This chapter situates Paul and his companions in the Roman province of Macedonia, marking a significant geographical and cultural expansion of the early Christian mission. The setting includes important cities such as Philippi, Thessalonica, and Berea, which become vital centers for the nascent church. Coffman highlights how the political and social environment of these cities influenced the reception of the gospel message. The commentary also notes the strategic importance of Roman roads and citizenship privileges that facilitated Paul's travel and ministry.

Historical Background of Macedonia

Coffman commentary acts 16 provides a thorough historical background on Macedonia, describing it as a Roman province with a diverse population including Greeks, Romans, and local tribes. Macedonia's economy, culture, and religious landscape are detailed to show the challenges and opportunities Paul faced. The commentary points out the significance of Philippi as a Roman colony with a strong military presence, which made it a unique context for evangelism and church planting.

Political and Social Factors

The political stability under Roman rule and the presence of Roman law had a profound effect on the missionary efforts described in Acts 16. Coffman explains how Roman citizenship, which Paul possessed, afforded certain legal protections and privileges that played a critical role in several episodes narrated in the chapter. Social factors, including local customs and religious beliefs, also shaped the interactions between Paul's party and the communities they encountered.

Paul's Missionary Journey in Acts 16

Coffman commentary acts 16 details the progression of Paul's second missionary journey as recorded in this chapter. After being directed by the Holy Spirit to enter Macedonia, Paul's movements reflect divine guidance and obedience. The journey includes significant stops that contribute to the establishment of the church in Europe. The commentary underscores the importance of the vision Paul received, which served as a decisive call to cross cultural and geographical barriers.

The Macedonian Call

The vision of a man from Macedonia pleading for help is a pivotal moment highlighted by Coffman. This supernatural encounter is explained as a divine invitation that marks the gospel's advance into Europe. The commentary discusses the implications of this call for the expansion of Christianity and the fulfillment of the Great Commission.

Companions and Their Roles

Coffman notes the involvement of key figures such as Silas, Timothy, and Luke, describing their contributions to the mission. The commentary elaborates on Timothy's circumcision as a strategic decision to facilitate ministry among Jewish communities. The dynamic teamwork and spiritual partnership among the missionaries are emphasized as essential factors in their success.

The Conversion of Lydia

The conversion of Lydia in Philippi is a landmark event in Acts 16, and Coffman commentary acts 16 offers a detailed analysis of this narrative. Lydia, a seller of purple cloth, is presented as the first European convert to Christianity. Her story is significant for understanding the social dimensions of early Christian conversion and the role of women in the church.

Lydia's Background and Significance

Lydia's occupation as a merchant dealing in luxury textiles indicates her social status and economic influence. The commentary also highlights her hospitality and support for Paul's mission, which set a precedent for Christian fellowship and ministry.

Spiritual Preparation and Conversion

The commentary emphasizes Lydia's openness to the gospel, noting that she was already a worshiper of God, which prepared her heart for the message of Christ. Coffman interprets this as evidence of God's preparatory work before conversion, illustrating the interplay between divine grace and human responsiveness.

The Philippian Jailer's Salvation

One of the dramatic episodes in Acts 16 is the conversion of the Philippian jailer following Paul and Silas's imprisonment. Coffman commentary acts 16 provides a comprehensive examination of this event, highlighting its theological and pastoral significance. The jailer's experience underscores themes of deliverance, faith, and the power of worship under persecution.

Imprisonment and Miraculous Deliverance

The circumstances leading to Paul and Silas's imprisonment are explored in detail, including the accusation and legal processes involved. Coffman discusses the miraculous earthquake that opened the prison doors and its symbolism in demonstrating God's intervention and protection. This event also serves as a catalyst for the jailer's conversion.

The Jailer's Confession and Baptism

The commentary focuses on the jailer's response, which includes repentance, confession of faith, and immediate baptism. Coffman explains the significance of baptism as a public declaration of faith and entrance into the Christian community. The jailer's transformation illustrates the gospel's power to change lives even in dire circumstances.

Key Theological Themes in Acts 16

These themes include divine guidance, the universality of the gospel, the role of faith amidst trials, and the establishment of the church as a spiritual community.

coffman commentary acts 16: First-Century Truth for a Twenty-First Century World

David Gibson, 2011-09-30 Can society function without a common standard of weights and measures, currency, and time-keeping? Is competition in athletics possible without rules? But what about religion? Is it left up to each person what to believe and practice, or is there a universal standard? There is. God sent Jesus, not only to die as our Savior, but also to reveal an authoritative message for our salvation. Jesus then transferred this message to the apostles. Guided by the Holy Spirit, they in turn preached this message, which is now preserved in the New Testament. This is our standard today.

coffman commentary acts 16: Offer of Paradise in Our Lifetime, The Kenneth Davis, 2018-10-31 Though it is God who prepares each of us for our entrance into eternity, Kenneth Davis, the author of *The Offer of Paradise in Our Lifetime*, is convicted that this is not a spectator sport, especially in these moments of history. This volume is a Bible and Spirit of Prophecy-based discourse on the role we have in hastening Christ's return and the end of this sin-tarnished planet. Found within these pages is a prayerful and systematic search into the question of what is keeping the Lord's finishing touches of salvation on hold. Many, even within the household of faith, find themselves troubled over the thought of hearing reports indicating that the end has come. While believing in the second coming, the sense of its imminence is frequently a source of hesitation. Could this have something to do with our uncertainty over whether we are ready or not? With that said, good news is coming. Readers will examine how the power of endurance and readiness, available to young and old, is enlarged by an understanding of God's plan of granting His saints today an indispensable role in the timing of the end. This role encompasses unity on simple but specific commitments of faith. Our reward will be the privilege of claiming the promise of His return within our lifetime as a reality, not speculative sensationalism. This privilege includes a precursor—cooperating with and being filled by the Holy Spirit to an unprecedented measure—that we may ultimately reflect the image of God and more effectively draw a countless multitude from every nation, kindred, and tribe into His fold.

coffman commentary acts 16: Commentary on the Book of Acts David Pratte, 2018-12 Bible

study notes and commentary on the New Testament Book of Acts. Emphasizes understanding the text with practical applications. Intended to be helpful to all Christians, including teachers and preachers, while avoiding an emphasis on technical issues. Written from the conservative viewpoint of faith in the Bible as the absolute, inerrant, verbally inspired word of God. Comments include discussion of these topics: * Examples of conversion * Establishment and history of the early church * Work of the Holy Spirit in spiritual gifts and miracles * Gospel evangelism and salvation of sinners * Testimony of the apostles as witnesses of the resurrection * Jesus' reign as King over His kingdom * Pattern of worship, work, and organization in Jesus' church

coffman commentary acts 16: Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2020-09-10

Volume One of this book will discuss about the true gospel of Jesus(as) which is about the imminent coming of the Son of Man and the establishment of the universal Kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the "Son of Man Prophecy" and the "Kingdom of God Prophecy" of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the Son of Man mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the Kingdom of God refers to Islam. Volume Two will discuss about the fulfillment of the 70 Weeks Prophecy of Prophet Daniel(as). That this prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth.

Jesus(as) is expected to arrive in the 69th Week of the countdown, and Prophet Muhammad(saw) will arrive in the 70th Week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their respective messianic mission will be accomplished) is a miracle or sign from Allah swt (Qur'an 20:133) and a clear evidence (Qur'an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there are Jews who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.

coffman commentary acts 16: *The Gospel According to the Trinity* Nicholas S. Perez, 2025-04-22 The gospel begins with God. God exists eternally as Father, Son, and Holy Spirit. How does what we believe about the Trinity impact the redemption of people before time began, in time, all the way to when time is no more? In *The Gospel According to Trinity*, Nicholas S. Perez takes readers from eternity to eternity, exploring the work of the triune God in redeeming people. While considering arguments from within his own ecclesiastical setting, the Stone-Campbell Movement, he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father, the Son, and the Holy Spirit. The result is a more consistent view of the gospel within a Trinitarian framework.

coffman commentary acts 16: *Minor Prophets in a Major Key* Chris Woodall, 2018-01-24 All Scripture is God-breathed, but not every portion of it is embraced by Christians with equal vigor. Tribal lists, specific sacrificial obligations, seemingly endless genealogical records, and apparently gratuitous acts of warfare are readily scanned over. But could the minor prophets be added to that list? Should they be? They certainly seem more difficult to locate for many of us than, say, the books of Moses or the Psalms. The writer is clear in his assessment from the start, positing that our relative ignorance of these twelve books, tucked away at the end of the Old Testament, impinges negatively on the Christian believer's walk. Covering a period of around four hundred years, each book is revealed through two contextual settings: the historical and that which was personal to the individual pensmith, before a brief overview reveals the main points of that author's writing. The bulk of each chapter is concerned with the Major Key of the title. Taking a verse or two from each of the minor prophets, Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two-and-a-half thousand years old.

coffman commentary acts 16: *Just Follow Jesus* Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers - Peter and Andrew,

James and John – and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, “Follow me.” Just as his call changed their lives, it can change your life, too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth – Jesus Christ.

coffman commentary acts 16: Christians Too, Must Obey Wayne Talbot, 2018-01-05 Cursed is the one who will not uphold the words of this Torah, to perform them; and the entire people shall say, Amen (Deut. 27:26 TJB). King David wrote of Torah: The law of the Lord is perfect, converting my soul . . . the statutes of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes (Ps. 19:78). He also wrote, I will delight myself in Your statutes, I will not forget Your word. . . . Make me walk in the path of Your commandments, for I delight in it . . . I will delight myself in Your commandments, which I love. . . . Your statutes have been my songs, in the house of my pilgrimage. . . . The earth, O Lord, is full of Your mercy, teach me Your statutes (Ps. 119) Centuries later, Martin Luther wrote: The law, when it is in its true sense, doth nothing else but reveal sin, engender wrath, accuse and terrify men, so that it bringeth them to the very brink of desperation. This is the proper use of the law, and here it hath an end, and it ought to go no further. Who was right? Was the Torah a gracious gift of a loving God, providing guidance for all generations and for all time, or was its giving a malicious act of God against the children of Israel? Did Jesus fulfill the law in such a way as to be not applicable to his followers even though his early followers, the apostles, and disciples did not believe so, continuing to be Torah observant and practicing Judaism in a Messianic context? When the Church of Rome condemned the Nazarenes as heretics, were they not also proclaiming the Jewish followers of Jesus as heretics, including the twelve apostles? This study attempts to answer those questions.
