretations and Variations Across Religions

The ten commandments are interpreted differently across various religious traditions, including Judaism, Christianity, and Islam. Each tradition emphasizes particular aspects and sometimes varies in numbering or wording. Understanding these differences is essential for appreciating the commandments' diverse religious significance.

Jewish Interpretation

In Judaism, the ten commandments are part of the larger Torah and are seen as foundational laws given by God. The commandments are recited in synagogue services and serve as a basis for Jewish ethical teaching and practice. Jewish tradition often numbers the commandments slightly differently than Christian traditions.

Christian Perspectives

Christian denominations generally accept the ten commandments as moral imperatives but may differ in division and emphasis. For example, the Catholic Church combines some commandments and separates others, resulting in a distinct numbering system. Christians interpret the commandments in light of New Testament teachings, often highlighting love and grace alongside obedience.

Islamic Viewpoint

While the exact list of the ten commandments is not present in the Quran, many of their principles are echoed in Islamic teachings. Islam emphasizes monotheism, respect for parents, honesty, and prohibitions against murder and theft, reflecting shared ethical values with the commandments.

The Role of the Ten Commandments in Modern Ethics and Law

All ten commandments continue to influence contemporary ethical discussions and legal principles. They serve as a moral foundation for many societies and are referenced in debates on law, human rights, and social conduct. Their enduring relevance is evident in educational, religious, and legal institutions worldwide.

Impact on Legal Systems

Many modern legal codes incorporate principles derived from the ten commandments, such as

prohibitions against murder, theft, and perjury. These laws are fundamental to maintaining justice and order in society. The commandments' influence is especially notable in countries with Judeo-Christian cultural backgrounds.

Ethical Guidance in Daily Life

Beyond formal law, the ten commandments provide ethical guidance for individuals in personal and social contexts. They encourage values such as honesty, respect, faithfulness, and humility, which are essential for healthy interpersonal relationships and community well-being.

Contemporary Debates

The public display and role of the ten commandments in government and education have been subjects of debate, highlighting tensions between religious tradition and secularism. These discussions underscore the complex relationship between ancient religious laws and modern pluralistic societies.

Frequently Asked Questions

What are the Ten Commandments?

The Ten Commandments are a set of biblical principles relating to ethics and worship, which play a fundamental role in Judaism, Christianity, and Islam.

Where are the Ten Commandments found in the Bible?

The Ten Commandments are found in the Bible in the books of Exodus 20:1-17 and Deuteronomy 5:4-21.

Who received the Ten Commandments according to the Bible?

According to the Bible, Moses received the Ten Commandments from God on Mount Sinai.

What is the first of the Ten Commandments?

The first commandment is: 'You shall have no other gods before Me.'

What do the Ten Commandments teach about honoring parents?

One of the Ten Commandments instructs to 'Honor your father and your mother,' emphasizing respect and obedience towards one's parents.

Which commandments forbid murder, theft, and bearing false witness?

The commandments include 'You shall not murder,' 'You shall not steal,' and 'You shall not bear false witness against your neighbor.'

Are the Ten Commandments the same in all religions?

While the Ten Commandments are recognized in Judaism, Christianity, and Islam, their wording and emphasis may vary slightly among these religions.

How do the Ten Commandments influence modern law and ethics?

The Ten Commandments have influenced modern legal systems and ethical codes by establishing foundational principles such as prohibitions against murder, theft, and perjury.

What is the significance of the Sabbath commandment in the Ten Commandments?

The commandment to 'Remember the Sabbath day, to keep it holy' emphasizes the importance of rest and worship on the seventh day.

How are the Ten Commandments relevant today?

The Ten Commandments continue to provide moral guidance and ethical standards for individuals and communities across various cultures and religions today.

Additional Resources

1. The Ten Commandments: A Guide to Ethical Living

This book offers a comprehensive exploration of the Ten Commandments and their relevance in modern life. It delves into the historical context and the moral principles underlying each commandment. Readers will find practical applications and reflections on how these ancient laws continue to shape ethical behavior today.

2. Living the Ten Commandments: Spiritual Wisdom for Everyday Life

Focusing on the spiritual dimensions of the Ten Commandments, this book provides insights and meditations to help readers internalize these principles. It includes personal stories and exercises aimed at fostering a deeper connection with divine guidance. The author emphasizes the commandments as a path to personal growth and harmony in relationships.

3. Understanding the Ten Commandments: History, Meaning, and Impact

This scholarly work examines the origins and evolution of the Ten Commandments across different cultures and religions. It discusses their legal, social, and theological significance throughout history. The book is ideal for readers interested in the commandments' broader cultural and historical influence.

4. *The Ten Commandments in Modern Society: Challenges and Applications*

Addressing contemporary issues, this book analyzes how the Ten Commandments can be interpreted and applied in today's complex world. Topics include justice, human rights, and ethical dilemmas in technology and politics. It encourages readers to consider the commandments as a living framework for moral decision-making.

5. *The Heart of the Ten Commandments: Love and Justice in Biblical Law*

This book explores the deeper themes of love, justice, and mercy embedded within the Ten Commandments. It highlights how these principles serve as foundational elements for both personal conduct and community life. The author offers theological reflections and practical advice for embodying these values.

6. *Children and the Ten Commandments: Teaching Values for a Lifetime*

Designed for parents and educators, this book presents creative ways to introduce the Ten Commandments to children. It includes stories, activities, and discussion prompts to help young learners grasp the importance of ethical living. The book emphasizes the commandments as tools for character development and moral education.

7. *Faith and the Ten Commandments: Building a Moral Foundation*

This work links the Ten Commandments to faith traditions and spiritual formation. It discusses how adherence to these commandments nurtures trust, integrity, and community within religious contexts. The author provides guidance on integrating the commandments into personal faith journeys.

8. *The Ten Commandments and Social Justice: Bridging Faith and Action*

Examining the commandments through the lens of social justice, this book challenges readers to consider their role in promoting equality and compassion. It connects biblical ethics with contemporary movements for human dignity and rights. The author calls for an active commitment to living out these ancient laws in service to others.

9. *Reflecting on the Ten Commandments: Meditations for Daily Life*

This devotional-style book offers daily reflections and prayers centered on each of the Ten Commandments. It encourages readers to contemplate their meaning and relevance in everyday situations. The meditations are designed to inspire mindfulness, repentance, and spiritual renewal.

all ten commandments: The Ten Commandments United Church of God, 2011-11-16 Can you find a proven source for lasting standards and values? God revealed the heart of His standards--the Ten Commandments--long ago at Mount Sinai. But what sets them apart from man-made rules and guidelines? What do they reveal about nature of God Himself. In this booklet you'll discover the answers to these questions and more. Inside this booklet:- The First Commandment: What Is Our

Greatest Priority?- The Second Commandment: What Is God Like?- The Third Commandment: From Profanity to Praise- The Fourth Commandment: Key to a Relationship With Our Creator- The Fifth Commandment: A Foundation for Success- Sixth Commandment: Life Is a Precious Gift- Seventh Commandment: Protect the Marital Relationship- Eighth Commandment: Practice Giving Rather Than Getting- Ninth Commandment: Truth as a Way of Life- Tenth Commandment: True Righteousness Comes From the Heart- Does the New Covenant Abolish the Commandments?[View or download other free booklets at www.ucg.org]

all ten commandments: Ten Commandments John C. Williams, 2012-11 God has given us ten simple rules to follow that we may have life and have it more abundantly. From the time He unveiled the Ten Commandments to the children of Israel at Mount Sinai until now, God's people have been identified by the fact that they follow His commandments. The Ten Commandments are the Christian's code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the Creator of the universe. Ten Commandments: The Christian Code of Conduct examines the commandments of God and how they apply to the Christian life. The book also addresses one of the most misunderstood commandments--the fourth commandment and the call to observe the biblical Sabbath. Many Christians differ on their interpretation of this commandment, but through a clear study of the Bible, this book points to the truth of the Sabbath and the importance for Christians to follow all ten commandments. As the end of the world draws near, those who will be ready for Christ's return are those who keep the commandments of God and the faith of Jesus (Rev. 14:12). May God's followers be found keeping all ten of His commandments!

all ten commandments: The Ten Commandments and Human Rights Walter J. Harrelson, 1997 The Ten Commandments and Human Rights sets out to evaluate the importance of the Ten Commandments for the life of faith today. The general thesis is that the commandments are immensely important not only for Jews and Christians, but for all persons seeking to find or to reaffirm a moral foundation for their life and for the life of their children, their religious community, and their society. The fact that the commandments are put negatively is immensely important, for it means that the community that claims these commandments and builds on them has to work out for itself the positive import of not having other gods, not worshipping idols, not profaning the sabbath, not killing and stealing, and committing adultery. Put negatively, these commitments become the groundwork for a humanly free and responsible search for the will of God for individual, family, and corporate life today and in any day. It is true that the commandments originate in ancient Israel, are central to the faith of prophets, priests, and sages, and are claimed and made foundational by Jesus for the Christian community. But these commandments also share much with, for example, the Universal Declaration of Human Rights, which has been presented by the United Nations for adoption by all the nations of earth. The Ten Commandments and Human Rights seeks to show how to avoid moralistic use of the Ten Commandments in religious life today while still affirming that there are absolutely foundational prohibitions that can and must guide the moral life of all peoples. The Ten Commandments need very little revision in order to become such a foundation for a free and responsible life today.

all ten commandments: Contemplations on the Ten Commandments Vol. 2 H.H. Pope Shenouda III, 1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament, but were rather addressed to every generation, till heaven and earth pass away, one jot or one tittle will by no means pass from the law (Matt. 5:18). Through Christianity, the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament. So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation. How true then was the prophet David when he said, I have seen the consummation of all perfection, But Your commandment is exceedingly broad. (Ps. 119:96). This series of lectures were given in 1967 and have been published more than once. Pope Shenouda III

all ten commandments: Keeping the Ten Commandments J. I. Packer, 2008-01-07 They're often mistakenly considered God's rules-his outdated list of do's and don'ts that add up to a

guilt-ridden, legalistic way of life. But as beloved author and Bible scholar J. I. Packer probes the purpose and true meaning of the Ten Commandments, you'll discover that these precepts can aptly be called God's blueprint for the best life possible. They contain the wisdom and priorities everyone needs for relational, spiritual, and societal blessing-and it's all coming from a loving heavenly Father who wants the best for his children. Not only does Packer deliver these truths in brief, readable segments, but he includes discussion questions and ideas for further study at the end of each chapter. This book will challenge you to view the commandments with new eyes and help you to understand-perhaps for the first time-the health, hope, and heritage you're offered there.

all ten commandments: Fallen Angels A. Fix, 2013-11-11 Dutch Reformed pastor Balthasar Bekker (1634-1698) has long been recognized as a key figure in the end of the witchcraft persecutions in early modern Europe. With the publication of his monumental four-volume work *The World Bewitched* Bekker argued against the temporal activity of the devil and evil spirits as well as against the reality of witchcraft, sorcery, and spirit possession. Yet Bekker's ideas drew opposition from Dutch Reformed clergymen who charged that his use of Cartesian philosophy to reject the temporal activity of spirits threatened much of traditional religious faith. This book argues that it was Bekker's exegesis of biblical passages in which spirits and spirit activity were mentioned that was a far greater threat than his Cartesian metaphysics to the literal interpretation of the Bible which was the intellectual cornerstone of Dutch reformed confessionalism, dominant in the church since the Synod of Dordrecht (1618-1619). With an examination of the ideas of Bekker, his opponents and supporters, this book places the controversy around *The World Bewitched* within the context of the Cartesian debates of the seventeenth century and the growth of confessionalism within the Dutch Reformed church.

all ten commandments: Leviticus Cornelis Vonk, 2024-05-10 For many people, the third book of the Bible—Leviticus—is often the place where their yearly Bible reading plan gets interrupted as they look for more familiar material. What they need is a map, sufficiently scaled to offer an aerial overview of the book's topography, yet detailed enough to provide a path for walking through the book's terrain. This commentary puts such a map in your hands. It moves from general principles to specific requirements and guides the Bible reader through the details about Israel's priesthood and Israel as the people of Yahweh. But any serious Bible reader, who by definition reads the Bible with an appetite, will want to feed on Jesus Christ in Leviticus, and this volume will satisfy that need abundantly—all the sacrifices, all the protocols, all the sacred leaders point to Jesus Christ and reach their fulfillment in him. It's all about Jesus!

all ten commandments: Church-state Matters J. Brent Walker, 2008 This collection of essays, speeches, sermons, and congressional testimony provides a living history of the modern era the life of the Baptist Joint Committee, now in its eighth decade. It includes historical essays dealing with the role of the pulpit in the fight for American independence, the involvement of James Madison and Thomas Jefferson in fashioning the First Amendment, and the contribution of numerous Baptists like Roger Williams and John Clarke to our understanding of the proper relationship between church and state. It also addresses specific religious liberty issues such as school vouchers, charitable choice, the Ten Commandments, religion in the public schools, attempts to amend the Constitution, including testimony he has given before House and Senate committees on these and other issues. Both a lawyer and an ordained minister, Walker writes on church-state cases decided by the Supreme Court and about the justices themselves as well the theological underpinning of his passion for religious liberty. Sermons he has preached in Baptist pulpits across the land are also included. - Publisher.

all ten commandments: Through a Speculum That Shines Elliot R. Wolfson, 2020-06-30 A comprehensive treatment of visionary experience in some of the main texts of Jewish mysticism, this book reveals the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages. Using phenomenological and critical historical tools, Wolfson examines Jewish mystical texts from late antiquity, pre-kabbalistic sources from the tenth to the twelfth centuries, and twelfth- and thirteenth-century kabbalistic literature. His work demonstrates

that the sense of sight assumes an epistemic priority in these writings, reflecting and building upon those scriptural passages that affirm the visual nature of revelatory experience. Moreover, the author reveals an androcentric eroticism in the scopic mentality of Jewish mystics, which placed the externalized and representable form, the phallus, at the center of the visual encounter. In the visionary experience, as Wolfson describes it, imagination serves a primary function, transmuting sensory data and rational concepts into symbols of those things beyond sense and reason. In this view, the experience of a vision is inseparable from the process of interpretation. Fundamentally challenging the conventional distinction between experience and exegesis, revelation and interpretation, Wolfson argues that for the mystics themselves, the study of texts occasioned a visual experience of the divine located in the imagination of the mystical interpreter. Thus he shows how Jewish mystics preserved the invisible transcendence of God without doing away with the visual dimension of belief.

all ten commandments: The Image of God in This Generation Francis Vitalis Arthur, Jr, Francis Vitalis Arthur, 2009-07 For I am the LORD, I change not; therefore ye sons of Jacob are not consumed. Malachi 3:6 Jesus Christ the same yesterday, and to day, and forever. Hebrews 13:8 How fortunate we are to serve and worship an unchanging God. God does not change his love. He loves us with an everlasting love. Before we loved Him, He loved us, and sent his son to die for us. God does not change his mercy. His mercies are new every day and endures forever. For the LORD is good; his mercy is everlasting; and his truth endureth to all generations. Psalms 100:5 Jesus Christ is the same yesterday today and forever. In this generation, as in every generation, in order to worship the unchanging God, we must surrender everything to him. We must obey his every loving command. Our worship of God is not an individual right; it is not based on what we feel in our hearts. It is a privilege, which our generation, and every generation share with the holy angels. What a privilege it is to serve, and worship an unchanging God, in an ever-changing world. Francis V. Arthur is a dedicated Christian. His mission is to teach others about the unchanging God, His love, his mercy and his ways.

all ten commandments: Seven Thunders Part Two Ronald C Ware, 2007-06 In later life, Ronald Ware heard the voice of the Lord telling him to write a book about the seven thunders, the reply mentioned in the tenth chapter of the Book of Revelation. This book is the result of Ronald's obedience to the high calling and contains a message for the day and time in which we are now living. He does reveal why these things must take place in the near future. In addition, he attempts to show others God's one plan for a refuge as revealed in the scriptures. Ronald Ware, born 1938 in the Grays Harbor area of Washington and lost his father in an accident before his fifth birthday. His mother, with five children to care for and an eldest son serving in Europe, moved from that poverty stricken area to Everett and then to Bellingham Washington. Ronald was able to earn a little in the summertime in the fields of Whatcom County but eventually dropped out of school to seek full time employment. He came to be a fisherman spending much of his time on the water. When on shore, he was a regular customer of the taverns. Finally, he came to realize his life was traveling a dead end road. In remembrance of his religious upbringing, he began to seek answers to his problems and did find it. He repented of his former life of sin and became a new person in Christ Jesus.

all ten commandments: *The Missions of James, Peter, and Paul* Bruce D. Chilton, Craig A. Evans, 2005-01-01 *The Missions of James, Peter, and Paul* investigates the nature, diversity, and relationship of three early and important expressions of Judaic Christianity. It is the conviction of the contributors that the Judaic origins of the Christian movement have not been sufficiently understood in both ecclesiastical and academic circles. Comparison with contemporary Judaism is foundational and leads to the question that guides discussion: How did James relate to such prominent figures as Peter and Paul? Given James' own eminence, those relationships must have been hallmarks of his own stance and status, and they open the prospect that we might delineate James' theological perspective more precisely than otherwise possible by means of this contrast with Peter and Paul. That is the reason for the division of the present volume into two parts. *The Missions of James, Peter, and Paul* is presented in two parts: James and Peter, and James Paul. Several studies

investigate the literary and archaeological evidence that clarifies the world in which James, Peter, and Paul lived, while other studies probe exegetical and theological aspects of the discussion.

all ten commandments: The Credibility of Science and Religion Paul Weingartner, 2025-01-27 Weingartner compares criteria and basic assumptions for the credibility of scientific and religious belief systems. It is shown that mankind has access to basic knowledge about a higher spiritual power and knowledge by conscience about what is obligatory or forbidden. This is defended by further axiomatizations on basic terms as natural goods, natural and moral law, and conscience. Scientific and religious belief systems are then compared thoroughly and by logical deduction and verisimilitude. One main argument is that every kind of belief system has an upper and a lower bound of credibility, yet a degree of credibility that leads to the impossibility of rational justification for scientific belief systems must not be required from religious belief systems. Further topics are internal and external consistency, local refutation, mutual complementation between religion and theory of evolution as well as a comparison of the five world religions leading to general features of religion. It is shown that one main yet basic axiom of morality is the principle of charity. Finally, the book concludes with the credibility-requirements of science towards religion and those of religion towards science.

all ten commandments: Spirituality According to Paul Rodney Reeves, 2011-09-28 Rodney Reeves contrasts easy spiritualities of serenity and retreat with the apostle Paul's vision: a cross-shaped spirituality for fools making their way through life's trials. Responding to Paul's invitation follow me as I follow Christ, Reeves discovers an ancient spiritual path in the letters of Paul.

all ten commandments: Heaven-How Do I Get There? John Tyler, 2005-02-22

all ten commandments: The Zohar Daniel Chanan Matt, 2007 Sefer ha-Zohar (The Book of Radiance) has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century. Written in a unique, lyrical Aramaic, this masterpiece of Kabbalah exceeds the dimensions of a normal book; it is virtually a body of literature, comprising over twenty discrete sections. The bulk of the Zohar consists of a running commentary on the Torah, from Genesis through Deuteronomy. This fourth volume of The Zohar: Pritzker Edition covers the first half of Exodus. Here we find mystical explorations of Pharaoh's enslavement of the Israelites, the birth of Moses, the deliverance from Egypt, the crossing of the Red Sea, and the Revelation at Mount Sinai. Throughout, the Zohar probes the biblical text and seeks deeper meaning for example, the nature of evil and its relation to the divine realm, the romance of Moses and Shekhinah, and the inner meaning of the Ten Commandments. In the context of the miraculous splitting of the Red Sea, Rabbi Shim'on reveals the mysterious Name of 72, a complex divine name consisting of 216 letters (72 triads), formed out of three verses in Exodus 14. These mystical interpretations are interwoven with tales of the Companions rabbis wandering through the hills of Galilee, sharing their insights, coming upon wisdom in the most astonishing ways from a colorful cast of characters they meet on the road.

all ten commandments: New International Lesson Annual 2010-11 Jerome F. D. Creach, 2010-09 The standard resource for teachers of the Uniform Lesson Series. This resource provides 52 weekly step-by-step lesson plans for an entire year's worth of material. Includes: Lesson analysis Bible background, occasional quarterly maps or timelines, and index to background Scriptures Articles for teachers on spiritual formation Eight pages of Bible interpretation and step-by-step lesson plans Faith in Action section to suggest ways to put lesson concepts into action The only lesson commentary with popular and easy-to-understand New Revised Standard Version (NRSV) and New International Version (NIV)

all ten commandments: Glimpses of a Strange Land Cyril S. Rodd, 2001-08-02 In this challenging book Cyril Rodd questions many of the assumptions that lie behind recent studies of Old Testament ethics. He views the 'strangeness' of the biblical world and wonders whether there is an Old Testament ethics in the modern sense of the word - finding rather than the Old Testament writers did not regard many of today's ethical dilemmas as problems at all. Dr Rodd examines all the

Old Testament writings on five ethical issues: the poor, war, treatment of animals, ecology and the position of women. He considers their validity and relevance for today and discusses the extent to which they can be referred to for authority - or for inspiration and guidance..

all ten commandments: Teaching Haftarah Lainie Blum Cogan, Judy Weiss, 2002 A guidebook to help educators teach middle school or high school students in formal instructional courses and to teach all students about the prophets in an informal setting.
