

coffman commentary john 18

coffman commentary john 18 offers an insightful and detailed analysis of one of the most pivotal chapters in the Gospel of John. John 18 narrates the arrest of Jesus, his trial before the Jewish authorities, and Peter's denial, events that are central to the Passion narrative. This commentary provides historical context, theological reflections, and exegetical explanations to deepen the understanding of the text. It highlights the interplay between divine sovereignty and human responsibility, the fulfillment of prophecy, and the contrasting responses to Jesus' identity. By exploring the characters, settings, and dialogues in John 18, the Coffman commentary helps readers grasp the profound spiritual and doctrinal implications embedded in this chapter. The following sections will guide through key themes, character studies, and theological insights found within coffman commentary john 18.

- Historical and Cultural Context of John 18
- Analysis of Jesus' Arrest
- Peter's Denial and Human Weakness
- Jesus Before the Jewish Authorities
- Theological Themes in John 18

Historical and Cultural Context of John 18

Understanding the historical and cultural background of John 18 is essential for interpreting the events described. The chapter takes place during the Passover, a significant Jewish festival commemorating the Exodus from Egypt. The political and religious tension between Roman authorities, Jewish leaders, and Jesus' followers forms the backdrop for the narrative. The Jewish leaders sought to arrest Jesus without causing a public disturbance, which influenced the manner of his apprehension. The setting reflects the complex dynamics of power, law, and tradition in first-century Judea.

The Significance of Passover

Passover sets the stage for the events of John 18, linking Jesus' impending sacrifice to the liberation themes of the festival. This timing underscores the messianic expectations and the gravity of Jesus' mission. According to coffman commentary john 18, the Passover context intensifies the narrative by juxtaposing Jesus as the Lamb of God with the lambs sacrificed during the festival.

Roman and Jewish Authority

The chapter illustrates the tension between Roman political power and Jewish religious authority. The Jewish leaders had limited power under Roman rule, which is evident in how they handle Jesus' trial. Coffman commentary highlights the collaboration and conflict between these authorities, emphasizing the trial's legality and the political motivations behind it.

Analysis of Jesus' Arrest

John 18 opens with the arrest of Jesus in the Garden of Gethsemane, an event marked by both divine intention and human action. The narrative conveys Jesus' control over the situation despite his apparent vulnerability. According to Coffman commentary John 18, this arrest is not a defeat but a fulfillment of Jesus' purpose as the Messiah.

Jesus' Awareness and Submission

The commentary stresses Jesus' deliberate approach to the arrest, noting his question, "Whom do you seek?" This reflects his authority and willingness to submit to the Father's will. His calm demeanor contrasts with the fear and confusion of the arresting party, highlighting the divine plan at work.

The Role of Judas Iscariot

Judas' betrayal is a critical element in the arrest narrative. Coffman commentary analyzes Judas' motivations and the irony of his role as the betrayer. The act of betrayal fulfills Old Testament prophecies and sets in motion the events leading to the crucifixion.

Peter's Denial and Human Weakness

One of the most poignant moments in John 18 is Peter's denial of Jesus, which exemplifies human frailty and fear. This episode provides a contrast to Jesus' steadfastness and serves as a lesson on repentance and forgiveness.

Peter's Confidence and Failure

Initially, Peter expresses bold loyalty to Jesus, but under pressure, he denies knowing him three times. Coffman commentary John 18 interprets this as a natural human response to fear and self-preservation, revealing the challenges of discipleship.

Symbolism of the Rooster Crow

The rooster crowing is a powerful symbol reminding Peter of Jesus' prediction and his own weakness. This moment calls for self-examination and highlights the need for grace in the face of failure.

Jesus Before the Jewish Authorities

Jesus' trial before Annas and Caiaphas, the high priest, is central in John 18. The interrogation reveals the religious leaders' fear, misunderstanding, and determination to eliminate Jesus.

The Interrogation by Annas

Coffman commentary points out that Annas, though not the official high priest at the time, wielded significant influence. His questioning aims to trap Jesus into incriminating himself, but Jesus responds with calm authority.

Caiaphas' Role in the Trial

Caiaphas, the high priest, represents the official religious authority. His involvement in Jesus' condemnation reflects the political and theological stakes. Coffman commentary highlights Caiaphas' unwitting role in fulfilling prophecy through his actions.

Jesus' Silence and Authority

Throughout the trial, Jesus often remains silent or gives measured responses. This behavior demonstrates his control over the situation and fulfills prophetic expectations of the Messiah's suffering. The commentary emphasizes the significance of Jesus' composure under pressure.

Theological Themes in John 18

Beyond the narrative details, Coffman commentary John 18 explores profound theological themes that emerge from this chapter. These themes deepen the understanding of Jesus' identity and mission.

Divine Sovereignty and Human Responsibility

The chapter portrays a complex interaction between God's sovereign plan and human actions. While Jesus' arrest and trial fulfill divine prophecy, human agents act out of fear, jealousy, and zeal. The commentary underscores this tension as fundamental to the Passion narrative.

The Fulfillment of Prophecy

Coffman commentary highlights how John 18 fulfills numerous Old Testament prophecies concerning the Messiah's suffering, betrayal, and rejection. This fulfillment authenticates Jesus' messianic role and God's faithfulness to His promises.

The Contrast Between Light and Darkness

The imagery of light and darkness pervades John's Gospel, and John 18 continues this theme. Jesus, the Light of the World, faces the forces of darkness represented by the Jewish authorities and Judas. The commentary explores this symbolic conflict as central to the chapter's message.

Lessons from John 18

- Understanding the nature of true discipleship through Peter's denial
- Recognizing Jesus' authority even in moments of apparent weakness
- Appreciating the fulfillment of God's redemptive plan despite human opposition
- Reflecting on the moral and spiritual challenges presented by betrayal and fear

coffman commentary john 18: *The Gospel According to the Trinity* Nicholas S. Perez, 2025-04-22 The gospel begins with God. God exists eternally as Father, Son, and Holy Spirit. How does what we believe about the Trinity impact the redemption of people before time began, in time, all the way to when time is no more? In *The Gospel According to Trinity*, Nicholas S. Perez takes readers from eternity to eternity, exploring the work of the triune God in redeeming people. While considering arguments from within his own ecclesiastical setting, the Stone-Campbell Movement, he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father, the Son, and the Holy Spirit. The result is a more consistent view of the gospel within a Trinitarian framework.

coffman commentary john 18: *First-Century Truth for a Twenty-First Century World* David Gibson, 2011-09-30 Can society function without a common standard of weights and measures, currency, and time-keeping? Is competition in athletics possible without rules? But what about religion? Is it left up to each person what to believe and practice, or is there a universal standard? There is. God sent Jesus, not only to die as our Savior, but also to reveal an authoritative message for our salvation. Jesus then transferred this message to the apostles. Guided by the Holy Spirit, they in turn preached this message, which is now preserved in the New Testament. This is our standard today.

coffman commentary john 18: *1-3 John: A Pentecostal Commentary* Dr. Matthew N. O. Sadiku, 2012-09-06 Every serious student of the Bible desires to understand the text, discover the biblical principles, and apply the truths to his/her life. This commentary is designed to help students,

pastors, and Bible teachers understand the book of 1-3 John in a simple manner. Working from the popular New International Version (NIV), the author provides helpful commentary on the text verse-by-verse. This verse-by-verse commentary is different from others in two respects. First, it is brief while some commentaries are unnecessarily wordy and verbose. Second, it is Pentecostal in outlook. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. The epistles of John represent a distinctive voice in the New Testament. John Wesley regarded them as the “deepest part of the holy scriptures.” John’s epistles have enriched and equipped Christians down through the centuries. This commentary on the Johannine epistles is a model of clarity and brevity in writing. John wrote to urge his readers to love one another, live in the truth, and watch for false teachers.

coffman commentary john 18: A Commentary on the Revelation of Jesus Christ with Old Testament Allusions Bob Cunningham, 2020-06-07 Many people struggle with the book of Revelation because it is filled with strange symbols, numbers and bizarre images of beasts and visions. A blessing is promised (Rev 1:3) to all who read it but it cannot be received if one is intimidated by engaging the book. The key to understanding it lies in the context in which it was written which is the Old Testament. This book attempts to open up the reader to greater understanding of the book by giving the Old Testament references that John's readers would have been familiar with for the passages the Holy Spirit inspired John to write. .

coffman commentary john 18: Open Wide the Gates Brian D. Cunnington, 2023-10-13 The culture wars show no sign of abating. Same-sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians, the fiercest combatants. Friendships, families, churches, and denominations continue to draw their lines-in-the-sand, split, and go their separate ways. Meanwhile, the lives of many, young and old, are deeply scarred and some even lost in the crossfire. It doesn't have to be that way! Challenging the arguments that perpetuate that conflict, Open Wide the Gates presents a carefully developed biblical, theological, and ethical argument for the welcome, affirmation, and inclusion of gays and lesbians in the life and ministry of the local church. Its irenic tone and clearly articulated presentation provides pastors, denominational leaders, and concerned laypeople with a reliable guide for navigating these often-turbulent waters. In this comprehensive study, Brian D. Cunnington points to a path forward, a path for following Jesus in the twenty-first century characterized by grace, love, and hope; a path that demonstrates the radical presence of God's kingdom here on earth for all people, regardless of their sexual orientation.

coffman commentary john 18: Some Critical Themes In The Old Testament Rev. Emmanuel W. Chea Jr., 2025-09-21 There has been no religious leader or theologian who has provided definite answers to critical themes like who the wife of Cain was, clarification on the sons of God taking unto themselves the daughters of man as wives, why Adam said, “Now this is bone of my bones and flesh of my flesh,” etc. In this book these poignant questions and many more are addressed.

coffman commentary john 18: Eternal Security Lloyd A. Olson, 2007-11 This book is a must read for three reasons. First, no other book can compare. It is the most comprehensive work affirming Eternal Security in the history of Christendom! Second, Dr. Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side. Third, critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit.

coffman commentary john 18: Just Follow Jesus Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers – Peter and Andrew, James and John – and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, “Follow me.” Just as his call changed their lives, it can change your life, too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He

also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth – Jesus Christ.

coffman commentary john 18: *I Recommend Jesus* Rev. Dr. Laurie McDonald-Albert, 2019-07-08 Hebrews is the unveiling of the Mosaic laws and ceremonies that particularly point to Jesus Christ as the fulfillment of the law. If we take one verse each day and comprehend it as well as apply it to our lives, we will find it to be a life-changing experience.

coffman commentary john 18: The Prophecy That Is Shaping History Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews, Christians, and Muslims believe that a 2,500-year-old prophecy is about to be fulfilled: a global, apocalyptic jihad of many nations against the tiny state of Israel, whose recent re-emergence in its traditional land has sparked unrelenting rage and attack. Repeated resolutions passed in the United Nations reflect world-wide and nearly unanimous hostility against the so-called Zionist entity even to the point of denying its right to exist. Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war, but also, amazingly, how this prophecy by Ezekiel (chapters 36-44) provides the scenario for numerous best-selling books in both the English-speaking and Muslim worlds! These best sellers not only describe this great conflagration, but actually also motivate their readers to prepare for it! The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events. This academic monograph also offers a wealth of new evidence in tracing the identities, origins, and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness.

coffman commentary john 18: 1 and 2 Peter Dr Matthew O Sadiku, Matthew N. O. Sadiku, 2013-07 Every serious student of the Bible desires to understand the text, discover the biblical principles, and apply the truths to his or her life. This commentary is designed to help students, pastors, and Bible teachers understand 1 and 2 Peter in a simple manner. Working from the popular New International Version (NIV), the author provides helpful commentary on the text verse by verse. This verse-by-verse commentary is different from others in two respects. First, it is brief while some commentaries are unnecessarily wordy and verbose. Second, it is Pentecostal in outlook. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. The major aim of this commentary is to expose readers to 1 and 2 Peter. Life is tough and difficult in general. Unfortunately, many Christians have been taught that they should only experience joys of being God's saints. In 1 Peter, Peter writes primarily for the readers of the epistle to stand firm in the true grace of God in the face of persecution and suffering. In 2 Peter, Peter writes to warn Christians about false teachers and to urge them to grow in the knowledge of our Lord Jesus Christ.

coffman commentary john 18: Give Me a Sign Kendall Conger, 2023-09-19 The Gospel of John concisely captures volumes of thought and feeling in an original and bare-boned sketch. A slower unpacking of this narrative outline is powerfully compelling in presenting Jesus as the central

figure in history whose supernatural life is the only explanation for the Gospel's existence and its global impact. The reader will see why John is considered by many to be the greatest literary work of all time, and why Jesus is the preeminent figure in literary and human history. For believer and unbeliever, it is important (and culturally relevant) to really grasp the one story and the one person who has captivated and changed the world more than any other.

coffman commentary john 18: *Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth* Pedro C. Arceno Jr, 2020-09-10 Volume One of this book will discuss about the true gospel of Jesus(as) which is about the imminent coming of the Son of Man and the establishment of the universal Kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the "Son of Man Prophecy" and the "Kingdom of God Prophecy" of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the Son of Man mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the Kingdom of God refers to Islam. Volume Two will discuss about the fulfillment of the 70 Weeks Prophecy of Prophet Daniel(as). That this prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth. Jesus(as) is expected to arrive in the 69th Week of the countdown, and Prophet Muhammad(saw) will arrive in the 70th Week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their respective messianic mission will be accomplished) is a miracle or sign from Allah swt (Qur'an 20:133) and a clear evidence (Qur'an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there are Jews who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.

coffman commentary john 18: *Freedom* William E. Bradley, 2011-02 Bill Bradley has done those who love God's Word a great favor. His excellent commentary of the Gospel of John is unique for a couple of significant reasons. It is both concise and yet detailed. Also Bill gives a perspective from personal convictions and experiences. This book will be a valued addition to anyone's collection of commentaries. I recommend it to all who love God's Word. Donald A. De Luke, West Monroe, LS. Pulpit Preacher at Jackson Street Church of Christ.

coffman commentary john 18: *Biblical Studies on the Internet* Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

coffman commentary john 18: *Minor Prophets in a Major Key* Chris Woodall, 2018-01-24 All Scripture is God-breathed, but not every portion of it is embraced by Christians with equal vigor. Tribal lists, specific sacrificial obligations, seemingly endless genealogical records, and apparently gratuitous acts of warfare are readily scanned over. But could the minor prophets be added to that list? Should they be? They certainly seem more difficult to locate for many of us than, say, the books of Moses or the Psalms. The writer is clear in his assessment from the start, positing that our relative ignorance of these twelve books, tucked away at the end of the Old Testament, impinges negatively on the Christian believer's walk. Covering a period of around four hundred years, each book is revealed through two contextual settings: the historical and that which was personal to the individual pensmith, before a brief overview reveals the main points of that author's writing. The

bulk of each chapter is concerned with the Major Key of the title. Taking a verse or two from each of the minor prophets, Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two-and-a-half thousand years old.

coffman commentary john 18: Job 38-42 David J. A. Clines, 2011-11-21 Complete the Old Testament series of the Word Biblical Commentary with Dr. David Clines' monumental study of Job. Volume 18B is devoted entirely to the response of the Lord from the tempest to Job, together with the replies of Job (Job 38-42), presenting the Lord's own explanation of his manifold purposes in creation and bringing to an unexpected conclusion Job's dramatic quest for justice. Difficult portions of the Hebrew text are thoroughly handled, but the commentary is written for the non-technical reader and scholar alike. Clines uncovers the driving force of the argument and the drama of the book. The Explanation sections at the end of each chapter brilliantly summarize the views of the speakers and offer thoughtful reflections on their theological value. The volume concludes with a unique 250-page bibliography of virtually everything that has been written about the Book of Job, including its influence on art, music and literature. Features include: Complete new translation and verse by verse commentary on the Book of Job, in constant dialogue with other commentators Extensive scholarly notes on the Hebrew text of the book and its many obscure terms Unparalleled bibliography gives sweeping coverage of all aspects of the Book of Job from scholarly books to art, literature, and music

coffman commentary john 18: In the House of My Pilgrimage Donald Sheehan, 2023-09-19 Don Sheehan's early life, plagued by his father's alcoholic violence, was at the same time blessed by the good stories this intelligent man read aloud to his children. In his teens, unhappy in school, Don joined a street gang and then the Army Reserves, where he found he had renounced violence. On his eighteenth birthday, happening upon his post library, he walked straight to a book of Japanese poems. It went, in turn, straight to his heart, for eight hours. He'd come home at last. The house of Don's pilgrimage encompasses a wide territory: spiritual, lyric, scholarly, usually all at once. At our best, what we can take from engaging these essays is a way of falling into the heart to embrace, suffer, and, in Christ, transfigure the world's "ruining oppositions." In doing so, we fulfill what St. Maximus the Confessor saw as our human calling: to unify the polarities embedded in God's creation and thus make, not only ourselves, but all Creation whole.
