bible study guides online: *Keep It Shut Bible Study Guide* Karen Ehman, 2015-01-06 What to say and how to say it. What not to say. When it's best to remain silent. What to do when you've said something you wish you could take back. . . In this study, you'll take a personal tour through the hows (and how-not-tos) of dealing with the tongue. The Bible has a lot to say about the tongue and what kind of power it has. James tells us that it can corrupt the whole body and that it can't be tamed. The book of Proverbs claims that death and life are in the power of the tongue. This 6-session video Bible study (DVD/streaming video sold separately) is designed to offer hope for all of us who struggle with the way we've used our words and practical wisdom for getting our tongues under control. Biblical, encouraging, and kind, New York Times bestselling author Karen Ehman will help you: Learn the essential practice of using our words (and our mannerisms!) more constructively. Understand what God has to say about our tongues by studying verses and figures from Scripture. Discern what far-reaching effects our speech has—whether it's in private, in public, online, or in prayer. Gain practical insights into breaking habits of gossip, flattery, verbal retaliation, and people-pleasing. Most of us have been affected by the heartache and injury that words can cause, not only in family relationships, but also in friendships, work, and church settings. This is your guidebook to fully realizing the power of the tongue and how to use your words in the service of truth and love. Sessions include: Sparks, Squabbles, Spats, and Such: Our Words Matter On Filling Gaps and Zipping Lips: Listen to Others, Talk to God Opinion-Slinging and Salty Speech: Assessing Our Digital Tongues Gossip, Flattery, and People-Pleasing: How to Speak the Truth in Love Pause Before You Pounce: On Cultivating Soft Speech As Sweet as Honey: Wonderful Ways to Use Your Words Designed for use with the Keep It Shut Video Study 9780310819417 (sold separately).

bible study guides online: *Listen, Love, Repeat Bible Study Guide* Karen Ehman, 2016-11-15 In this six-session video Bible study (DVD/digital video sold separately), Karen Ehman, New York Times bestselling author of *Keep it Shut*, helps you rediscover the life-changing joy that comes from putting others first. In a culture that tells us a me-first, you-second way of living is the key to happiness, Ehman explains that the key to moving forward in almost every facet of your life is to embrace backward living. Becoming a person who thinks about others first takes effort. It requires you to live alert. To be on the lookout in conversations for “heart drops”—hints of kindness you might grant to the person right in front of you, right where they are. But it is worth it. Listen, Love, Repeat gives you both the encouragement and practical, daily ways you can reach out to others with both planned and random acts of kindness. Topics include loving your family and friends, encouraging coworkers, reaching out to the lonely, blessing the “necessary people” who help you get life done every day but often go unnoticed, and many others who could use an act of thoughtfulness. An additional focus on modeling for your children a lifestyle that listens and loves is accompanied by doable ideas for you and for your family. The Listen, Love, Repeat Study Guide includes video notes, group discussion questions, individual activities, Scripture memory verses, and between-sessions personal studies. Sessions include: Finding Your Big Why? Let Love Complete the Circle When You Live a Life of Welcome How to Hug a Porcupine and Squeeze a Skunk Family Matters The Boomerang of Blessing Designed for use with Listen, Love, Repeat Video Study 9780310082668 (sold separately).

bible study guides online: Breakthrough Ken Braddy, 2022-08-16 A church without discipleship is just a gathering. It is an important distinction that many pastors and leaders have known for years. In leading their churches well, pastors have provided a trustworthy curriculum, enlisted gifted teachers, and have made sure to offer times for members to gather and fellowship with each other. However, amid all these gatherings, one question kept popping up among leaders, "How do we know if what we are doing is working?" Over the years, leaders have tried to answer this question with numbers. If people attended these groups and seemed to enjoy the material, then they must be finding success. Ken Braddy, the director of Sunday school for Lifeway Christian Resources, felt that there had to be a better way to measure what matters. In *Breakthrough*, Ken guides leaders to measure their groups by observing if they are discipling each other, if they are caring for others in and outside of their group, and if they are engaging in acts of service. *Breakthrough* offers a new scorecard for leaders to not only track the progress of their groups but measure their success.
