christian relationship questions: Challenging Christian Questions Angah Cedric, 2024-04-04 The word of God is God's infallible word, true and self-sufficient. However, the Christian community faces a lot of divisions and diverse interpretations on biblical interpretations, doctrines and matters of the faith. Sometimes people come up with doctrines from portions of Scripture and some identify portions of Scripture as controversial to others. However, Scripture cannot be sectioned or and Scripture is never divided. Scripture is self-complementary wherein every section mostly a portion of the entire truth which added together fits to give the ultimate harmonious message of scriptural revelation. Scripture is therefore not self-contradictory but self-complementary that is all Scriptures work together in giving the ultimate picture or message.

With this in mind, it's important to deeply study Scripture, starting with contextual implications to inter-scriptural connection in order to rightly divide the word of Truth as 2 Timothy 2:15 In this book, we will review some major challenging questions in the body of Christ with divided opinions, exploring different perspectives, doing an encompassing scriptural analysis and giving a conclusive Scripture focused perspective from these studies.
