Context and Overview of Luke 7

Luke 7 is a pivotal chapter in the Gospel of Luke, capturing several of Jesus' miraculous works and significant teachings. Coffman commentary luke 7 situates these events within the broader narrative of Jesus' Galilean ministry, emphasizing how these stories reveal His authority, compassion, and fulfillment of Messianic expectations. The chapter serves as a bridge between Jesus' earlier ministry and the growing opposition He faces from religious leaders. The various accounts contained in Luke 7 demonstrate Jesus' power over sickness and death, His ability to discern faith, and the contrasting reactions of different groups to His presence and message.

Historical and Cultural Background

Understanding the historical and cultural setting is crucial for interpreting Luke 7 accurately. Coffman notes that the Roman centurion, a Gentile,

represents the expanding reach of Jesus' mission beyond Jewish boundaries. Similarly, the town of Nain and the social customs surrounding death and mourning provide context for the miracle of raising the widow's son. These details underscore the inclusive nature of Jesus' ministry and His challenge to prevailing social norms.

Structure of the Chapter

The chapter is structured around a series of interconnected narratives and teachings:

- The centurion's servant healed by faith
- The raising of the widow's son
- John the Baptist's inquiry about Jesus' identity
- The forgiveness and praise of the sinful woman

Coffman highlights how these stories collectively reveal different dimensions of Jesus' character and mission.

The Healing of the Centurion's Servant

One of the most remarkable stories in Luke 7 is the healing of the centurion's servant. Coffman commentary Luke 7 emphasizes the centurion's faith and humility as central themes in this account. The centurion, a Roman officer, expresses great faith in Jesus' authority, believing that a mere word from Jesus is sufficient to heal his servant. This narrative illustrates the power of faith and the expanding scope of Jesus' ministry to Gentiles.

Faith and Authority

Coffman stresses that the centurion's recognition of Jesus' authority is a key lesson in this passage. Unlike many who require physical presence or signs, the centurion trusts Jesus' command from a distance. This exemplifies a mature and profound faith that Jesus praises.

Significance of the Miracle

The healing affirms Jesus' divine power over sickness and serves as a foreshadowing of the inclusion of Gentiles in God's kingdom. Coffman notes that this miracle challenges the prevailing Jewish exclusivism and highlights the universality of Jesus' message.

The Raising of the Widow's Son at Nain

Another significant miracle recorded in Luke 7 is Jesus raising the widow's only son from the dead. Coffman commentary Luke 7 draws attention to the compassion Jesus shows and the social implications of this act. Widows in ancient society were vulnerable, and the loss of an only son could mean destitution and despair.

Jesus' Compassion

Coffman highlights Jesus' deep compassion as He approaches the funeral procession. Unlike a detached miracle worker, Jesus actively engages with human suffering, showing empathy and power in equal measure.

Impact on the Crowd

The resurrection astonishes the witnesses, leading to widespread praise of God. This event serves as a powerful testimony to Jesus' identity as the Messiah and the one who conquers death, a central theme in Luke's Gospel.

John the Baptist's Inquiry and Jesus' Response

John the Baptist's question about whether Jesus is "the one who is to come" is a critical moment in Luke 7. Coffman commentary Luke 7 interprets this exchange as an important theological dialogue that clarifies Jesus' mission and messianic role.

John's Doubt and Expectation

Despite being a prophet, John expresses uncertainty, possibly due to the unexpected nature of Jesus' ministry. Coffman suggests this reveals the complexity of Messianic expectations in the first century.

Jesus' Answer

Jesus responds by citing His miracles and works—healing the sick, raising the dead, and preaching good news to the poor—as evidence of His fulfillment of Isaiah's prophecies. This response underscores the kingdom of God's arrival through tangible acts of mercy and power.

The Anointing by the Sinful Woman

One of the most memorable episodes in Luke 7 is the anointing of Jesus by a sinful woman. Coffman commentary luke 7 provides a detailed analysis of the cultural and spiritual significance of this event, highlighting themes of forgiveness, grace, and repentance.

The Woman's Act of Devotion

Coffman discusses how the woman's actions—washing Jesus' feet with her tears, wiping them with her hair, and anointing them with ointment—demonstrate profound repentance and love. Her behavior contrasts sharply with the judgmental attitude of Simon the Pharisee.

Jesus' Teaching on Forgiveness

Through a parable, Jesus teaches Simon about forgiveness and gratitude. Coffman notes that this lesson challenges social and religious prejudices, emphasizing that those forgiven much love much. This passage highlights the inclusive and redemptive nature of Jesus' ministry.

Theological Themes in Luke 7 According to Coffman

Coffman commentary luke 7 identifies several overarching theological themes that emerge from the chapter's narratives and teachings. These themes contribute to a deeper understanding of the Gospel message and Jesus' mission.

Faith and Authority

Faith in Jesus' authority is a recurring theme, exemplified by the centurion and the sinful woman. Coffman points out that genuine faith transcends social and ethnic boundaries, inviting all to receive Jesus' healing and forgiveness.

Compassion and Mercy

The chapter emphasizes Jesus' compassion for the marginalized and suffering, including widows, the sick, and sinners. Coffman highlights these acts of mercy as central to understanding Jesus' character and the nature of God's kingdom.

Messianic Fulfillment

Luke 7 portrays Jesus as the fulfillment of Old Testament prophecy, particularly through His miracles and His response to John the Baptist. Coffman underscores the importance of recognizing Jesus as the promised Messiah who inaugurates the kingdom of God.

Repentance and Forgiveness

The interaction with the sinful woman serves as a powerful example of repentance and the availability of forgiveness. Coffman notes that this theme challenges rigid religious legalism and invites a transformative relationship with God.

coffman commentary luke 7: Minor Prophets in a Major Key Chris Woodall, 2018-01-24 All Scripture is God-breathed, but not every portion of it is embraced by Christians with equal vigor. Tribal lists, specific sacrificial obligations, seemingly endless genealogical records, and apparently gratuitous acts of warfare are readily scanned over. But could the minor prophets be added to that list? Should they be? They certainly seem more difficult to locate for many of us than, say, the books of Moses or the Psalms. The writer is clear in his assessment from the start, positing that our relative ignorance of these twelve books, tucked away at the end of the Old Testament, impinges negatively on the Christian believer's walk. Covering a period of around four hundred years, each book is revealed through two contextual settings: the historical and that which was personal to the individual pensmith, before a brief overview reveals the main points of that author's writing. The bulk of each chapter is concerned with the Major Key of the title. Taking a verse or two from each of the minor prophets, Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two-and-a-half thousand years old. Chris Woodall is former Associate Professor of Dogmatics at North-West University, South Africa. This is his fourth book for Wipf and Stock. The first three, *Covenant: the Basis of God's Self-Disclosure* (2011), *Kingdom: the Expression of God's Rule* (2012), and *Atonement: God's Means of Effecting Man's Reconciliation* (2015) are also available from this publisher and other outlets.

coffman commentary luke 7: *Life in Christ* William Robert West, 2015-09-29 What do you believe about souls? There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans. By most a soul is believed to be something that is wholly apart from the person a soul is in; that a soul is something that is that is believed to be complete in its self without the person; it will live after the person it is in is dead; it is believed that a soul will exist forever without the person; it will never be dead; therefore, a soul cannot be resurrected from the dead. It is believed that a soul must live someplace forever, and it will live either in Heaven or Hell even if there is no resurrection. The doctrine of unconditional immortality of a deathless soul being in a person, and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death; if a soul had immortality it would already have life and could never not have life; all Christ could do is give it a reward or punish it.

coffman commentary luke 7: *Cover-Up* Lawrence Goudge, 2012-05-30 The Christian church hides a multitude of secrets; it is, after all, a mystery religion. For instance, what if Jesus did not start Christianity? What if Paul, who knew Jesus only through visions, created it? In *Cover-Up*, author and lay minister Lawrence Goudge disputes the Christian theology that has dominated the world for millennia. Goudge, who has spent more than twenty-four years researching the suppressed history of Jesus's Jewish followers, demonstrates how the church has corrupted Jesus's message. *Cover-Up* takes an innovative and investigative approach to Christianity, St. Paul's credibility, and ways in which theological truths have been concealed for two thousand years. Goudge's analysis debunks the myths and provides alternative theories. As hatred and heresy haunt Christianity's shadows, this study addresses the intolerant nature of the Christian church and sets out to right the wrongs by bringing the truth about the Nazarenes into the light of day. Goudge's message presents hope for a just world.

coffman commentary luke 7: *Just Follow Jesus* Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers – Peter and Andrew, James and John – and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, “Follow me.” Just as his call changed their lives, it can change your life, too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is.

Instead of seeking peace through compromise, the goal must be to discover the truth – Jesus Christ.

coffman commentary luke 7: Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2020-09-10 Volume One of this book will discuss about the true gospel of Jesus(as) which is about the imminent coming of the Son of Man and the establishment of the universal Kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the “Son of Man Prophecy” and the “Kingdom of God Prophecy” of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the Son of Man mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the Kingdom of God refers to Islam. Volume Two will discuss about the fulfillment of the 70 Weeks Prophecy of Prophet Daniel(as). That this prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth. Jesus(as) is expected to arrive in the 69th Week of the countdown, and Prophet Muhammad(saw) will arrive in the 70th Week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their respective messianic mission will be accomplished) is a miracle or sign from Allah swt (Qur’an 20:133) and a clear evidence (Qur’an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there are Jews who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.

coffman commentary luke 7: *Sermon on the Mount* Brad Price, 2019-11-20 The Sermon on the Mount helps show what it means to become a “new creature in Christ” (2 Cor. 5:17). A secular illustration for this new life, which is included in this book, is found in an African story entitled “The Dirty Basket.” According to this tale, a young man became a Christian but soon learned he was still subject to strong temptations. One day this recent convert went to his grandfather to discuss his many failings. The grandfather suggested his grandson take a basket to the river and get some drinking water. The grandson looked at the basket and said it was dirty. The holes in this basket would prevent him from bringing back much water. The grandfather insisted his relative do as he had asked. The young man made six attempts to bring back water in this filthy basket and each time he failed. After returning to his grandpa and complaining about the basket, the grandfather pointed out how clean the basket had become. Also, the reeds from which the basket was made had swelled from all the water. The Sermon on the Mount helps dirty and unholy people “keep putting water in the basket” to conform more and more to the image of Christ.
