Historical and Theological Context of Matthew 24

Understanding the background of Matthew 24 is essential to grasp the full meaning of Coffman commentary Matthew 24. This chapter records Jesus' discourse on the Mount of Olives, addressing His disciples' questions about the destruction of the temple and the end of the age. The historical context is rooted in the first-century Jewish setting, where the temple in Jerusalem was central to religious life. Jesus foretold the temple's destruction, which later occurred in AD 70, while also expanding the prophecy to include the ultimate consummation of the world. Theologically, Matthew 24 serves as a bridge between immediate historical events and eschatological fulfillment, highlighting God's sovereign plan for history. Coffman's analysis underscores the dual fulfillment of prophecy, addressing both the near and distant future, which enriches the interpretative framework of this passage.

Key Themes in Coffman Commentary Matthew 24

Coffman commentary Matthew 24 emphasizes several central themes that run throughout the chapter. These include the certainty of tribulation, the prevalence of falsehoods, the visibility of cosmic signs, and the imperative for watchfulness. The commentary highlights Jesus' warnings about widespread deception and persecution as part of the believer's experience leading up to the end

times. Furthermore, the theme of divine judgment and ultimate restoration is pivotal, with the chapter culminating in the triumphant return of Christ. Coffman's exposition reveals how these themes interconnect to form a comprehensive prophetic narrative that warns, encourages, and instructs the followers of Christ.

Tribulation and Persecution

Coffman draws attention to the reality of intense suffering and trials described in Matthew 24. Jesus foretells that His followers will face hardships, including betrayal, hatred, and death. This period of tribulation is presented as both a testing and a refining process for the faithful.

False Prophets and Deception

The commentary stresses the danger posed by false teachers who will arise to mislead many. Coffman notes that this deception is a key indicator of the end times, making discernment crucial for believers.

Cosmic Signs and Disturbances

Matthew 24 describes various cosmic disturbances such as earthquakes, celestial darkening, and other phenomena. Coffman interprets these as symbolic and literal signs signaling God's impending intervention in history.

Analysis of the Signs of the End Times

A significant portion of Coffman commentary Matthew 24 is devoted to unpacking the signs Jesus mentions as precursors to His return. These signs function as warning signals, preparing the faithful for the culmination of God's redemptive plan. Coffman organizes these signs into categories that clarify their meaning and implications.

1. **Wars and Rumors of Wars:** The commentary identifies increasing conflict and instability as early indicators.
2. **Natural Disasters:** Earthquakes and famines are seen as part of the birth pains signaling the approaching end.
3. **Persecution of Believers:** The growing hostility toward Christians is highlighted as a critical sign.
4. **Widespread Apostasy:** A falling away from true faith is emphasized as a significant marker.
5. **Prevalence of False Teachers:** The rise of deceptive doctrines is a central concern in the commentary.

Understanding the Role of False Prophets and Deception

One of the most prominent warnings in Matthew 24 is the emergence of false prophets and widespread deception. False teachers not only mislead the masses but also attempt to undermine the truth of the gospel.

Characteristics of False Prophets

Coffman outlines several traits attributed to false prophets in Matthew 24, including their persuasive speech, claims of divine authority, and ability to perform signs and wonders. These characteristics make their deception particularly effective and dangerous.

Impact on the Church

The commentary highlights how false teachers create confusion, division, and spiritual decline within the Christian community, making vigilance essential for maintaining doctrinal purity.

Strategies for Discernment

Coffman encourages believers to rely on scripture, prayer, and the guidance of the Holy Spirit to identify and resist false teachings. Discernment is depicted as a vital defense against spiritual deception in the end times.

The Call for Vigilance and Preparedness

The commentary stresses the importance of spiritual alertness and moral integrity. Believers are exhorted to live faithfully, avoiding complacency and worldly distractions.

Faithful Stewardship

coffman commentary matthew 24: 1 and 2 Peter Dr Matthew O Sadiku, Matthew N. O. Sadiku, 2013-07 Every serious student of the Bible desires to understand the text, discover the biblical principles, and apply the truths to his or her life. This commentary is designed to help students, pastors, and Bible teachers understand 1 and 2 Peter in a simple manner. Working from the popular New International Version (NIV), the author provides helpful commentary on the text verse by verse. This verse-by-verse commentary is different from others in two respects. First, it is brief while some commentaries are unnecessarily wordy and verbose. Second, it is Pentecostal in outlook. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. The major aim of this commentary is to expose

readers to 1 and 2 Peter. Life is tough and difficult in general. Unfortunately, many Christians have been taught that they should only experience joys of being God's saints. In 1 Peter, Peter writes primarily for the readers of the epistle to stand firm in the true grace of God in the face of persecution and suffering. In 2 Peter, Peter writes to warn Christians about false teachers and to urge them to grow in the knowledge of our Lord Jesus Christ.

coffman commentary matthew 24: *Just Follow Jesus* Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers – Peter and Andrew, James and John – and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, “Follow me.” Just as his call changed their lives, it can change your life, too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth – Jesus Christ.

coffman commentary matthew 24: Survival Kit for Stressful Times Jackie Tan, 2021-06-14 A survival kit is an absolute must in danger zones, often determining whether we survive, barely make it or perish through unpreparedness. We also need a survival kit to navigate the storms of life battering our mental, emotional and spiritual health. This book was written specifically to address the 10 grave problems facing humanity from a Christian perspective. SURVIVAL KIT examines these challenges and the fears and apprehension of countless millions who have lost hope that their governments/leaders can solve their everyday concerns. The book is both practical and devotional, with sensible and spiritual suggestions. There is strong emphasis on doctrine to help us understand the WHAT and WHY of the Christian faith, with special focus on the Second Coming of Christ. All in all, a survival kit for everyday use and for almost any situation. Reviews for Survival Kit An excellent prophetic book that is spot on. A very timely read for those asking questions about End Time events. SURVIVAL KIT is really an appropriate title, a practical guide for living in these stressful times, culled from Jackie's many years of life and ministry experiences. I congratulate her for this book is a legacy to this generation, so apt in these perilous and unpredictable times. Pastor Kenneth Kang Triumph in Christ, Penang -- SURVIVAL KIT vividly describes the anxious and challenging times we live in today by giving an insightful expose of global problems. A versatile book indeed. It not only responds to problems from a Christian perspective, backed by Biblical references and examples, but also includes a useful section for ministry and counselling. The Remnant refers to a continuous community (large or small) of God's people who were or are spiritually preserved throughout various dispensations....Abraham's descendants preserved from all attempts by the enemy to destroy them. Remnant believers make deliberate choices to obey God at all costs. They have boldness and courage, refusing to submit to the prevailing values and norms of society. Are you a REMNANT believer? coffman commentary matthew 24: The Return of Christ Robin Corner, 2022-02-03 At the time of writing, covid-19 is raging around the world and fears of global warming, war, economic collapse and famine are widespread. But is it possible that these things are signs of the long-awaited return of Jesus Christ as prophesied in the Bible? For the first time in history, the Christian Gospel is being taught in every nation on earth. Large numbers of people are becoming Christians in India, China, other parts of Asia, Africa and South America, even as in traditionally Christian countries, many are leaving the church. And if Christ returns as promised, what will that look like? What will be happening on earth? Robin was aware of many theories, so decided to research the issue himself, initially just by reading what the Bible has to say on it. In this book, he looks at beliefs held over the centuries. He examines the scriptures and draws some surprising answers from many often-overlooked, simple passages. If you are new to this topic, you will find the book fascinating. And if you have studied it for years, be prepared to be surprised and challenged!

coffman commentary matthew 24: The Great Tribulation George Gutchess, 2014-10-15 Many Bible teachers today are proclaiming that Christ will come at any moment to take the Christians to heaven, leaving the non-Christians behind to endure seven years of great tribulation. Others teach that Christ came spiritually in AD 70, when the city of Jerusalem was destroyed by the Romans. Is there any other view? Here is an older interpretation that was commonly held before those which prevail today. The first part of *The Great Tribulation* is a verse-by-verse commentary on Matthew 24 written in readable, nontechnical style. The second part of the book contains nine articles related to the second coming of Christ and end-time events. *The Great Tribulation* provides insight on these questions: What does Matthew 24 really teach? Will Christ's coming be in two stages? Does Daniel teach that there will be a seven-year tribulation? Who is the antichrist, and will he appear in a rebuilt temple? What is the abomination of desolation? Was the kingdom of God postponed? Will there be a thousand-year period called the millennium? Will some be taken and others left behind? What is the generation that Christ spoke of that is going to see it all?

coffman commentary matthew 24: The Idea of Retribution in the Book of Ezekiel Ka Leung Wong, 2001-07-12 The objective of the book is to examine the idea of retribution in the Book of Ezekiel. The book seeks to show that underlying Ezekiel are three principles of retribution: covenant, the disposal of impurity, and poetic justice. That is to say, the consequence of an act is either governed by the terms of a covenant, or seen as the disposal of impurity produced by the act, or made to look like the act by incorporating some features of the act. The present study shows that retribution can be juridical in nature as in the case of the covenant, but it can also be non-juridical as in the cases of disposal of impurity and poetic justice. This study also provides an examination of these three important ideas seldom noted in detail in current literature on Ezekiel.

Harrowing the Gospels: A Cambodian (American) Rereading of Agriculture in Mark and Matthew interrogates constructions of ethnography, economy, and ethnicity in previous Gospel research to both situate itself in and critique the gaps in the attention to these subjects. By reading from a Cambodian (American) perspective and through the tools of postcolonial and social-scientific analysis, this volume constructs a new working methodology fit to the problems of reading agriculture: "Postagrarian Analysis."

Working from the popular New International Version (NIV), the author provides helpful commentary on the text verse-by-verse. This verse-by-verse commentary is different from others in two respects. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. The epistles of John represent a distinctive voice in the New Testament. John Wesley regarded them as the "deepest part of the holy scriptures." John's epistles have enriched and equipped Christians down through the centuries. This commentary on the Johannine epistles is a model of clarity and brevity in writing. John wrote to urge his readers to love one another, live in the truth, and watch for false teachers.
