all ten states: *Ten States, Five Dynasties, One Great Emperor* Hung Hing Ming, 2014-08-01
Drawn from Chinese classics of history, Hung Hing Ming's biographies introduce China's most emblematic historical figures and the cultural attributes fostered by China's ancient chronicles. This book is about one of the greatest emperors in Chinese history, Zhao Kuang Yin, founder of the Song Dynasty (960-1279). He is honored for having unified China in the extremely chaotic period of 'Five Dynasties and Ten States'. This enjoyable book introduces more of China's heroes and villains, highlighting a modest man yet a great emperor who brought peace and stability to the realm and saved the people from great suffering. Interwoven into the narrative of battles fought and alliances forged or flouted, we find examples of good leadership and bad, hot-headed fighters and disciplined warriors, and lessons on how to assess — and win — people's loyalty.
