Context and Background of 1 Corinthians 7

The coffman commentary 1 corinthians 7 begins by situating the chapter within the broader context of the Corinthian church and the apostle Paul's epistle. Corinth was a cosmopolitan city with diverse cultural and religious influences, which contributed to various moral and doctrinal challenges among its Christian converts. Paul's letter addresses many of these issues, with chapter 7 focusing specifically on questions the Corinthians posed regarding marriage and celibacy.

This section of the commentary emphasizes the significance of understanding the historical, social, and religious environment in which Paul wrote. The early Christian community was navigating tensions between Jewish traditions, Greco-Roman customs, and the new ethical demands of the gospel. Coffman highlights how Paul's responses were not only doctrinal but also pastoral, aiming to guide believers towards holiness and practical wisdom in their personal lives.

Paul's Teaching on Marriage and Singleness

One of the central themes in coffman commentary 1 corinthians 7 is Paul's balanced

approach to marriage and singleness. Paul does not elevate one state over the other but recognizes the value and challenges of both. He describes singleness as a gift that allows undivided devotion to the Lord, while marriage is acknowledged as a legitimate and honorable institution.

Singleness as a Gift

Coffman notes that Paul's perspective on singleness is rooted in spiritual priorities. Singleness is portrayed as advantageous for serving God without distraction, especially in anticipation of the "present distress" or difficult times faced by the early church. The commentary explains that Paul encourages those who can remain single to do so, but without imposing this as a universal requirement.

Marriage as a God-Ordained Institution

Conversely, Coffman's notes affirm Paul's recognition of marriage as a divine arrangement meant to provide companionship, mutual support, and protection against sexual immorality. Paul advises married couples to maintain their relationship faithfully, highlighting the mutual responsibilities spouses have towards each other.

- Marriage is honorable and necessary for many.
- Sexual relations within marriage are commanded and sanctified.
- Marriage helps prevent temptation to immorality.

Instructions on Sexual Relations and Marital Duties

The Coffman commentary 1 Corinthians 7 thoroughly examines Paul's instructions regarding sexual relations within marriage. Paul emphasizes the importance of mutual consent and regular fulfillment of marital duties to strengthen the bond between husband and wife.

Mutual Authority Over Each Other's Bodies

Paul teaches that spouses have authority over each other's bodies, indicating a mutual right and responsibility to meet each other's sexual needs. Coffman explains that this principle serves to foster intimacy and prevent neglect or temptation outside the marriage covenant.

Temporary Abstinence for Devotion

Paul permits temporary abstinence from sexual relations for the purpose of prayer and fasting, but he warns against prolonged separation to avoid temptation. Coffman highlights this as a practical guideline balancing spiritual disciplines with marital harmony.

1. Mutual consent is essential before abstaining.
2. Temporary abstinence is allowed for spiritual reasons.
3. Prolonged abstinence may lead to temptation.

Guidance on Divorce and Remarriage

Coffman's commentary on 1 Corinthians 7 also addresses Paul's teachings regarding divorce and remarriage, which were contentious issues in the early church. Paul advocates for the permanence of marriage but provides specific allowances under certain circumstances.

Maintaining Marital Commitment

Paul urges couples to remain married if possible, emphasizing the sanctity and lifelong nature of the marital bond. Coffman points out that this teaching reflects both Jewish tradition and Christian ethical standards.

Exception for Unbelieving Spouses

The commentary explains Paul's exception concerning believers married to unbelievers. If the unbelieving spouse chooses to leave, the believer is not bound to maintain the marriage. Coffman interprets this as a concession to the realities faced by early Christians living in mixed-faith households.

- Marriage should be lifelong wherever possible.
- Believers are not bound if the unbelieving spouse departs.
- Divorce is discouraged but tolerated under specific conditions.

Practical Applications and Theological Implications

The Coffman commentary 1 Corinthians 7 concludes with practical applications and theological reflections on Paul's teaching. Coffman underscores the apostle's pastoral wisdom in addressing sensitive personal matters with both firmness and compassion.

Balancing Earthly Relationships and Spiritual Priorities

Coffman observes that Paul's guidance seeks to help Christians balance their earthly relationships with their ultimate commitment to Christ. Whether married or single, believers

are called to live holy lives that reflect their faith and hope in the gospel.

Enduring Relevance for Contemporary Christians

The commentary stresses that the principles in 1 Corinthians 7 continue to offer valuable insights for modern believers navigating marriage, singleness, and moral challenges. Coffman's notes encourage thoughtful reflection on how Paul's timeless instructions can inform personal conduct and church teaching today.

coffman commentary 1 corinthians 7: A Resurrection to Immortality William Robert West, 2011-04-14 Life is the most important possession we have. Without it, there is nothing. Only by the resurrection at the second coming of Christ will anyone have life after death. After the resurrection, the fate of those who are in Christ: [1] Eternal life [Romans 6:23] [2] Shall inherit eternal life [Matthew 19:29] [3] After the judgment they shall go away into eternal life [Matthew 25:46] [4] Will have eternal life [John 3:5] [5] Christ will raise them up on the last day [John 6:40] [6] Will be immortal after the resurrection [1 Corinthians 15:51-56] [7] Will have incorruption [1 Corinthians 15:42] [8] Will have glory [1 Corinthians 15:43] [9] Will be like Christ We shall be like him; for we shall see him even as he is [1 John 3:2] [10] Are heirs according to the hope of eternal life [Titus 3:7] [11] Will have a spiritual body [1 Corinthians 15:44] [12] And as we have borne the image of the earthly (The earthly flesh and blood body of Adam was made to live on this earth but it cannot inherit the kingdom of God 1 Corinthians 15:50), we shall also bear the image of the heavenly (Shall be like the spiritual body of Christ for life in Heaven) [1 Corinthians 15:47-56] [13] Will never perish [John 10:28] [14] Forever with the Lord [1 Thessalonians 4:17] [15] Many mansions in my father's house: In my Father's house (Who is in Heaven, Matthew 5:16; 5:45; 5:48; 6:1; 6:9; 7:21; 10:32-33) are many mansions...I go to prepare a place for you.

coffman commentary 1 corinthians 7: Life in Christ William Robert West, 2015-09-29 What do you believe about souls? There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans. By most a soul is believed to be something that is wholly apart from the person a soul is in; that a soul is something that is that is believed to be complete in its self without the person; it will live after the person it is in is dead; it is believed that a soul will exist forever without the person; it will never be dead; therefore, a soul cannot be resurrected from the dead. It is believed that a soul must live someplace forever, and it will live either in Heaven or Hell even if there is no resurrection. The doctrine of unconditional immortality of a deathless soul being in a person, and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death; if a soul had immortality it would already have life and could never not have life; all Christ could do is give it a reward or punish it.

coffman commentary 1 corinthians 7: All Power to the Lamb James R. Johnson, 2010-12 Book Summary If you were God, writing a book you wanted men to understand, would you write it in such a way that men would have to make up meaning in order to understand it, or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth (Mt 7:7)? The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty, readers can understand it. Certainly there are symbols in

Revelation, but when God does use symbols, He provides inspired interpretations of the symbols. This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation (preterist, continuous historical, spiritualist, and idealist). These approaches suffer from two basic flaws: assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association, much as one would do looking at Rorschach inkblots. This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant. Of all the approaches to understanding Revelation, this commentary is most closely aligned with the dispensationalist (premillennialist) view in that it views Revelation from a literalist, futurist perspective. It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb, understands the exercise of the powers of the seven seals to be simultaneous processes, and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel, the nations, and the saints. This commentary also makes use of many of the non-canonical works that provide insight into the spirit world and detail regarding the end of the present age.

coffman commentary 1 corinthians 7: Just Follow Jesus Billy Joseph Stines, 2019-12-18

Who were the men called by Jesus? Among the twelve disciples were two sets of brothers - Peter and Andrew, James and John - and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, "Follow me." Just as his call changed their lives, it can change your life, too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth - Jesus Christ.

coffman commentary 1 corinthians 7: Restoring the First-century Church in the Twenty-first Century Warren Lewis, Hans Rollmann, 2005-10-15 'Restoring the First-century Church in the Twenty-first Century: Essays on the Stone-Campbell Restoration Movement in Honor of Don Haymes' is a snap-shot of a major American religious movement just after the turn of the millennium. When the 'Disciples' of Alexander Campbell and the 'Christians' of Barton Warren Stone joined forces early in the 19th century, the first indigenous ecumenical movement in the United States came into being. Two hundred years later, this American experiment in biblical primitivism has resulted in three, possibly four, large segments. Best known is the Christian Church (Disciples of Christ), active wherever ecumenical Christians gather. The denomination is typically theologically open, having been reshaped by theological Liberalism and the Social Gospel in the twentieth century, and has been re-organized on the model of other Protestant bodies. The largest group, the Churches of Christ, easily distinguished by their insistence on 'a cappella' music (singing

only), is theologically conservative, now tending towards the evangelical, and congregationally autonomous, though with a denominational sense of brotherhood. The Christian Churches/Churches of Christ (Independent) are a 'via media' between the two other bodies: theologically conservative and evangelical, congregationally autonomous, pastorally oriented, and comfortable with instrumental music. The fourth numerically significant group, the churches of Christ (Anti-Institutional), is a conservative reaction to the 'a cappella' churches, much in the way that the Southern 'a capella' churches reacted against the emerging intellectual culture and social location, instrumental music and institutional centrism of the Northern Disciples following the Civil War. Besides these four, numerous smaller fragments, typically one-article splinter groups, decorate the history of the Restoration Movement: One-Cup brethren, Premillennialists, No-Sunday-School congregations, No-Located-Preacher churches, and others. This movement to unite Christians on the basis of faith and immersion in Jesus Christ, and to restore New-Testament Christianity, is too little recognized on the American religious landscape, and it has been too little studied by the academic community. This volume is focused primarily on the 'a cappella' churches and their interests, but implications for the entire Stone-Campbell Restoration Movement abound. The voices that speak freely within were unimpeded in authoring these essays by standards of orthodoxy imposed from without. All of the contributors are acquainted with Don Haymes, the honoree of the volume, and have been inspired by this friend and colleague, a man with a rigorous and earthy intellect and a heavenly spirit. coffman commentary 1 corinthians 7: *Life in the Son* Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God--even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God? Now expanded with new chapters and research, this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security, perseverance, and apostasy in the New Testament. Calling into question the popular once saved, always saved belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not, Is the believer secure? but rather, What does it mean to be a believer? Straightforward, thorough, and grounded in biblical understanding, this book warns Christians about dangers that could potentially lead a believer to become an unbeliever (falling away from faith) and share in the unbeliever's eternal condemnation.

coffman commentary 1 corinthians 7: *Sermon on the Mount* Brad Price, 2019-11-20 The Sermon on the Mount helps show what it means to become a "new creature in Christ" (2 Cor. 5:17). A secular illustration for this new life, which is included in this book, is found in an African story entitled "The Dirty Basket." According to this tale, a young man became a Christian but soon learned he was still subject to strong temptations. One day this recent convert went to his grandfather to discuss his many failings. The grandfather suggested his grandson take a basket to the river and get some drinking water. The grandson looked at the basket and said it was dirty. The holes in this basket would prevent him from bringing back much water. The grandfather insisted his relative do as he had asked. The young man made six attempts to bring back water in this filthy basket and each time he failed. After returning to his grandpa and complaining about the basket, the grandfather pointed out how clean the basket had become. Also, the reeds from which the basket was made had swelled from all the water. The Sermon on the Mount helps dirty and unholy people "keep putting water in the basket" to conform more and more to the image of Christ.
