bobby joe long interview: Serial Killers - Up Close and Very Personal Victoria Redstall, 2011-08-01 She is a glamorous model, actress, filmmaker and investigative journalist who has spent years visiting high-security prison, getting to know sadistic killers like Gary Ray Bowles and Keith Hunter Jespersen, 'The Happy Face Killer'. These hardened killers have opened up to her in a way that they would never do to psychiatrists, prosecutors and other authority figures... and have revealed terrifying chapters of their lives that might otherwise have stayed hidden forever. In this chilling book Victoria Redstall shares every detail and insight, bringing the reader up close and very personal with some of the most dangerous and disturbed serial killers that the world has ever seen. In a similar vein to bestseller Talking with Serial Killers this title will undoubtedly appeal to fans of true crime.

bobby joe long interview: The Voices of Serial Killers Christopher Berry-Dee, Victoria Redstall, 2011-09-06 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

bobby joe long interview: A Dramaturgical Approach to Understanding the Serial Homicides of Ted Bundy Bernard East, 2021-07-29 Ted Bundy withheld his darkest secrets from police, journalists, and psychologists. While on death row he shared these hidden insights with his closest friends in the Florida State Prison. Finally, a way to make sense of the mysteries regarding all of Bundy's perversions, his biggest influences, his secret dump sites, and what happened to his victims. Using Erving Goffman's concept of dramaturgy, this book is an insider's guide to the reality of what Bundy shared behind-the-scenes with fellow inmates and how he constructed a different identity backstage to what he revealed at the front stage. This work presents the uncensored, multi-layered, graphic details of this most notorious of murder careers, and in doing so provides readers with a comprehensive and authentic account of Ted Bundy.

bobby joe long interview: Through the Eyes of Serial Killers Nadia Fezzani, 2015-03-07 Journalist Nadia Fezzani spent years probing the minds of serial killers in search of answers to unsettling questions: What went on in their heads as they prepared for their next crime? What drove them to murder not once, but habitually? Were they born killers, or had they begun as normal individuals and been somehow transformed into predators? Fezzani conducted groundbreaking, uncensored interviews with multiple-murderers behind bars. The account she pieces together from interviews, psychological research, criminal profiling, and genetic studies, is as unsettling as it is undeniable. The scars of abuse, and cold-blooded logic all emerge as Fezzani dissects serial killers' personalities in a quest to understand those who have committed unthinkable crimes. Through the Eyes of Serial Killers explores the leading theories on the psychology of serial killing, victim selection, and telling signs of potentially dangerous mental disturbance. It is hoped that a clear-headed understanding of serial killings can unlock better strategies to prevent, or even predict this rarest and most evil of crimes.

bobby joe long interview: Serial Killers of the '80s Jane Fritsch, 2022-08-02 The 1980s were a time of notorious serial killers—Jeffrey Dahmer, Aileen Wuornos, Samuel Little—but also of advances in forensics that helped lead to their capture. The serial killer became part of our common cultural consciousness in the 1970s and, in the decade that followed, the FBI confronted even more incomprehensible crimes and their perpetrators. This engrossing collection of illustrated true-crime profiles details the unthinkable exploits of a rogue's gallery that includes—in addition to Jeffrey

Dahmer, Aileen Wuornos, and Gary Ridgway—Samuel Little and Joseph James DeAngelo, serial murderers whose criminal legacies are still making headlines today.

bobby joe long interview: *Understanding Sexual Serial Killing* Frederick Toates, Olga Coschug-Toates, 2022-06-02 This book provides an integrative and jargon-free understanding of the phenomenon of sexual serial killing to a wide readership.

bobby joe long interview: *The Psychology of Serial Killer Investigations* Robert D. Keppel, William J. Birnes, 2003-08-20 Publisher Description

bobby joe long interview: *Talking with Psychopaths and Savages: Letters from Serial Killers* Christopher Berry-Dee, 2023-05-25 This is Christopher back to his original and best - exploring the downright creepy correspondence with murderers, serial killers and psychopaths behind bars, with exclusive scans of letters and eerily-designed envelopes. A must-have for fans of the series.

bobby joe long interview: *Introduction to Law and Legal Systems* Grilliot, Harold J. Grilliot, 1991-11

bobby joe long interview: *Sexual Murder* Louis B. Schlesinger, 2021-03-22 Sexual Murder: Catathymic and Compulsive Homicides is the culmination of the author's 45 years of experience with, and studying, sexually motivated homicide. Sexual murders are generally of two types — catathymic and compulsive. Catathymic homicides are caused by a breakthrough of underlying sexual conflicts. They can be unplanned, explosive (acute) attacks or planned murders stemming from a chronic obsession with, or disturbed attachment to, the victim. In compulsive homicides, a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill — and the killing itself is sexually gratifying. These murders also may be planned or unplanned. In compulsive homicides that are unplanned, the urge breaks through and disrupts the offender's controls when a victim of opportunity crosses his path. The compulsive offender who plans his crimes often eludes law enforcement, and as a result he can have multiple (serial) victims over extended periods of time. Both forms of sexual murder — the catathymic and the compulsive — are presented in this volume from a clinical-descriptive perspective encompassing case studies with analysis. Recent advances in empirical research in sexual murder—including findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico—has published many important studies. These include such topics as necrophilia, foreign object insertions in sexual homicide, ritual and signature and temporal patterns in serial sexual homicide, mass murder, crime scene staging in homicide, and undoing (symbolic reversal) at homicide scenes. All such research will be included and incorporate into this fully updated Second Edition, including approximately fifty new clinical case studies.

bobby joe long interview: *Smoldering Embers* Joy Wellman, Lisa McVey, Susan Replogle, 1997 Three women, formerly strangers, born in three different decades with little in common are bonded together forever by their ongoing pursuit of punishment for one of America's most ruthless serial rapist/murderers. They vow to be the voices for those who cannot speak: more than two hundred women brutally attacked and ten savagely beaten, raped and murdered. *Smoldering Embers* is not only a bone-chilling thriller, but a shattering indictment of the American Criminal Justice System and its treatment of the very victims it has sworn to protect. Ultimately, though, it is also the inspiring story of the power that crime victims can wield if they work together in pursuit of justice.

bobby joe long interview: *Criminal* Tom Gash, 2016-05-05 The way we see and understand crime falls into two types of story that, in essence, have been told and retold many times throughout human history - in fiction, as in fact. Criminality is either a selfish choice, an aberration; or a forced choice, the product of social factors. These two stories continue to dominate both our views of and responses to crime. And, says Tom Gash, they are completely wrong. In seeking to dispel the myths that surround and inform our views of crime, *Criminal* argues that our obsession with 'big arguments' about crime's causes can lead us to mistake individual cases as proof of universal rules. How, he asks, can we suspend our knee-jerk reactions, and begin to understand crime for what it is: as a risk that can be managed and reduced.

bobby joe long interview: *Using Murder* Philip Jenkins, 2017-09-08 First published in 1994,

this book investigates the social construction of serial homicide and assesses the concern that popular fears and stereotypes have exaggerated: the actual scale of multiple homicide. Jenkins has produced an innovative synthesis of approaches to social problem construction that includes an historical and social-scientific estimate of the objective scale of serial murder; a rhetorical analysis of the construction of the phenomenon in public debate; a cultural studies-oriented analysis of the portrayal of serial murder in contemporary media. Chapters include: The Construction of Problems and Panic, which covers areas such as comprehending murder, dangerous outsiders, and the rhetoric of persecution; The Reality of Serial Murder, which discusses statistics, stereotype examination, and media patterns; Popular Culture: Images of the Serial Killer; The Racial Dimension: Serial Murder as Bias Crime; and Darker than We Imagine; Cults and Conspiracies.

bobby joe long interview: Criminal Evidence John C. Klotter, 1996

bobby joe long interview: *Investigating Sexual Assault Cases* Arthur S. Chancellor, 2021-12-26
Investigating Sexual Assault Cases, Second Edition serves as an essential textbook for courses in investigating rape and sexual assault. As with the first edition, this second edition includes the latest research and techniques in coverage of victimology, offender typology, investigative techniques, interviewing, and legal implications. This new, second edition includes chapters on child victims and molestation, sexual homicides as potentially staged events, grooming, interviewing techniques, and same-sex, elder, and special populations as victims of sexual assault. The book fills a current void in the body of literature on the topics of rape and sex crime investigation. Many previous writings, while informative, do not address all the investigative processes necessary for an investigation to be thorough and complete. By providing a fresh approach to the topic, the author aims to augment those writings and, ultimately, improving the reader's awareness by being much more attuned to the needs of—and taking investigative cues from—the victim. Key Features: Outlines the complete investigative process for sexual assault cases, from evidence collection and interviews to court and legal proceedings Addresses victims and victimology, offender typology, the importance of the investigative interviewing process, and working with attorneys Includes new chapters on grooming, sexual homicides, SAFE examinations, and child-specific interviewing techniques Added coverage looks at same-sex crimes, crimes against men, elder victims, and assault of vulnerable populations In addition to being used in coursework in Forensic Science and Criminal justice programs, Investigating Sexual Assault Cases, Second Edition will serve as an essential reference for police detectives, criminal and death investigators, legal professionals, sexual assault nurses, and those who provide health, and mental health, services to populations experiencing sexual assault.

bobby joe long interview: **Serial Killers - Philosophy for Everyone** S. Waller, 2011-01-13
Serial Killers - Philosophy for Everyone investigates our profound intrigue with mass-murderers. Exploring existential, ethical and political questions through an examination of real and fictional serial killers, philosophy comes alive via an exploration of grisly death. Presents new philosophical theories about serial killing, and relates new research in cognitive science to the minds of serial killers Includes a philosophical look at real serial killers such as Ian Brady, Ted Bundy, John Wayne Gacy, Jeffrey Dahmer and the Zodiac killer, as well as fictional serial killers such as Dexter and Hannibal Lecter Offers a new phenomenological examination of the writings of the Zodiac Killer Contains an account of the disappearance of one of Ted Bundy's victims submitted by the organization Families and Friends of Missing Persons and Violent Crime Victims Integrates the insights of philosophers, academics, crime writers and police officers

bobby joe long interview: Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade Jeff Shesol, 1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history.—Michiko Kakutani, New York Times Lyndon Johnson and Robert Kennedy loathed each other. Their antagonism, propelled by clashing personalities, contrasting views, and a deep, abiding animosity, would drive them to a bitterness so deep that even civil conversation was often impossible. Played out against the backdrop of the turbulent 1960s, theirs was a monumental political battle that would

shape federal policy, fracture the Democratic party, and have a lasting effect on the politics of our times. Drawing on previously unexamined recordings and documents, as well as memoirs, biographies, and scores of personal interviews, Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK's tumultuous relationship on politics, civil rights, the war on poverty, and the war in Vietnam. As Publishers Weekly noted, This is indispensable reading for both experts on the period and newcomers to the history of that decade. An exhaustive and fascinating history. . . . Shesol's grasp of the era's history is sure, his tale often entertaining, and his research awesome.—Russell Baker, New York Review of Books Thorough, provocative. . . . The story assumes the dimensions of a great drama played out on a stage too vast to comprehend.—Jonathan Yardley, Washington Post (1997 Critic's Choice) This is the most gripping political book of recent years.—Arthur Schlesinger, Jr. A New York Times Notable Book of the Year

bobby joe long interview: Serial Killers Joel Norris, 1989-07-01 Through extensive research and interviews with five notorious serial killers, author Joel Norris demonstrates that serial killers have specific biological and genetic makeups that can be identified as early as five years of age. A compelling read for both the curious layman and the concerned professional.

bobby joe long interview: Bobby and J. Edgar Revised Edition Burton Hersh, 2008-09-21 The history of one of the most admired (Bobby Kennedy) and one of the most reviled (J. Edgar Hoover) are entwined with that of Joseph Kennedy
