Understanding Bonhoeffer's Concept of Discipleship

Bonhoeffer's cost of discipleship is fundamentally about the radical nature of following Christ. He distinguishes between "cheap grace," which is grace without the cross, and "costly grace," which calls for repentance and obedience. Discipleship, in Bonhoeffer's view, demands a complete surrender to Christ, involving personal sacrifice and a willingness to suffer for one's faith. This concept challenges superficial Christianity and calls believers to authentic commitment that transforms their lives and actions.

Cheap Grace versus Costly Grace

Bonhoeffer defines cheap grace as grace offered without requiring repentance, without the need for discipleship or the cross. It is grace received as a matter of course, leading to complacency. In contrast, costly grace is the gospel that calls a believer to follow Jesus wholeheartedly, embracing the demands and potential suffering that come with true discipleship.

The Call to Obedience

Central to the cost of discipleship is the call to obedience. For Bonhoeffer, it is not enough to acknowledge Jesus as Savior; one must obey His teachings and example. Discipleship involves active participation in the life of Christ, which includes humility, service, and often, sacrifice.

The Historical Context of Bonhoeffer's Writings

Bonhoeffer wrote "The Cost of Discipleship" during a turbulent period in German history marked by the rise of Nazism and World War II. His theological insights were deeply influenced by the political realities of his time, including the persecution of the church and the moral challenges posed by the Nazi regime. This context shaped his emphasis on costly grace and the necessity of standing firm in faith, even at great personal risk.

The Rise of Nazism and the Church

During the 1930s, the German church faced intense pressure to conform to Nazi ideology. Bonhoeffer was a vocal critic of the regime, advocating for Christian resistance and ethical accountability. His writings reflect the urgency of living out discipleship in a hostile environment.

Bonhoeffer's Role in the Confessing Church

Bonhoeffer was a leading figure in the Confessing Church, which opposed the Nazi-influenced German Christian movement. His commitment to discipleship included active resistance, which ultimately led to his imprisonment and execution. His personal sacrifice embodies the cost of discipleship he articulated.

Key Themes in The Cost of Discipleship

The Cost of Discipleship is rich with themes that address the nature and demands of following Christ. These themes are critical to understanding Bonhoeffer's message and its application for believers.

Discipleship as Following Christ

Discipleship means literally following Christ's path, imitating His life and teachings. It involves a daily decision to live in accordance with the gospel, prioritizing Christ above all else.

Suffering and Sacrifice

Bonhoeffer highlights that true discipleship often entails suffering. Following Christ may lead to persecution, social rejection, or even death. This suffering is not purposeless but participates in the suffering of Christ Himself.

Community and Church

Discipleship is not an isolated endeavor but takes place within the context of the Christian community. Bonhoeffer stresses the importance of the church as a community of disciples who support and hold each other accountable.

Faith and Works

Bonhoeffer emphasizes the inseparability of faith and obedience. Genuine faith naturally produces works that reflect Christ's teachings, rejecting any notion of salvation by faith alone without transformation.

Theological Implications of Bonhoeffer's Teachings

Bonhoeffer's cost of discipleship carries significant theological weight, challenging prevailing notions of grace, salvation, and Christian ethics.

Redefining Grace

Bonhoeffer's distinction between cheap and costly grace redefines grace as not merely God's unmerited favor but as a call to radical obedience. This redefinition affects how Christians understand salvation and sanctification.

Christology and Discipleship

The cost of discipleship is deeply Christological. It centers on the person and work of Jesus Christ, who calls believers to participation in His suffering and obedience. This shapes Christian identity and mission.

Ethics and Moral Responsibility

Bonhoeffer's theology insists that discipleship entails ethical responsibility. Christians are called to act justly, resist evil, and bear witness through their lives, reflecting the character of Christ.

Contemporary Relevance of Bonhoeffer's Cost of Discipleship

The cost of discipleship remains highly relevant for modern Christians facing various cultural and moral challenges. Bonhoeffer's call to costly grace challenges believers to reconsider the depth of their commitment.

Discipleship in a Secular Society

In increasingly secular contexts, Bonhoeffer's emphasis on costly discipleship challenges Christians to resist cultural conformity and live countercultural lives grounded in faith and obedience.

Persecution and Faithfulness

For Christians in regions experiencing persecution, Bonhoeffer's teachings offer encouragement and a theological framework for understanding suffering as part of faithful discipleship.

Social Justice and Christian Witness

Bonhoeffer's emphasis on ethical responsibility inspires contemporary movements that link faith with social justice, advocating for the oppressed and marginalized as part of Christian discipleship.

Practical Applications of Bonhoeffer's Doctrine

Bonhoeffer's cost of discipleship offers practical guidance for living out faith in everyday life, emphasizing intentional choices and community engagement.

Commitment to Obedience

Believers are called to examine their lives for areas where obedience to Christ is lacking, prioritizing spiritual disciplines and moral integrity.

Engagement with the Church Community

Active participation in the church is essential for mutual support in the journey of costly discipleship, fostering accountability and encouragement.

Living Out Sacrifice and Service

Discipleship involves acts of service, generosity, and sometimes personal sacrifice, reflecting Christ's love and humility.

List of Practical Steps for Costly Discipleship

- Regular self-examination and repentance
- Commitment to daily prayer and Scripture reading

- Active participation in church and fellowship
- Willingness to face social or personal challenges for faith
- Engagement in acts of justice and mercy

Critiques and Challenges to Bonhoeffer's Perspective

While widely influential, Bonhoeffer's cost of discipleship has faced critiques and raised questions within theological circles.

Perceived Rigidity

Some critics argue that Bonhoeffer's emphasis on costly grace can appear overly demanding and legalistic, potentially discouraging believers struggling with imperfections.

Contextual Limitations

Bonhoeffer's context of extreme political oppression shaped his theology, which may not always translate directly to more comfortable or pluralistic societies.

Balancing Grace and Obedience

Debates continue about how to balance God's grace with the call to obedience without slipping into works-based righteousness, a tension present in Bonhoeffer's writings.

In this remarkable work, 20th-century Christian theologian Dietrich Bonhoeffer asserts that "When Christ calls a man, he bids him come and die". Drawing from the Sermon on the Mount, Bonhoeffer offers a critical examination of the distinction between cheap grace and costly grace. He describes cheap grace as self-bestowed, characterized by the preaching of forgiveness without repentance, baptism without church discipline, and communion without confession. According to Bonhoeffer, cheap grace is grace without discipleship. Conversely, he defines costly grace as the gift that must be earnestly sought, symbolized by the door at which one must knock. It is costly because it demands a person's life, yet it is grace because it is given by God and provides a path to true life. *The Cost of Discipleship* was first published in 1936. Sample Book Insights: #1 Cheap grace is the deadly enemy of our Church. It is the principle of grace as a doctrine, a principle, and a system. It means forgiveness of sins proclaimed as a general truth, and the love of God taught as the Christian conception of God. #2 Cheap grace is the justification of sin without the justification of the repentant sinner. It is the preaching of forgiveness without requiring repentance, baptism without church discipline, Communion without confession, and absolution without personal confession. #3 Costly grace is the Incarnation of God. It is costly because it calls us to follow Jesus Christ, and it is grace because it calls us to follow Jesus Christ. It is costly because it condemns sin, and grace because it justifies the sinner. #4 The Church of Rome was able to tolerate the monastic movement, and even use it to justify the secularization of its own life. Monasticism was thus a living protest against the Church's secularization, but the Church was able to limit the application of the commandments of Jesus to a restricted group of specialists.
