**aubree valentine husband:** *Come Back to Me* Aubree Valentine, 2017-10-31 For some, the Army is a means to an end. For Bryce Matheson, it quickly became his life. He had no time for relationships or the drama that came with them. Instead he played the field, often taking a different woman every night. Until Lacey. She was supposed to be another conquest, one night of unbridled passion. But she didn't fall for his charm, instead she challenged him. Never known to back down from a challenge, he accepted, thinking he would get her out of his system and move on. Lacey Holloway didn't have time for men. Especially men like Bryce, a man married to his job-who would inevitably disappear for months at a time leaving her waiting at home. She wasn't interested in that kind of life, but Bryce was charming. And hot. Checking off all the marks on her list with his tattoos and bad boy attitude. Except he wasn't a bad boy at all, outside of being a soldier. Agreeing to one date, and the promise of a night she'd never forget; she quickly learned her heart wasn't safe from

falling. When one night turns into something more and a war threatens to destroy the man she fell in love with, can Lacey handle the change? Can Bryce claw his way back from a near death experience and be the man he thinks Lacey's deserves? Or will he come back to her at all?

When his grandmother died, leaving him to handle her estate, Connor was forced back to his hometown, where his heart remained. Lauren Delaney-Forbes was doing just fine on her own. She had a little boy, whom she loved more than life itself, and spent her days at a job that she enjoyed. Her dreams of marriage and happily ever after dissolved when she found her ex-husband in bed with another woman. Convinced her heart couldn't handle another heartbreak, she focused on being a mom and giving Eliot her all. Until Connor showed up and flipped her world upside down. Could he convince her that their love deserved a second chance or would she take back her heart, leaving him in the past?
