History and Evolution of Black British Actors

The history of black British actors is marked by gradual progress from limited representation to increasing visibility and acclaim. Early black performers in the United Kingdom often faced barriers that restricted their opportunities to stereotypical roles or minor parts. However, throughout the 20th century, the expansion of British theater and film began to open doors for more diverse casting and storytelling. The civil rights movements and immigration patterns also influenced cultural shifts that encouraged broader inclusion.

Early Pioneers

Some of the first black British actors broke into the industry during the mid-1900s, paving the way for future generations. These trailblazers encountered significant challenges but demonstrated resilience and talent that earned them respect and recognition. Their work laid the foundation for a growing acceptance of black actors in mainstream British productions.

Growth in the Late 20th Century

By the 1980s and 1990s, black British actors began to receive more prominent roles in television dramas, films, and stage productions. This period saw an increase in stories reflecting multicultural Britain, allowing black actors to portray more complex and diverse characters. The emergence of

black-led theater companies and film projects further propelled their visibility.

Prominent Black British Actors and Their Achievements

Several black British actors have achieved international acclaim, earning awards and critical praise for their performances. Their careers highlight the range and depth of talent within this community and underscore their influence on global entertainment.

Notable Actors

- **Chiwetel Ejiofor** – Renowned for his roles in films such as "12 Years a Slave," Ejiofor has received multiple award nominations and is celebrated for his powerful portrayals.
- **Naomie Harris** – Known for her work in the James Bond franchise and critically acclaimed dramas, Harris has become a prominent figure in British cinema.
- **John Boyega** – Rising to fame with the "Star Wars" sequel trilogy, Boyega has also been an outspoken advocate for diversity in the film industry.
- **Thandiwe Newton** – With an extensive career in both British and international productions, Newton is recognized for her versatility and depth.
- **Letitia Wright** – Gaining global attention through "Black Panther," Wright represents a new generation of black British actors achieving mainstream success.

Awards and Recognition

Black British actors have received numerous accolades, including BAFTAs, Olivier Awards, and international recognition such as Academy Award nominations. Their accomplishments underscore the growing appreciation for diverse talent within the industry.

Impact on Film, Television, and Theater

The contributions of black British actors have significantly shaped the narratives and diversity of British media. Their presence challenges traditional casting norms and enriches storytelling with varied perspectives.

Film Industry Influence

Black British actors have played pivotal roles in both British and international cinema, often bringing

attention to stories that address race, identity, and cultural heritage. Their participation in blockbuster films and independent projects alike has broadened audience exposure to diverse experiences.

Television and Streaming Platforms

Television has become a vital medium for black British actors, with many securing leading roles in popular series and dramas. Streaming platforms have further expanded opportunities, enabling more diverse casting and global reach for British talent.

Theater Contributions

Theater remains a foundational platform for black British actors, offering a space to explore complex characters and narratives. Numerous black-led theater companies have emerged, promoting works that celebrate black culture and history.

Challenges Faced by Black British Actors

Despite progress, black British actors continue to confront obstacles related to representation, typecasting, and access to opportunities. These challenges impact career development and visibility in the industry.

Representation and Stereotyping

Black actors often face stereotypical casting that limits the range of roles available. This can hinder their ability to showcase diverse talents and contribute to perpetuating narrow portrayals of black identities.

Access to Opportunities

Structural barriers within casting and production processes sometimes restrict black British actors from securing leading roles or participating in high-profile projects. Efforts to increase inclusivity are ongoing but require sustained commitment.

Industry Initiatives

Various organizations and advocacy groups work to address these challenges by promoting diversity, supporting emerging talent, and encouraging equitable hiring practices within the British entertainment sector.

Future Trends and Opportunities

The future for black British actors appears promising, with increasing awareness and demand for diverse storytelling. Industry shifts and cultural changes continue to open new avenues for talent.

Emerging Talent and New Voices

Upcoming black British actors are gaining recognition across media platforms, bringing fresh perspectives and innovative performances. Their emergence signals a more inclusive future for British entertainment.

Global Collaborations

International co-productions and collaborations offer black British actors expanded opportunities to work on diverse projects, elevating their profiles worldwide.

Technological Advances and Media Platforms

Digital streaming services and social media empower actors to reach wider audiences and engage with fans directly, facilitating career growth and creative expression.

Frequently Asked Questions

black british actors: *Female Stars of British Cinema* Melanie Williams, 2017-07-07 Although stardom and celebrity have sometimes been seen as antithetical to traditional British notions of restraint and modesty, female stars have nonetheless always been an important attraction for audiences of British cinema, offering specifically British takes on ideas of glamour, acting prowess and femininity. This book will explore in detail the history of British female stardom from the 1940's to the present day through an examination of careers and star personae, from Anna Neagle, who enjoyed record-breaking popularity in the immediate post-war years, to key contemporary figures such as Keira Knightley and Helen Mirren. This is a major new study of stardom in British cinema and the first to focus on female stars.

black british actors: *Actor Training in Anglophone Countries* Peter Zazzali, 2021-07-29 Actor Training in Anglophone Countries offers a firsthand account of the most significant acting programs in English-speaking countries throughout the world. The culmination of archival research and fieldwork spanning six years, it is the only work of its kind that studies the history of actor

training from an international perspective. It presents the current moment as crucial for student actors and those who teach them. As the profession continues to change, new and progressive approaches to training have become as urgent as they are necessary. Using drama schools and universities as its subjects of inquiry, this book investigates acting programs in the UK, Ireland, the US, Canada, Australia, and New Zealand. Among the case studies are the Royal Academy of Dramatic Art, National Theatre School of Canada, Western Australian Academy of Performing Arts, and Carnegie Mellon University. All recognized for their distinguished reputations by industry professionals and acting teachers alike, the book examines each program's pedagogical approach, administrative structure, funding apparatus, and alumni success. In doing so, it identifies the challenges facing acting schools today and offers a new direction for training in the twenty-first century. *Actor Training in Anglophone Countries* will be of interest to theatre and performance scholars, artists, students, and teachers.

black british actors: Twentieth-Century British Theatre Claire Cochrane, 2011-10-27 In this book, Claire Cochrane maps the experience of theatre across the British Isles during the twentieth century through the social and economic factors which shaped it. Three topographies for 1900, 1950 and 2000 survey the complex plurality of theatre within the nation-state which at the beginning of the century was at the hub of world-wide imperial interests and after one hundred years had seen unprecedented demographic, economic and industrial change. Cochrane analyses the dominance of London theatre, but redresses the balance in favour of the hitherto marginalised majority experience in the English regions and the other component nations of the British political construct. Developments arising from demographic change are outlined, especially those relating to the rapid expansion of migrant communities representing multiple ethnicities. Presenting fresh historiographic perspectives on twentieth-century British theatre, the book breaks down the traditionally accepted binary oppositions between different sectors, showing a broader spectrum of theatre practice.

black british actors: Mike Leigh Mike Leigh, 2000 Collected interviews with the British filmmaker of *High Hopes*, *Life Is Sweet*, and *Secrets and Lies*

black british actors: Race and Entertainment Thandi Lubimbi, 2024-10-17 As a screenwriter you always want to have characters with real depth and authenticity, but too often Black characters fall victim to superficial tropes and negative stereotyping. This book begins by asking the reader if they can write a Black character. It then asks the reader questions about their knowledge and understanding of race and racism. Exploring the popular representation of law and order, healthcare and celebrity in the entertainment industry and comparing this with the reality of these institutions throughout history and today, Lubimbi opens up the discussion and offers solutions to problems surrounding race, representation and stereotyping Part analysis and part workbook, *Race and Entertainment: Reflections on Racism in Film, TV and the Media* will help screenwriters and creative professionals to understand the social construct of racism and how it affects the Black experience, in order for them to be able to write an authentic Black character.

black british actors: Teaching Adaptations D. Cartmell, I. Whelehan, 2014-11-21 *Teaching Adaptations* addresses the challenges and appeal of teaching popular fiction and culture, video games and new media content, which serve to enrich the curriculum, as well as exploit the changing methods by which English students read and consume literary and screen texts.

black british actors: The Myth Awakens Ken Derry, John C. Lyden, 2018-09-13 The trailers for *Star Wars: The Force Awakens* made a strong impression on fans. Many were excited by what they saw as a return to the spirit of George Lucas's 1977 creation. Others--including several white supremacy groups--were upset and offended by key differences, most notably the shift away from a blond, blue-eyed, male protagonist. When the film was finally released, reactions similarly seemed to hinge on whether or not *The Force Awakens* renewed the mythic aspects of the original trilogy in ways that fans approved of. *The Myth Awakens* examines the religious implications of this phenomenon, considering the ways in which myth can function to reinforce traditional social and political values. In their analyses the authors of this book reflect on fan responses in relation to

various elements of (and changes to) the Star Wars canon--including toys, video games, and novels, as well as several of the films. They do so using a variety of critical tools, drawing from studies of gender, race, psychology, politics, authority, music, ritual, and memory.

black british actors: *Andrea Levy* Jeannette Baxter, David James, 2014-03-13 Andrea Levy has emerged as one of the most significant and popular voices in contemporary black British writing both in the UK and abroad. Drawing on a familial history of emigration, her critically-acclaimed novels - including the multiple award-winning *Small Island* - attempt to bring a variety of voices to the representation of black experience in post-war Britain. This book is the first of its kind to be devoted to Levy's work. Combining historical, theoretical and textual perspectives, the volume hosts a wide range of current critical approaches to Levy's fiction. With chapters written by leading established and emerging scholars, the book explores issues of literary form, diasporic literature and cultural value, the BBC TV adaptation of *Small Island*, while also shedding fresh light on Levy's critically neglected early works. The book also includes a new interview with Levy herself, a timeline of her life, chapter summaries, as well as guides to further reading and online resources, making this an essential companion to the writings of one of the most exciting voices in contemporary fiction.

black british actors: *Staging Beckett in Great Britain* David Tucker, Trish McTighe, 2016-06-30 Beckett's relationship with British theatre is complex and underexplored, yet his impact has been immense. Uniquely placing performance history at the centre of its analysis, this volume examines Samuel Beckett's drama as it has been staged in Great Britain, bringing to light a wide range of untold histories and in turn illuminating six decades of drama in Britain. Ranging from studies of the first English tour of *Waiting for Godot* in 1955 to Talawa's 2012 all-black co-production of the same play, *Staging Samuel Beckett in Great Britain* excavates a host of archival resources in order to historicize how Beckett's drama has interacted with specific theatres, directors and theatre cultures in the UK. It traces production histories of plays such as *Krapp's Last Tape*; presents Beckett's working relationships with the Royal Court, Riverside and West Yorkshire Playhouse, as well as with directors such as Peter Hall; looks at the history of Beckett's drama in Scotland and how the plays have been staged in London's West End. Production analyses are mapped onto political, economic and cultural contexts of Great Britain so that Beckett's drama resonates in new ways, through theatre practice, against the complex contexts of Great Britain's regions. With contributions from experts in the fields of both Beckett studies and UK drama, including S.E. Gontarski, David Pattie, Mark Taylor-Batty and Sos Eltis, the volume offers an exceptional and unique understanding of Beckett's reception on the UK stage and the impact of his drama within UK theatre practices. Together with its sister volume, *Staging Samuel Beckett in Ireland and Northern Ireland* it will prove a terrific resource for students, scholars and theatre practitioners.

black british actors: *Talawa Theatre Company* David Vivian Johnson, 2021-01-14 This book discusses the theatrical history of Talawa, the work of Dr Yvonne Brewster OBE, her contribution to the genre of contemporary black British theatre generally, and her founding and subsequent directing of Talawa from 1986 to 2001. The analysis details how Brewster's theatre helped forge a black British identity in Britain, both on and off the British stage, through its strategic presentation of black language and culture in performance. Following explanations of definitions and sociolinguistic methodology in Chapter One: *Voicing an Identity*, Talawa's theatrical roots are shown in Chapter Two: *Post Traumatic Slavery Disorder*, to have begun in Africa, developed in Jamaica and further progressed by British Caribbean post war artists in Britain. In Chapter Three: *A Stranger in Non-Paradise*, Brewster's early life, her significant contribution to contemporary black British theatre, her founding of Talawa and the company's three year residency in the West End are discussed. Talawa's work is then explored by genre as follows; Chapter Four: *The Island Plays* highlights Talawa's Caribbean productions. These are; *An Echo In The Bone*, *Maskerade*, *The Black Jacobins*, *The Dragon Can't Dance*, *The Lion and Beef No Chicken*. In Chapter Five: *The Black South*, Talawa's American productions; *The Love Space Demands*, *From The Mississippi Delta* and *Flyin'*

West point to the relevance of African American work to Talawa's audience. Chapter Six: Stay in Your Box illustrates Brewster's ground breaking work in the British classical genre. The productions discussed are; Anthony and Cleopatra, King Lear, Tis Pity She's a Whore, The Importance of Being Earnest and Othello. The book ends with Chapter Seven: Don't Tell Massa. Brewster and her work at Talawa are summed up, followed by an insight into her final attempt to secure a permanent home for black theatre in Britain.

black british actors: Idris Elba - So, Now What? The Biography Nadia Cohen, 2016-07-07 From starring as the ruthlessly ingenious drug lord 'Stringer' Bell in the iconic HBO series The Wire, to playing Madiba himself in the long-awaited biopic of Nelson Mandela, it has been some journey for Idris Elba. From humble beginnings, a second generation immigrant born in Hackney, London, Elba set up his own wedding DJ business at the age of 14 but, encouraged by his drama teacher to pursue his natural talent, won a place at the National Youth Music Theatre. Although possessed of a brooding screen presence which served him so well as DCI John Luther in the BBC's terrifying crime drama series Luther, 2016 will show a whole new side to Idris as he forays into the voice acting world as villainous tiger Shere Khan in The Jungle Book remake and even a role in Pixar centrepiece Finding Dory. He inhabits each role as if he were born to play it. But what of the man himself? In this, the only biography of the onscreen legend, Nadia Cohen reveals Elba's life behind the lens, exploring what makes him so ambitious, adaptable and endlessly watchable. His charisma has won him admirers on both sides of the Atlantic, and the role of Bond may yet beckon. So now what, Idris?

black british actors: Blackening Europe Heike Raphael-Hernandez, 2012-11-12 Traditional Scholars have often looked at African American studies through the lens of European theories, resulting in the secundarization of the African American presence in Europe and its contributions to European culture. Blackening Europe reverses this pattern by using African American culture as the starting point for a discussion of its influences over traditional European structures. Evidence of Europe's blackening abound, from French ministers of Hip-hop and British incarnations of Shaft to slavery memorial in the Netherlands and German youth sporting dreadlocks. Collecting essays by scholars from both sides of the Atlantic and fields as diverse as history, literature, politics, social studies, art, film and music, Blackening Europe explores the implications of these cultural hybrids and extends the growing dialogues about Europe's fascination with African America.

black british actors: Three or More Is a Riot Jelani Cobb, 2025-10-14 From one of the definitive journalists of this era -- acclaimed historian, Pulitzer finalist, staff writer at the New Yorker, and dean of Columbia Journalism School--comes a kaleidoscopic, real-time portrait of our last turbulent decade. What just happened? From the moment Trayvon Martin's senseless murder initiated the Black Lives Matter movement in 2014, America has been convulsed by the new social movements--around guns, gender violence, sexual harrassment, race, policing, and on and on--and an equally powerful backlash that abetted the rise of the MAGA movement. In this punchy, powerful collection of dispatches, mostly published in The New Yorker, Jelani Cobb tries to pull the signal from the noise of chaotic era. Cobb's work as a reporter takes readers to the frontlines of sometimes violent conflict and he uses his gifts as a critic and historian to crack open the meaning of it all. Through a stunning melange of narrative journalism, criticism, and penetrating profiles, Cobb captures the crises, characters, movements, and art of an era--and helps readers understand what might be coming next. Cobb has added new material to this collection--retrospective pieces that bring these stories up to date and tie them together, shaping these powerful short dispatches into a cohesive, epic narrative of one of the most consequential periods in recent American history.

black british actors: Essential Shakespeare Pamela Bickley, Jenny Stevens, 2025-09-18 Addressing the transition from pre-university to undergraduate Shakespeare studies, this introductory critical guide examines 16 key plays. Each chapter focuses on modern theoretical methods, close reading skills, early modern contexts, and productions from stage and screen spanning several decades. You will gain insights into each play, develop skills of analysis and be introduced to a diverse range of critical approaches that are central to the study of English today. Suggestions for further reading are included at the end of each chapter, together with examples of

Shakespearean adaptation across genres, media and time. New to the second edition: * A revised and expanded introduction * Two additional plays and further critical approaches are covered: As You Like It and Titus Andronicus * Revised chapters on Othello and Twelfth Night * Updates to each chapter with wider reading and extended Afterlives sections * New links between chapters to aid study * A preface to the revised edition * An appendix featuring recommended open access online resources * Glossary of critical terms used in this book

black british actors: The Routledge Handbook of Shakespeare and Global Appropriation Christy Desmet, Sujata Iyengar, Miriam Jacobson, 2019-08-28 The Routledge Handbook of Shakespeare and Global Appropriation brings together a variety of different voices to examine the ways that Shakespeare has been adapted and appropriated onto stage, screen, page, and a variety of digital formats. The thirty-nine chapters address topics such as trans- and intermedia performances; Shakespearean utopias and dystopias; the ethics of appropriation; and Shakespeare and global justice as guidance on how to approach the teaching of these topics. This collection brings into dialogue three very contemporary and relevant areas: the work of women and minority scholars; scholarship from developing countries; and innovative media renderings of Shakespeare. Each essay is clearly and accessibly written, but also draws on cutting edge research and theory. It includes two alternative table of contents, offering different pathways through the book - one regional, the other by medium - which open the book up to both teaching and research. Offering an overview and history of Shakespearean appropriations, as well as discussing contemporary issues and debates in the field, this book is the ultimate guide to this vibrant topic. It will be of use to anyone researching or studying Shakespeare, adaptation, and global appropriation.

black british actors: The Palgrave Handbook of Theatre and Race Tiziana Morosetti, Osita Okagbue, 2021-04-20 The first comprehensive publication on the subject, this book investigates interactions between racial thinking and the stage in the modern and contemporary world, with 25 essays on case studies that will shed light on areas previously neglected by criticism while providing fresh perspectives on already-investigated contexts. Examining performances from Europe, the Americas, the Middle East, Africa, China, Australia, New Zealand, and the South Pacific islands, this collection ultimately frames the history of racial narratives on stage in a global context, resetting understandings of race in public discourse.

black british actors: The Oxford Companion to Shakespeare Michael Dobson, Stanley Wells, Will Sharpe, Erin Sullivan, 2015-10-15 The Oxford Companion to Shakespeare is the most comprehensive reference work available on Shakespeare's life, times, works, and his 400-year global legacy. In addition to the authoritative A-Z entries, it includes nearly 100 illustrations, a chronology, a guide to further reading, a thematic contents list, and special feature entries on each of Shakespeare's works. Tying in with the 400th anniversary of Shakespeare's death, this much-loved Companion has been revised and updated, reflecting developments and discoveries made in recent years and to cover the performance, interpretation, and the influence of Shakespeare's works up to the present day. First published in 2001, the online edition was revised in 2011, with updates to over 200 entries plus 16 new entries. These online updates appear in print for the first time in this second edition, along with a further 35,000 new and revised words. These include more than 80 new entries, ranging from important performers, directors, and scholars (such as Lucy Bailey, Samuel West, and Alfredo Michel Modenessi), to topics as diverse as Shakespeare in the digital age and the ubiquity of plants in Shakespeare's works, to the interpretation of Shakespeare globally, from Finland to Iraq. To make information on Shakespeare's major works easier to find, the feature entries have been grouped and placed in a centre section (fully cross-referenced from the A-Z). The thematic listing of entries - described in the press as 'an invaluable panorama of the contents' - has been updated to include all of the new entries. This edition contains a preface written by much-lauded Shakespearian actor Simon Russell Beale. Full of both entertaining trivia and scholarly detail, this authoritative Companion will delight the browser and reward students, academics, as well as anyone wanting to know more about Shakespeare.

black british actors: African Film Studies Boukary Sawadogo, 2022-12-15 African Film

Studies is an accessible and engaging introduction to African cinemas, showcasing the diverse cinematic expressions across the continent. Bringing African cinemas out of the margins and into mainstream film studies, the book provides a succinct overview of the history, aesthetics, and theory of sub-Saharan African cinematic productions. Updated throughout, this new edition includes new chapters on Nollywood, Ethiopian cinema, Streaming, and the rise of televisual series, which serve to complement the book's main themes: Overview of African cinema(s): Questions assumptions and defines the characteristics of African cinemas across linguistic, geographic, and filmic divides History of African cinemas: Spans the history of film in Africa from colonial import and 'appropriation of the gaze', the rise of Nollywood and local TV series to streaming, as well as building connections with the development of African American cinema Aesthetics: Introduces new research on previously under-explored aesthetic dimensions such as cinematography, animation, and film music Theoretical Approaches: Addresses a number of theoretical approaches and critical frameworks developed by scholars in the study of African cinemas Traditions and practices in African screen media: Features Ethiopian cinema, Nollywood, Local Televisual Series in Burkina Faso and South Africa, and the Streaming rush for Africa All chapters include case studies, suggestions for further reading, and screening lists to deepen the reader's knowledge, with no prior knowledge of African cinemas required. Students, teachers, and general film enthusiasts would all benefit from this accessible and engaging book.

black british actors: The Palgrave Handbook of Theatre Censorship Anne Etienne, Graham Saunders, 2024-11-29 This book incorporates a wide theoretical, cultural, literary and historical engagement in exploring the tension between dramatic productions and the forms of censorship they encounter from creation to reception. The Palgrave Handbook of Theatre Censorship offers global new insights into censorship practices, examining attempts at repression motivated either by fears that audiences gathering together to watch live dramatic events will lead to sedition and mass uprisings, or by moral or religious squeamishness requiring the establishment of institutional systems of censorship to curb or suppress the stage. As such, the Handbook aims to initiate redefinitions of what we understand or experience as censorship. Who knew theatre could (still) carry so many threats, or be so widely provocative and dangerous? This is an extraordinary and often eye-opening set of thirty-six individually insightful, wide-ranging and oftentimes disturbing essays, each of which offers unique insights into theatre censorship practices and their impact within a specific political and moral culture. There is a particular emphasis on the recent and current, and the authors speak with first-hand knowledge and from direct experience not only about the restrictions but also how artists sometimes negotiate and evade these. What makes the book so especially fascinating and illuminating is seeing so many examples juxtaposed together. This enables the reader to hear the essays and the cultures talking to and alongside each other. The collection repeatedly breaks fresh ground, and the editors deserve enormous credit for gathering and effectively curating so many reports from the front-line. Steve Nicholson, Emeritus Professor, University of Sheffield, UK Anne Etienne and Graham Saunders's book is a wide-ranging, incisive and compelling collection of reflections and case studies on the theatre industry's relationship to censorship and self-censorship from a historical and contemporaneous perspective. An impressive array of authors have been assembled for this volume representing, among them, views on the subject from Spain, Denmark, Norway, Zimbabwe, South Africa, Germany, Italy, Indonesia, Iran, Portugal, Turkey, Brazil, Japan, Ireland, Australia, Russia, England and more. The book is by turns surprising in its curatorial and narrative design and wonderfully effective at delineating the complex and thorny paths that create socio-political cultures where the censorship and self-censorship of theatre artists thrives and/or is efficaciously contested and rebelled against. Of note is a through line of argument in the book around less overt modes of surveillance that police artists' imaginations and thereby the work they create and produce. At a time in the world where many governments are increasingly seeking to limit artistic expression, this book is a necessary reminder of the many freedoms that have been fought for in theatres around the globe, and how the power of being unsilenced must never be taken for granted. - Caridad Svich. Playwright & Translator This is a truly

excellent collection of incisive studies. It is wide-ranging, impressively global in scope, with an illuminating balance of the historical and the contemporary. In its impressive and well-realised ambition, demonstrated by the well-focused intelligence and academic flair of its many contributors, this collection is both magisterial and vital. It is an essential contribution to censorship studies, fascinating and inspiring, a must-read for anyone interested in the subject. – Aleks Sierz. Theatre critic and author of *Rewriting the Nation: British Theatre Today* (2011) & *Good Nights Out: A History of British Theatre Since the Second World War* (2021)

black british actors: Late Imperial Culture E. Ann Kaplan, Michael Sprinker, Román de la Campa, 2020-05-05 Spanning time and space from late Victorian Britain and Ireland to postwar America and Latin America, *Late Imperial Culture* maps crucial regions in the terrain of imperial cultural practices including theater, film, photography, fiction, autobiography, and body art. The forms reviewed in this lively collection range from those which accept and reproduce empire's dominant self-images to scathing critiques of the oppressions that colonialism has visited upon its subjects and the price it continues to exact from them. A diverse range of theoretically sophisticated and historically informed contributors take as given two fundamental facts about the culture of imperialism: firstly, that it has a long and complex history which, in the present epoch, merits its being designated late; and, secondly, that its impact on the contemporary world is far from exhausted. Together they highlight the contradictions in the serried cultural practices of imperialism in its different historical periods. Contributors: Aijaz Ahmad, Steven Cagan, Romn de la Campa, David Glover, May Joseph, Caren Kaplan, Rob Nixon, Ella Shohat, Robert Stam, and Marianna Torgovnick.
