basic theology charles ryrie online: *UNSPOKEN* Joseph Dele Tunji, 2022-05-04 Unspoken: Exposing the Silent yet Critical Persuasion of African Traditional Religion has an enormous unshakable influence on the African Christian churches, both in Africa and Diaspora. This book is a well-researched masterpiece on African traditional religion and Christianity. It exposes the problem of syncretism and paganism in religious practices--emphasizes Christianity as exclusively faith in Jesus Christ and the finished work on the cross. African traditional religion is an organized religion, indigenous in nature, and unique in structure. It combines African tradition and religion. Thus, it becomes difficult for Africans, not to demonstrate some traits of rooted African traditional religion in their practice of Christianity. This book also looked at the dilemma of linguistic study in the use of Western Christian terminologies for African traditional religion. Two important terminologies that frequently occur in the West are the separation of state and of church. If these terms are not redefined, they will make no sense to the African culture because African tribe territories are not the same as the Western states. African traditional religion was passed down collectively through oral tradition, and the tradition may not be overtly displayed but is always hidden within the individuals.

Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. basic theology charles ryrie online: *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity* Dr. Todd M. Fink, 2017-04-17 Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature! How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the

time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that! Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical, "how-to" help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a "how-to" book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

basic theology charles ryrie online: The Riches of His Glory Magnus Williams, 2014-11-04 The book's title is captivating; all will want to know his glory and the content of his riches. The book is written in five parts in a lucid and clear language. The content is well researched; all the information is Bible-based. Most impressive is part five: Christians should believe the report of the Lord embedded in the Bible His written word, as the author asserted. The author's style is also impressive as he brought his personal testimony right at the end, only to buttress his experience in participating in various modes of worship by the main denominations: Anglican, Methodist, Roman Catholic, and Charismatic. In a subtle way, he corrected critics who are biased or prejudiced about other modes of worship. To quote: All denominations in Christianity, worship God in a slightly different way but rather each does it in accordance with God's word. In no way can these denominations operate in the same order of worship because the Bible makes a clear distinction on the different methods of worship which I believe is the order of Heaven. He was able to bring out the diversified talents in which Christians made music a thing of joy in God's house each unique to its own task. The book is informative, inspirational and stimulating... But what does this look like today? And do churches of today—of any tradition or denomination—really worship in a way that's biblical? basic theology charles ryrie online: The Divine Chase Ben Bounds, 2017-12-08 God is passionately pursuing you. There is a notion in our world that we must find God, that it is on our shoulders to search for a hidden God. If God had not or does not reveal himself, we would not even know that there is a God. He is self-revealing and on a mission to provoke a response in us. He pursues us in three fundamental ways. First, the act of creation itself is an incredible act of pursuit by God. He is the Creator-Artist, with his masterpiece in mind, and we are part of the tapestry of creation. Second, the act of inspiring a book, the Bible, to codify his message demonstrates God as divine author pursuing us through his written Word. Finally, the act of the incarnation is the

crowning act of pursuit. Christ, the incarnate Son of God, is on a mission to rescue the love of his heart. It is the perfect fixing the broken, the highest becoming the lowest, the resurrected lifting the dying from the very grave. Gods pursuit of us takes place on his dance floor, his universe, his masterpiece. His pursuit unfolds throughout history on our battlefields, in our crucibles, and through our worst trials. He brings the scars of his cruciblethe crossinto our crucibles and rescues us. In responding to our pursuing God we find our greatest healing.

basic theology charles ryrie online: *When Godly People Do Ungodly Things* Beth Moore, 2002-04-01 It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

basic theology charles ryrie online: Why Do Bad Things Happen If God Is Good? Rhodes, Ron, 2004 When a cross-section of Americans was asked, If you could ask God one question and knew He would give you an answer, what would you ask? the top response was, Why is there so much pain and suffering in the world? Bible scholar, speaker, and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist. Debunking non-Christian responses to the problem of pain, Ron explores the unshakable biblical truths that provide a strong foundation in stormy times. Believers who need a tonic for their faith, caregivers who support people in pain, and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion.
