

blanket training potty

blanket training potty is an innovative and practical approach to potty training that combines comfort and convenience for young children. This method involves using specially designed training blankets paired with portable potty solutions to make the transition from diapers to using the toilet easier. The blanket training potty concept is gaining popularity among parents and caregivers due to its portability, ease of cleaning, and the ability to create a familiar environment for children during potty training. This article explores the benefits, features, and usage tips of blanket training potty products, offering detailed insights into how this method can simplify the potty training process. Additionally, it examines the best practices for selecting suitable blankets and potties, maintaining hygiene, and encouraging consistent potty habits. The following sections provide a comprehensive guide to understanding and utilizing blanket training potty solutions effectively.

- What Is a Blanket Training Potty?
- Benefits of Using a Blanket Training Potty
- Choosing the Right Blanket for Potty Training
- Types of Potty Options to Use with Training Blankets
- How to Use a Blanket Training Potty Effectively
- Maintaining Hygiene and Cleaning Tips

What Is a Blanket Training Potty?

A blanket training potty is a combination of a specially designed waterproof or absorbent blanket used alongside a portable potty or training seat. This setup allows toddlers to practice potty training comfortably, whether at home or on the go. The blanket acts as a protective layer that prevents messes on floors or furniture, making cleanup easier for parents and caregivers.

This concept provides a designated, clean area for children during potty training sessions, helping to build positive associations with using the potty. The blankets are usually made of materials such as waterproof polyester or laminated fabrics, ensuring durability and resistance to spills and accidents.

Benefits of Using a Blanket Training Potty

Utilizing a blanket training potty offers several advantages that can enhance the potty training experience for both children and adults.

Portability and Convenience

One of the primary benefits is the portability of the blanket and potty combination. Parents can easily carry the blanket and a small potty seat in a diaper bag, facilitating potty training outside the home, such as during travel or visits to public places.

Comfort and Familiarity

The blanket provides a soft, comfortable surface that children recognize as their special potty spot. This familiarity helps reduce anxiety and resistance often associated with potty training.

Ease of Cleaning

Waterproof or absorbent blankets reduce messes by containing accidents and can be quickly wiped clean or machine washed. This feature minimizes stress for caregivers and keeps the environment hygienic.

Encourages Consistent Training

Having a dedicated blanket training potty setup helps establish a routine, promoting consistent potty use and faster toilet training progress.

- Supports early independence
- Reduces accidents on carpets and floors
- Enhances child's confidence during training

Choosing the Right Blanket for Potty Training

Selecting an appropriate blanket is crucial for effective blanket training potty use. The right blanket should balance comfort, durability, and ease of maintenance.

Material Considerations

Look for blankets made from waterproof or water-resistant materials such as laminated polyester or nylon, which prevent liquids from soaking through. Some blankets feature an absorbent layer on top to quickly wick moisture away from the child's skin.

Size and Portability

The blanket should be large enough to comfortably accommodate a child sitting or standing but compact enough to fold and carry easily. Many blankets come with carrying cases or handles for enhanced portability.

Design and Safety Features

Non-slip backing is a helpful feature to prevent the blanket from sliding on smooth surfaces.

Additionally, opt for blankets free from harmful chemicals and dyes to ensure child safety.

Types of Potty Options to Use with Training Blankets

The blanket training potty approach can be paired with various potty devices tailored to the child's needs and training stage.

Portable Potty Chairs

Compact, lightweight potty chairs are easy to carry and provide a familiar seat for children. These chairs often have splash guards and removable bowls for simple cleaning.

Training Seats for Toilets

For children transitioning to using the household toilet, training seats that fit on regular toilets can be used alongside the blanket to catch any accidents and provide a comfortable seat.

Disposable Potty Pads

Some parents use disposable potty pads placed on the blanket for added hygiene during travel or outings. These pads absorb waste and can be discarded after use, simplifying cleanup.

- Portable potty chairs: best for home and travel
- Toilet training seats: ideal for bathroom use
- Disposable potty pads: convenient for outings

How to Use a Blanket Training Potty Effectively

Maximizing the benefits of a blanket training potty involves consistent practice and positive reinforcement strategies.

Establish a Routine

Set regular potty times, such as after meals or naps, to encourage the child to sit on the potty placed on the training blanket. Consistency helps build a habit.

Create a Positive Environment

Use praise and rewards to motivate the child when they successfully use the potty. The blanket can be presented as a “special spot” to make potty time enjoyable.

Monitor and Adjust

Observe the child's comfort and progress, adjusting the blanket size or potty type as needed. Ensure the blanket is always clean and accessible.

Maintaining Hygiene and Cleaning Tips

Proper cleaning and maintenance of the blanket training potty setup are essential for health and hygiene.

Cleaning the Blanket

Most training blankets are machine washable. Follow the manufacturer's instructions for washing and drying. For quick cleanups, wipe the surface with disinfectant wipes or mild soap and water.

Cleaning the Potty

Empty and rinse potty bowls after each use, using disinfectant cleaners to prevent odors and bacteria buildup. Portable potty chairs should be cleaned regularly and dried thoroughly.

Storage Practices

Store the blanket and potty in a clean, dry place. Keep the training set separate from toys and food items to avoid contamination.

- Machine wash blankets regularly
- Use disinfectants on potty components
- Dry items completely before storage
- Maintain a dedicated potty training area

Frequently Asked Questions

What is a blanket training potty?

A blanket training potty is a portable, often foldable potty designed for toddlers that can be placed on a blanket or soft surface, making potty training convenient during travel or outdoor activities.

How does a blanket training potty help with potty training?

A blanket training potty provides a familiar and comfortable potty option for toddlers, encouraging them to use it consistently even when away from home, which helps reinforce potty training habits.

Are blanket training potties easy to clean?

Yes, most blanket training potties are made from waterproof and easy-to-clean materials, allowing parents to quickly wipe them down or rinse them after use.

Can a blanket training potty be used outdoors?

Absolutely, blanket training potties are designed to be portable and are ideal for outdoor use, such as in parks or during camping, providing a hygienic potty solution for toddlers on the go.

What features should I look for in a blanket training potty?

Look for features such as portability, waterproof materials, ease of cleaning, a secure lid or cover, and a comfortable size suitable for your child.

Is the blanket training potty suitable for all toddlers?

Generally, blanket training potties are suitable for most toddlers who are beginning potty training, but it's important to choose one that fits your child's size and comfort level.

Where can I buy a blanket training potty?

Blanket training potties are available at baby supply stores, large retailers, and online marketplaces like Amazon, often with various styles and price ranges to choose from.

Additional Resources

1. Blanket Training Potty: A Gentle Approach to Toddler Independence

This book offers parents a compassionate and effective method for introducing potty training using blankets as a comforting tool. It provides step-by-step guidance on how to create a supportive environment that encourages toddlers to embrace independence. Practical tips and real-life examples make this approach accessible for families seeking stress-free potty training.

2. The Ultimate Guide to Blanket Training Potty Success

Designed for caregivers looking to master blanket training potty techniques, this comprehensive guide covers everything from preparation to troubleshooting common challenges. The author combines expert advice with easy-to-follow routines that promote consistency and confidence in young children. Parents will find helpful charts and motivational strategies to keep their toddlers engaged.

3. Potty Training with Blankets: Creating Comfort and Confidence

This book explores the psychological benefits of using blankets during potty training, emphasizing comfort and reassurance for children. It explains how familiar textures can reduce anxiety and build trust during the learning process. Readers will gain insights into customizing training approaches to suit individual child needs.

4. From Diapers to Blankets: A New Path to Potty Training

Focusing on the transition phase, this resource highlights how blankets can serve as a bridge between diapers and potty independence. It outlines methods to gradually shift routines while maintaining a sense of security for toddlers. The narrative includes success stories that illustrate the effectiveness of this innovative approach.

5. Blanket Potty Training Techniques for Busy Parents

Ideal for parents with limited time, this book presents streamlined blanket training potty methods that fit into hectic schedules. It emphasizes quick, practical steps and flexible routines that adapt to family life. Readers will appreciate tips on managing setbacks and celebrating small victories.

6. Encouraging Toddler Independence through Blanket Potty Training

This title focuses on fostering autonomy in young children by incorporating blankets into potty training rituals. It discusses developmental milestones and how to support toddlers' growing self-confidence. The book also covers how to respond to resistance and maintain patience throughout the process.

7. Blanket Training Potty: A Step-by-Step Workbook for Parents

Featuring interactive exercises and checklists, this workbook engages parents in tracking their child's progress with blanket-assisted potty training. It offers customizable plans and reflective prompts to

tailor the experience to each family's needs. The format encourages active participation and ongoing motivation.

8. *Soothing Transitions: Blanket Potty Training for Sensitive Toddlers*

This book addresses the unique challenges faced by toddlers who are sensitive or easily overwhelmed during potty training. It highlights how blankets can provide emotional security and ease transitions. Strategies for calming techniques and gentle encouragement are thoroughly discussed.

9. *Creative Blanket Potty Training: Fun Activities to Engage Your Toddler*

Combining creativity with practical training, this book presents playful activities involving blankets to make potty training enjoyable. It includes games, songs, and storytelling ideas that integrate blanket use to maintain interest and reduce stress. Parents will find inspiration to turn potty training into a positive adventure.

blanket training potty: Potty Train Your Child in Just One Day Teri Crane, 2006-06-06
Finally...a fun, easy-to-use guide to potty training any child in just ONE DAY Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to: • Look for the signs that your child is ready to be potty trained • Make the potty connection by using a potty-training doll • Create incentive through consistent positive reinforcement • Use charts, quizzes, and checklists to help with every step of potty training • Know when it's time to bring in a potty pinch hitter • Complete your potty training -- no more accidents Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

blanket training potty: Potty Training Alice Farrell, ARE YOU STRUGGLING TO POTTY TRAIN YOUR TODDLER AND DON'T WHERE TO TURN? Potty training a toddler is a difficult yet necessary task, that every parent has to do. However, potty training has to be done right as parents that yell or over discipline their child during this time run the risk of hurting them mentally and emotionally. Potty training is a big step in a toddler's mental development. Some children don't handle change well so the step from a diaper to the potty can be bigger than some parents first realize. No matter what challenge you are facing in getting your child ready to potty train this book has the answer. Written by an expert it helps you to understand everything you as a parent might and the mistakes to avoid along the way. Some things you will learn from this book: > What Elimination Communication is and why you need to be doing it; > How to use certain clothing to make it easier on your child; > How to discipline them without hurting their development; > What to do when you're feeling discouraged; > Signals for when your child needs to use the bathroom; > And so much more! This book will teach you everything that you need to know to potty train your child in three days and say goodbye to diapers forever. By making potty training a fun and enjoyable experience this book will help you get your toddler excited about the transition. And you too can be excited about all the money you'll save when you no longer have to purchase expensive diapers. Whether you're a stay at home parent or work full time, this book is full of tips and tricks that make potty training easy no matter what your situation is. If you are ready to potty train your toddler the right way then you need to get this book right now!

blanket training potty: A Love That Multiplies Michelle Duggar, Jim Bob Duggar, 2012-03-06 More from America's most popular mega-family and stars of TLC's 19 Kids and Counting as they share practical insights about the realities of parenting.

blanket training potty: The Complete Guide to Basset Hounds Cheryl Jerabek, 2020-10-27 Find out the answers to your most pressing questions about Basset Hounds, such as: Is a Basset Hound the right breed for my lifestyle? What should I expect from a Basset breeder or rescue group? How do I prepare my home for a curious, nose-driven pup? Which training methods are most effective for training Basset Hounds? The Basset Hound has an unmistakable profile. They have the long, square snout, muscular body, and loose skin of their Bloodhound ancestors, but with short legs and a long, sabre-shaped tail. The olfactory ability of this breed is second only to the Bloodhound itself, and they are unrelenting once they have caught a scent. Both the short legs and the long, upwardly curved tail—which is tipped in white—are designed to make these stout hounds easier for hunters to follow on foot. Although they are enthusiastic hunters in the field, they tend to be calmer and more relaxed at home, sometimes to the point of laziness. Bassets are particularly agreeable animals, both with people and with other dogs, and they make excellent family companions as well as exemplary hunting hounds. They are typically gentle with young children, have a very pleasant disposition, and are comfortable in the role of everyone's best friend and confidant. Basset Hounds aren't right for everyone, however, as they can be stubborn, tend to be highly skilled counter-surfers, and frequently howl when left alone for long periods. The Complete Guide to Basset Hounds is a treasure-trove of information about this distinctive breed of hound dog. Everything you need to help ensure that your friendly Basset Hound pup develops into a well-behaved, healthy, and confident canine companion can be found within these pages. From your first search for a breeder to your precious pooch's senior years, the indispensable knowledge compiled within will have you reaching for this extensive guidebook over and over again. This comprehensive book covers nearly every aspect of raising a Basset Hound, including: The history of the Basset Hound The challenges of living with a scenthound Where to find a good Basset Hound breeder or rescue Choosing the right Basset Hound for you Preparing your home for a new dog—inside and out What to expect the first few days home The importance of rules and boundaries in the Basset's life Best practices for grooming your Basset Hound Diet and nutrition for the Basset Hound Dealing with separation anxiety and other problem behaviors Exercising and training your stubborn Basset Hound Breed-specific health and wellness information for all stages How to resist the Basset Hound's legendary "sad eyes" Caring for the aging Basset Hound Basset Hounds are one of the most

amicable of dog breeds, but not always the most cooperative. They are both exceptional tracking dogs, steadfast in their ability to follow a trail, and excellent family companions, calm, affectionate, and not overly boisterous. They are stubborn, slobbery, and worth every second. This exhaustive manual will give you all the tools you need to ensure your Basset Hound's health and happiness, from their first day with you until their last. This comprehensive guidebook is a must-have addition for anyone considering bringing a Basset Hound into their lives.

blanket training potty: The Toddler Owner's Manual Brett R. Kuhn, Joe Borgenicht, 2014-07-15 At Last! A Beginner's Guide to Toddler Technology Just when you've mastered your infant's maintenance routine, he begins to malfunction, refusing fuel, crying inexplicably, and resisting your attempts to clothe him. Your infant has upgraded to a toddler! But how can you master your toddler's changing technology? Through step-by-step instructions and helpful schematic diagrams, The Toddler Owner's Manual explores hundreds of frequently asked questions: How should I react when my toddler throws a tantrum? How do I train my toddler for self-waste disposal? Whatever your concerns, you'll find the answers here—courtesy of pediatric psychologist Dr. Brett R. Kuhn and co-author Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of toddler care.

blanket training potty: The Love That Dog Training Program Larry Kay, Dawn Sylvia-Stasiewicz, 2013-07-10 Dawn Sylvia-Stasiewicz is a very special trainer. She knows dogs instinctively, and, drawing on lessons she learned from raising three children, she uses the power of positive reinforcement and bonding to train dogs to be joyful, obedient, and devoted members of a family. Dog lovers throughout the Washington, DC, area know her: She trained each of the late Senator Ted Kennedy's dogs, and when the Obama family were deciding on a puppy— and could have chosen any trainer in the world to work with—it was Ms Sylvia-Stasiewicz who trained Bo. In The Love That Dog Training Program, a lively, accessible, authoritative book, she shares her invaluable and proven program. Her method is based on positive reinforcement. She believes in trust and treats, not choke collars; in bonding, not squeezing or hitting. Her dogs are happy and self-confident, spirited yet very well-behaved. The basic program is five weeks, it takes only 15 or 20 minutes a day, and it works for both puppies and dogs, including retraining a dog with bad habits. Illustrated with step-by-step photographs, The Love That Dog Training Program covers hand-feeding. Crate training and potty training. Simple commands—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct common behavioral problems including jumping, barking, noise phobias, hiding, and more. Then: how to make your dog comfortable in the world—a dog that travels well, knows how to behave in a dog park or vet's office, is comfortable around strangers, and more. As the author points out, dog training never ends, it just gets easier—and even more rewarding.

blanket training potty: The Complete Idiot's Guide to Reading with Your Child Helen Coronato, 2007-08-07 Bring out the reader in every child. This one-of-a-kind guide helps parents raise their kids to be readers for life. Includes tips for moms and dads (even when English isn't their first language) along with the other adults in their lives, suggests great titles to be read aloud, apart, and together, from birth to high school, and much, much more. -The book's Great Titles to Share together lists are broken out by age in appropriate chapters and then gathered together in an appendix for easy cross-referencing

the trenches. All ranked, rated, and ready for you to use right now! Discover: how real moms cope with morning sickness, heartburn, and bed rest the one infant car seat no mom should be without the ten most important features to look for in a stroller why you don't have to buy a pricey high chair -- and what to get that's cheaper and better eight sure-fire strategies for getting baby to sleep through the night seven secrets for getting dad to help out more incredible tools for time-crunched moms ...and much, much more in this essential cheat sheet for the twenty-first century mom. From Kapolei, Hawaii, to Kent, England, the 200 moms -- including 30 doctor-moms -- who contributed to the book come from all over the world.

blanket training potty: Training the Best Dog Ever Larry Kay, Dawn Sylvia-Stasiewicz, 2012-09-25 Training the Best Dog Ever, originally published in hardcover as The Love That Dog Training Program, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. Training the Best Dog Ever relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

blanket training potty: Obedience Training For Your New Pet , Pet obedience refers to the ability of a domestic animal, such as a dog, cat, or even a bird, to respond to and follow commands given by its owner or handler. This training process involves teaching the pet basic commands like sit, stay, come, and heel, as well as more advanced behaviors. Successful obedience training results in a well-behaved pet that can coexist harmoniously with its human family and adapt to various environments and social situations. It also strengthens the bond between the pet and its owner, enhancing the overall relationship and ensuring both parties a happy and safe living environment.

blanket training potty: Voices from the Spectrum Cindy N. Ariel, Robert A. Naseef, 2006 This compelling collection of personal accounts, from people on the autism spectrum and those who care for them, presents insights into autism from many different perspectives. The contributors describe their experiences, including reactions to diagnosis and childhood memories.

blanket training potty: Essential Dog Parenting: A Complete Guide for First-Time Parents Karthik Suren, 2024-12-03 Essential Dog Parenting is a comprehensive guide designed for new dog parents looking to build a strong, positive bond with their furry family members. Covering everything from initial preparations and training tips to understanding dog behavior and health essentials, this book provides practical advice for a happy, healthy, and well-adjusted pet. Ideal for first-time dog parents, it's a roadmap to creating a safe and loving home.

blanket training potty: Textbook of Basic Nursing Caroline Bunker Rosdahl, Mary T. Kowalski, 2008 Now in its Ninth Edition, this comprehensive all-in-one textbook covers the basic LPN/LVN curriculum and all content areas of the NCLEX-PN®. Coverage includes anatomy and physiology, nursing process, growth and development, nursing skills, and pharmacology, as well as medical-surgical, maternal-neonatal, pediatric, and psychiatric-mental health nursing. The book is written in a student-friendly style and has an attractive full-color design, with numerous illustrations, tables, and boxes. Bound-in multimedia CD-ROMs include audio pronunciations, clinical simulations, videos, animations, and a simulated NCLEX-PN® exam. This edition's comprehensive ancillary package includes curriculum materials, PowerPoint slides, lesson plans, and a test generator of NCLEX-PN®-style questions.

blanket training potty: Katrina's Justice K.R. Fischer, 2019-07-29 The book is about a family that lives in a rural community in the Midwest that is learning to cope with the many issues of raising children in the twentieth century and after the terrible incident of September 11, 2001. what

it takes to have hope to achieve life along with dealing with nature's fury after Hurricane Katrina in 2005. The mother Katrina battles everyday life with raising three children in a rural community as her life unfolds with one of her children being diagnosed with AD, ADHD and anger psychosis at a young age. As the children grow up to be teenagers the family learns about the real judicial system first hand as the oldest is arrested and taken away from the family. Katrina learns to cope as a parent, mother and wife as the judicial system tears her apart on top of dealing with emotional and medical conditions on a daily basis. The family learns that justice is in the eyes of the holder and life needs to continue with the notion of hope is just at the end of every rainbow. The story continues as Katrina and Darrien try to mend their marriage and accept their fate as parents'. Katrina watches her family more on as the children reach their young adult ages, continues to go back to school and see why life itself is to be treasured. As she watches Hurricane Katrina destroy the gulf coast in 2005 and a great aunt and uncle loose all their early belongings. Katrina soon realizes that if people including herself have hope then things will get brighter at the end of that long tunnel.

blanket training potty: The Baby Gizmo Buying Guide Heather Maclean, 2008-02-12 Real moms reveal the secrets to successful baby gear shopping. You've waited your whole life to get your hands on that magic baby product scanning gun. And it's brilliant fun. For the first three hours. And then it gets downright overwhelming. You know you need a crib, but what about a bassinet, a cradle, or a play yard? The stroller you love comes with a carry-cot, but can you actually carry the baby in it? Will you be able to get the green beans out of the cracks in that adorable high chair? You're a smart chick?why is this so hard? It doesn't have to be! The Baby Gizmo Buying Guide is the most comprehensive guide to baby products on the planet. Heather Maclean and Hollie Schultz, the founders of BabyGizmo.com, a product-testing and research coalition of moms, pediatricians, and child development experts, walk you through not only standard purchases like car seats and high chairs, but also new generation choices like luxury stroller systems and designer diaper bags. Amidst Heather and Hollie's real-life mom stories and confessions (yes, they tasted the toys on their babies' activity centers), you'll discover: What you really need versus what's just nice to have Which products to include (and not include) on your baby registry The best time of the year to buy certain items Which products to store in the perfectly packed diaper bag How to avoid the bad baby product buying cycle Even which products can make you pretty The Baby Gizmo Buying Guide will help you select the right products for your unique needs and lifestyle, so you can bask in the bliss of a perfect purchase, stroll with confidence, and know your neighbors have diaper bag envy.

blanket training potty: The Ultimate Guide for Gay Dads Eric Rosswood, 2017-10-24 If You are Thinking of Becoming a Gay Dad, or if You are Already a Gay Dad – This Book is for You! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting. Having a kid is like coming out all over again, on a daily basis, especially if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples

for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert. Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms.

Exploring LGBTQ issues. Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including The Washington Post, Cosmopolitan, CBS News, The Huffington Post, Elite Daily, Yahoo! News, AOL News, NY Daily News, IB Times, and regional LGBTQ press.
