bible study topics for women: Devotions for the Modern Woman Marcia Conston, 2019-02-27 This book is written for every woman who is seeking God's will for her life. Whether you are twenty, forty, sixty, or eighty years old, it is neither too early nor too late to know your purpose in life and to walk the path God has called you to walk and to fulfill what he has called you to do. This is a devotion series, which focuses on six biblical women and how their life experiences can serve as powerful examples for us. The women are Sarah (Genesis); Hannah (I Samuel); Deborah (Judges); Esther (Esther); the woman with the issue of blood (Luke); and the Samaritan woman (John). Each devotion is preceded by a litany of promise as we seek divine examples for our lives. As women of God, we all have a sincere desire to follow his plan. The challenge comes in discerning the time and always trying to figure out exactly what we should be doing. It may be that as women, since we have so many demands on our time, it is hard to hit the "pause" button in our lives and listen to the small but powerful voice speaking within our souls. We reason that we cannot give up a good-paying job to go into the ministry. For most women, that may be true. We also reason that as stay-at-home mothers, we are constantly consumed throughout the day, and the work is never complete. No matter if we work inside or outside the home, there are many opportunities to serve the Lord. Maybe starting a Bible study on Saturday mornings to minister to neighborhood women is your call.

bible study topics for women: First Corinthians - Women's Bible Study Leader Guide Melissa Spoelstra, 2016-08-02 Relationships are messy. We're all different and imperfect, and we can struggle to get along--especially with those who disagree with us. Often we find ourselves

divided—even as Christians. How can we work out our differences and disagreements with humility and grace, always showing the love of Christ, while still remaining true to what we believe? The Apostle Paul wrote to the Christians living in Corinth about this very thing. The cultural backdrop of Corinth was even more overtly sinful than our culture today, yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ. In this six-week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions—whether in the workplace, neighborhood, school, home, social media community, or church. We'll discover that the answer is living and sharing the radical love of Jesus Christ, and we'll unpack what this means and how we can live it out day by day. The Leader Guide, to be used along with the study's workbook and DVD, contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 25-30 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components).
