comedic monologues from movies male: *Talkies, Road Movies and Chick Flicks* Heidi Wilkins, 2016-02-19 The representation of gender in film remains an intensely debated topic, particularly in academic considerations of US mainstream cinema where it is often perceived as perpetuating rigid, binary views of gender, and reinforcing patriarchal, dominant notions of masculinity and femininity. While previous scholarly discussion has focused on visual or narrative portrayals of gender, this book considers the ways that film sound & music, voice, sound effects and silence & is used to represent gender. Taking a socio-historical approach, Heidi Wilkins investigates a range of popular US genres including screwball comedy, the road movie and

chick flicks to explore the ways that film sound can reinforce traditional assumptions about masculinity and femininity, impart ambivalent meanings to them, or even challenge and subvert the notion of gender itself. Case studies include *His Girl Friday*, *Easy Rider* and *Bridesmaids*.

comedic monologues from movies male: Seriously Funny Gerald Nachman, 2009-08-26 The comedians of the 1950s and 1960s were a totally different breed of relevant, revolutionary performer from any that came before or after, comics whose humor did much more than pry guffaws out of audiences. Gerald Nachman presents the stories of the groundbreaking comedy stars of those years, each one a cultural harbinger: • Mort Sahl, of a new political cynicism • Lenny Bruce, of the sexual, drug, and language revolution • Dick Gregory, of racial unrest • Bill Cosby and Godfrey Cambridge, of racial harmony • Phyllis Diller, of housewifely complaint • Mike Nichols & Elaine May and Woody Allen, of self-analytical angst and a rearrangement of male-female relations • Stan Freberg and Bob Newhart, of encroaching, pervasive pop media manipulation and, in the case of Bob Elliott & Ray Goulding, of the banalities of broadcasting • Mel Brooks, of the Yiddishization of American comedy • Sid Caesar, of a new awareness of the satirical possibilities of television • Joan Rivers, of the obsessive craving for celebrity gossip and of a latent bitchy sensibility • Tom Lehrer, of the inane, hypocritical, mawkishly sentimental nature of hallowed American folkways and, in the case of the Smothers Brothers, of overly revered folk songs and folklore • Steve Allen, of the late-night talk show as a force in American comedy • David Frye and Vaughn Meader, of the merger of showbiz and politics and, along with Will Jordan, of stretching the boundaries of mimicry • Shelley Berman, of a generation of obsessively self-confessional humor • Jonathan Winters and Jean Shepherd, of the daring new free-form improvisational comedy and of a sardonically updated view of Midwestern archetypes • Ernie Kovacs, of surreal visual effects and the unbounded vistas of video Taken together, they made up the faculty of a new school of vigorous, socially aware satire, a vibrant group of voices that reigned from approximately 1953 to 1965. Nachman shines a flashlight into the corners of these comedians' chaotic and often troubled lives, illuminating their genius as well as their demons, damaged souls, and desperate drive. His exhaustive research and intimate interviews reveal characters that are intriguing and all too human, full of rich stories, confessions, regrets, and traumas. *Seriously Funny* is at once a dazzling cultural history and a joyous celebration of an extraordinary era in American comedy.

comedic monologues from movies male: The Ultimate Scene and Monologue Sourcebook Ed Hooks, 1994 Preparing for an audition and unsure of what you want to do? The *Ultimate Scene and Monologue Sourcebook* is the book you've been waiting for. Unlike "scene books" that reprint 50 to 75 monologues excerpted from plays but don't include any background information, this annotated guide tells you what you really need to know about audition material from more than 300 contemporary plays. Here is how the book works. Suppose that you're looking for a dramatic male/female scene. When you scan "Part One: Play Synopses and Analyses," you come

across an entry for *The Middle of the Night* by Paddy Chayefsky. This is what you see: *The Middle of the Night* by Paddy Chayefsky (Samuel French) Synopsis: A kindly 53-year-old widower falls in love with a 23-year-old woman who is unhappily married to a musician. No one in their circle of acquaintances approves of this union, but their love is true. Analysis: Excellent human drama, frequently touching. Actors who play the widower need to have a good feel for New York City/Brooklyn speech patterns. This sensitivity isn't as essential for the part of the woman. All levels. Scenes/Monologues: Male Monologues (1), Female/Female Scenes (1), Male/Female Scenes (2) In addition to basic information about the play (author and publisher), the entry provides you with the story line, a critique of the play, and the number of audition-worthy monologues and scenes it contains. If the description of this particular play piques your interest, your next step is to turn to "Part Six: Male/Female Scenes" for specifics about the selection. This is what you'll see there: *The Middle of the Night* by Paddy Chayefsky (Samuel French) Drama: Act II, Scene 2, pp. 40-44; *The Manufacturer* (53) and *The* (23). After an unsatisfactory attempt at lovemaking, *The Manufacturer* feels awful that he wasn't able to perform ually. The is very understanding. He then asks her to marry him. The actor playing *The Manufacturer* must have a good feel for regional New York speech patterns. This skill is less critical for the actress playing *The*. Start, *The Manufacturer*: "I'm sorry, Betty." End, *The Manufacturer*: "Oh, my sweet, I love you so much you don't know. If you change your mind tomorrow, I won't be angry with you. I won't lie to you, Betty. I'm afraid." This entry tells you what type of scene this is (dramatic), where you'll find the selection (act, scene, and page numbers), the length of the scene, the names and ages of the characters, the context in which the characters are speaking, and the first and last lines of the scene. If the material seems appropriate, all you have to do is get a copy of the play and get to work. Because *The Ultimate Scene and Monologue Sourcebook* enables you to make informed decisions about the suitability of more than 1,000 monologues and scenes—which you can find easily through the book's extensive cross indexes—you'll gain a critical edge in the auditioning process.
