

dealing with strong willed children

dealing with strong willed children requires a strategic approach grounded in understanding, patience, and effective communication. Strong willed children, often characterized by their determination, independence, and resistance to authority, present unique challenges for parents and caregivers. Successfully managing their behavior involves recognizing the underlying causes of their willfulness while fostering a positive environment that supports their emotional and social development. This article explores practical techniques, communication strategies, and discipline methods tailored specifically for strong willed children. Additionally, it addresses common pitfalls and provides guidance on building a respectful and cooperative relationship. The following sections will guide readers through key concepts and actionable tips for navigating the complexities of strong willed child behavior.

- Understanding Strong Willed Children
- Effective Communication Strategies
- Discipline Techniques for Strong Willed Children
- Building Positive Relationships
- Common Challenges and Solutions

Understanding Strong Willed Children

Strong willed children often exhibit traits such as determination, assertiveness, and a desire for autonomy. These characteristics can be both a source of strength and a challenge when it comes to parenting or caregiving. Understanding the nature of strong will helps in developing appropriate strategies that respect the child's personality while guiding them toward positive behavior.

Defining Strong Will in Children

Strong will in children refers to a temperament marked by persistence, high energy, and a resistance to external control. These children tend to express their opinions firmly and may challenge rules or limits more than their peers. Recognizing these traits as part of their personality rather than defiance is crucial in framing effective parenting approaches.

Causes and Influences

Several factors contribute to the development of a strong will, including genetic predispositions, environment, and early experiences. Children may develop strong will as a natural response to their surroundings or as a means of asserting independence. Understanding these influences provides

valuable context for handling behavior constructively.

Benefits of a Strong Will

While strong willed behavior can be challenging, it also offers significant advantages. These children often demonstrate leadership qualities, resilience, and creativity. Harnessing these positive attributes requires tailored guidance and support from caregivers.

Effective Communication Strategies

Communication plays a vital role in managing the behavior of strong willed children. Clear, respectful, and consistent communication helps reduce conflicts and encourages cooperation.

Active Listening and Empathy

Active listening involves fully concentrating on what the child is expressing, validating their feelings, and responding thoughtfully. Empathy allows caregivers to understand the child's perspective, which can de-escalate tensions and foster mutual respect.

Using Positive Language

Positive language focuses on what the child can do rather than what they cannot. This approach encourages compliance and motivates positive behavior by highlighting strengths and possibilities instead of limitations.

Setting Clear Expectations

Strong willed children respond well to clear and consistent expectations. Explaining rules and consequences in understandable terms helps reduce misunderstandings and sets a framework for acceptable behavior.

Discipline Techniques for Strong Willed Children

Effective discipline with strong willed children requires a balance between firmness and flexibility. The goal is to guide rather than control, emphasizing cooperation over punishment.

Consistent Boundaries

Establishing consistent boundaries provides a sense of security and predictability. Strong willed children benefit from knowing the limits, but these boundaries must be reasonable and consistently enforced to be effective.

Natural and Logical Consequences

Using natural and logical consequences helps children understand the results of their actions in a practical way. This method promotes accountability and decision-making skills, which are essential for strong willed children.

Choice Offering

Offering choices within acceptable parameters empowers strong willed children and reduces power struggles. Choices should be limited and manageable, allowing the child to feel a sense of control while adhering to the caregiver's guidelines.

Positive Reinforcement

Reinforcing desirable behavior with praise, rewards, or privileges encourages repetition of such behavior. Positive reinforcement is particularly effective for strong willed children as it aligns with their need for recognition and autonomy.

Building Positive Relationships

Developing a strong, trusting relationship with a strong willed child is foundational to successful parenting or caregiving. This relationship fosters cooperation and emotional security.

Consistency and Predictability

Consistency in routines, responses, and expectations helps strong willed children feel secure and reduces anxiety. Predictability establishes trust and promotes a cooperative dynamic.

Spending Quality Time

Engaging in regular quality interactions strengthens bonds and provides opportunities for positive reinforcement and communication. Quality time should involve activities the child enjoys to enhance connection and mutual understanding.

Modeling Desired Behavior

Children learn by observing adults. Modeling calmness, respect, and problem-solving skills teaches strong willed children appropriate ways to express themselves and handle conflicts.

Common Challenges and Solutions

Dealing with strong willed children presents specific challenges that require targeted solutions. Addressing these effectively minimizes stress and promotes positive outcomes.

Managing Power Struggles

Power struggles often arise when strong willed children seek control. Avoiding direct confrontation, offering choices, and maintaining calm authority can defuse these situations.

Handling Defiance

Defiance is a common behavior in strong willed children. Responding with empathy, consistent consequences, and clear communication helps reduce defiant episodes without escalating conflicts.

Supporting Emotional Regulation

Strong willed children may experience intense emotions. Teaching coping strategies such as deep breathing, time-outs, or verbalizing feelings supports emotional regulation and reduces outbursts.

Seeking Professional Support

In cases where behavior challenges persist or escalate, consulting with child development specialists or psychologists can provide additional strategies and support tailored to the child's needs.

Practical Tips for Daily Interaction

Implementing practical, everyday strategies can make a significant difference in managing strong willed children effectively.

- Maintain a calm and patient demeanor during conflicts.
- Use humor to diffuse tense situations.
- Establish clear and consistent routines.
- Encourage problem-solving and independence.
- Recognize and celebrate small achievements.
- Set realistic expectations based on the child's developmental stage.

Frequently Asked Questions

What are effective strategies for managing strong-willed children?

Effective strategies include setting clear and consistent boundaries, offering choices to give them a sense of control, using positive reinforcement, staying calm during conflicts, and practicing active listening to understand their perspective.

How can parents maintain authority without causing power struggles?

Parents can maintain authority by staying firm yet empathetic, avoiding unnecessary confrontations, providing clear expectations, and using natural consequences instead of harsh punishments to teach responsibility.

Why is it important to understand the personality of a strong-willed child?

Understanding their personality helps parents tailor their approach to meet the child's needs, fostering a positive relationship, reducing conflicts, and encouraging cooperation by respecting their desire for independence.

How can communication be improved with strong-willed children?

Improving communication involves active listening, validating their feelings, using calm and respectful language, avoiding commands that provoke resistance, and encouraging open dialogue to build trust and mutual respect.

What role does positive reinforcement play in dealing with strong-willed children?

Positive reinforcement encourages desired behaviors by acknowledging and rewarding them, which boosts the child's self-esteem and motivation, helping to reduce defiance and promote cooperation over time.

Additional Resources

1. *"The Strong-Willed Child: Birth Through Adolescence"* by James Dobson

This classic parenting book offers practical advice on understanding and managing strong-willed children. Dr. Dobson provides strategies to help parents maintain calm and consistency while respecting their child's personality. The book emphasizes the importance of setting firm boundaries paired with love and guidance.

2. *"No-Drama Discipline: The Whole-Brain Way to Calm the Chaos and Nurture Your Child's Developing Mind"* by Daniel J. Siegel and Tina Payne Bryson

This book combines neuroscience and parenting techniques to help parents discipline strong-willed children without escalating conflicts. It encourages empathetic communication and understanding the child's emotions to reduce power struggles. The authors provide tools to foster cooperation and emotional regulation.

3. *"Raising Your Spirited Child"* by Mary Sheedy Kurcinka

Focused on children with intense personalities, this book offers insights into why some kids are more challenging and how to work with their temperament. Kurcinka provides strategies for channeling strong will into positive behaviors. It includes real-life examples and practical tips for everyday parenting.

4. *"Parenting the Strong-Willed Child: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds"* by Rex Forehand and Nicholas Long

This guide presents a step-by-step program aimed at reducing conflicts and improving cooperation with strong-willed young children. It is based on research and clinical experience, featuring exercises and techniques to change behavioral patterns. The book supports parents in creating a more peaceful home environment.

5. *"How to Talk So Kids Will Listen & Listen So Kids Will Talk"* by Adele Faber and Elaine Mazlish

Though not exclusively about strong-willed children, this communication guide is invaluable for managing challenging behaviors. It teaches parents effective ways to engage with their child's feelings and encourage cooperation. The book is filled with practical examples and dialogue suggestions.

6. *"The Explosive Child: A New Approach for Understanding and Parenting Easily Frustrated, Chronically Inflexible Children"* by Ross W. Greene

This book addresses children who react strongly to frustration and change, often seen in strong-willed personalities. Greene introduces a collaborative problem-solving approach that helps parents and children work together to resolve conflicts. It's especially useful for those dealing with intense emotional outbursts.

7. *"Strong-Willed Children, Challenging Parents: How to Turn Conflict into Cooperation"* by Elizabeth Crary

Elizabeth Crary focuses on transforming the parent-child dynamic by understanding the roots of strong-willed behavior. The book provides practical advice to help parents change their responses and create more harmonious interactions. It encourages patience, empathy, and consistent discipline.

8. *"Peaceful Parent, Happy Kids: How to Stop Yelling and Start Connecting"* by Laura Markham

This book advocates for gentle parenting techniques that work well with strong-willed children. Markham emphasizes emotional connection and self-regulation as key factors in reducing power struggles. It offers strategies to foster mutual respect and cooperation without harsh discipline.

9. *"The Out-of-Sync Child: Recognizing and Coping with Sensory Processing Disorder"* by Carol Stock Kranowitz

While focusing on sensory processing issues, this book is helpful for parents of strong-willed children who may also experience sensory challenges. It explains how sensory sensitivities can influence behavior and offers practical coping strategies. Understanding sensory needs can improve parenting approaches and reduce conflicts.

dealing with strong willed children: Parenting Strong Willed Kids Catherine R. Schick, 2021-12-07 Parenting Strong-Willed Kids How To Effectively Raise a Strong-Willed Toddler Into a Loving, Adorable Sweetheart (Parenting Guide for strong-willed children) Strong willed kids can be very frustrating for parents. If you are struggling to get your child to listen or follow instructions, you are not alone. Many parents have trouble dealing with the negative behaviors of their strong-willed children. Parenting Strong-Willed Kids is a guide that helps parents understand and deal with strong-willed kids. The author, Catherine R. Schick, shares her insights about dealing with a strong-willed child in an easy to read guide. This book includes: * A definition of what a strong-willed kid is and how to recognize the signs of stubbornness in your own child. * How to avoid power struggles when disciplining your child and how to manage the stress of parenting a stubborn child. * The best way to handle tantrums and whining in your child. With this guide, you will be able to successfully parent your stubborn child.

dealing with strong willed children: *Parenting the Strong-Willed Child, Revised and Updated Edition: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds* Rex Forehand, Nicholas Long, 2002-03-15 The bestselling five-week program to improving the disruptive child's behavior--now updated and revised Based on more than 40 years of collective research, parents and longtime child behavior experts Dr. Rex Forehand and Dr. Nicholas Long have devised a program to help you find positive and manageable solutions to your child's difficult behavior. Now in a revised and updated edition, Parenting the Strong-Willed Child is a self-guided program for managing disruptive young children based on a clinical treatment program. This hands-on guide provides you with a step-by-step, five-week program toward improving your child's behavior as well as the entire family's relationship. Providing you with the necessary tools for successfully managing the difficult child, the book covers specific factors that cause or contribute to a child's disruptive behavior; ways to develop a more positive atmosphere in your family and home; actual reports by parents of difficult children; strategies for managing specific behavior problems; how to tell if your child might have ADHD; and more.

dealing with strong willed children: Parenting the Strong-Willed Child: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds, Third Edition Rex Forehand, Nicholas Long, 2010-08-06 A clinically proven, five-week program for improving your child's behavior Rex Forehand, Ph.D. and Nicholas Long Ph.D. have helped thousands of parents achieve discipline using positive reinforcement, without yelling or harming the child's self-esteem. Their clinically proven, five-week program gives you the tools you need to successfully manage your child's behavior, giving specific factors that cause or contribute to disruptive behavior; ways to develop a more positive atmosphere in your family and home; and strategies for managing specific behavior problems. The completely revised and updated edition includes: new information, based on research, about child temperament; new chapter on the hot topic of play as a means of strengthening parent-child relationship; new section on collaborative disciplining with preschool teachers; expanded section about depression and stress linked to parenting; new research findings about ADHD and its treatment. Uncover the specific factors that contribute to your child's disruptive behavior. Identify with real-life parent testimonials and discover strategies for managing specific behavior problems.

Authors Rex Forehand, Ph.D., and Nicholas Long, Ph.D., are experts in the field of child psychology. New research highlights the scientific foundation behind the program. Topics include: Understanding Your Strong-Willed Child's Behavior; Strong-Willed Behavior and How It All Begins; Why Is My Child Becoming Even More Strong-Willed?; It Takes More than Just Good Parenting; Does My Child Have ADHD?; Addressing Strong-Willed Behavior: A Five-Week Program; Does My Child's Behavior Really Need to Change?; Week 1: Attending; Week 2: Rewarding; Week 3: Ignoring; Week 4: Giving Directions; Week 5: Using Time-Outs; Integrating Your Parenting Skills; Creating a Positive Climate for Behavior Change; Creating a More Positive Home; Improving Your Communication Skills; Developing More Patience; Building Positive Self-Esteem; Helping Your Child Solve Problems with Peers; Solving Some Common Behavior Problems: Additional Recommendations; Specific Problem Behaviors

dealing with strong willed children: The Complete Idiot's Guide to Raising a Strong-Willed Child Helen Coronato, Mary-Michael Levitt Ed.S. LPC, 2009-10-06 When because I'm the parent meets you're not the boss of me . . . Good news: there are many ways to parent willful children without everyday clashes. Here parents learn how to capitalize on children's strengths and make bad days more manageable. Full of ideas and techniques, it explores: how to use empathy first and discipline second; exercises and strategies that work to calm toddler tantrums; bringing teachers on board; raging hormones in teen rebels; and dealing with health and safety issues. • Much more positive than other parenting books, which focus on discipline and parental control • Helps parents understand and accept children for who they are, as well as who they can hope to be

dealing with strong willed children: Simplicity Parenting the Strong-Willed Child Mary Lang, 2019-10-14 Some children come to the world with an incredible gift of strong will and indomitable spirit. Such children often experience a profound misunderstanding of themselves from other people. There are a whole series of books lining the shelves of bookstores, with instructions on how to break their will, subdue the spirit, and make them obey. What an incredible loss of leadership, enthusiasm, and insights this world brings when parents follow such punitive methods of parenting! We must raise such children gently, carefully and respectfully, because the gifts we receive in return are invaluable. Any parent who has such a child knows the challenges that come along with it. Sometimes, the parent needs to be right and a headstrong child refuses to understand or accept that. It can feel like you're up against an immeasurable force, which can be discouraging and even infuriating. When every day is a fight, it is time to reevaluate your relationship with your child and find a new way of doing things. Clearly what you are doing so far is not working, so a better way is necessary. That's where this book comes into play. Once you read it you will learn how to bond with and love your strong-willed child by embracing his strengths and coping with his obstinacy. You will learn how to let go of frustration and prevent fighting, arguing, and resistance. The end result will be a peaceful and constructive relationship with a well-behaved child who feels appreciated and loved. In this book you will discover: the main character traits of a strong-willed child features of raising a child with a strong will rules of the no-drama discipline tips for parents of children with strong character how to develop a strong-willed child and more! All of the tips in this book are carefully crafted through experience to enable you to have a stellar relationship with your child. Say goodbye to the fighting, the negative emotions, and the temper tantrums. Welcome a relationship where you actually get to know your child and cooperate with him on a lifelong relationship. Invest your time, read this book and become a better parent! Grab your copy today by clicking the BUY NOW button at the top of this page.

dealing with strong willed children: Setting Limits With Your Strong-Willed Child Robert J. MacKenzie, Robert J. Mac Kenzie, 2001 Now You Can Effectively Parent Your Strong-Willed Child Does your child constantly misbehave and ignore or refuse your requests for proper behavior? Is your relationship with your child based on conflict instead of mutual respect and cooperation? With the help of this groundbreaking book, you can create a positive, respectful, and rewarding relationship with your child. Inside are proven techniques and procedures that provide a refreshing alternative to the ineffective extremes of punishment and permissiveness. Parents and

teachers alike will discover how to effectively motivate the strong-willed child and achieve proper conduct. You will learn how to: -Understand and empathize without giving in -Hold your ground without threatening -Remove daily power struggles between you and your child -Give clear, firm messages that your child understands and respects -And much more! Eminently useful and readable! This book should be a part of every parent's and school's reference library. --Judy E. Hunt-Brown, principal, Elk Grove Unified School District A grand book that teaches everybody in the family new skills and encourages more peaceful, socially acceptable lives at home, school, in the office, or in any social group. --Barbara O'Donnell, principal, St. Francis Elementary School A highly recommended eye-opener; beautifully documented. --Stewart E. Teal, M.D., clinical professor of child psychiatry, University of California, Davis

dealing with strong willed children: Parenting Techniques for Strong-Willed Children

Elizabeth N. Richards, Strong-willed children can be terrible to deal with. They make it difficult for you to hold your place as a parent. Most times, you may feel like spanking will do so much good, only to realize it worsens it. When dealing with a stubborn child, you may constantly try to remind them that you are in charge. Sadly, some strong-willed children become more difficult when you try to discipline them with the wrong strategy. But here is the truth; strong-willed children can become the best gift that nature has given to you if you discipline them the right way. They have great leadership potential and have high chances of setting the pace for their peers to follow. You only need to discover the key thing about strong-willed children: their emotions. Their emotions are their greatest strength and can also be their point of weakness. In this book, you will learn how to break through your child's defense walls and make them listen to you. You will discover the different ways to discipline defiant kids without pushing them away.

dealing with strong willed children: When Your Child Has a Strong-Willed Personality Carl E

Pickhardt, Vince Iannelli, 2008-10-17 Many parents of strong-willed children feel inadequate or like they're doing something wrong. But this isn't true! Although strong-willed children do present a unique challenge, it is possible for Mom and Dad to tailor parenting practices and actually enjoy their time with the kids. Written by two distinguished parenting authorities, this book offers specific advice on the serious problems that face so many parents. Finally readers can relax, as they learn how to: regain control of their family; reap the benefits of healthy communication; discipline to teach, not to punish; resolve conflict effectively; and overcome willfulness in older children. When every mealtime, bathtime, and bedtime is a struggle, discouraged parents need answers—and now they have them. With this book, parents can rest assured that they too can raise a respectful, cooperative, and pleasant child.

dealing with strong willed children: Parenting a Strong-Willed Child Discover Press, 2021-05

How Do You Make Sure You Raise Your Strong-Willed Child to Become the Best Version of Themselves? You Can Start by Getting This Deeply Insightful Guide! Children are both mesmerizing and frustrating creatures. Raising them requires a patience and resolve that can only be equated to, well, parenting a child. There is nothing quite like it. You look into the round, tear-filled eyes of a child and you become at a loss for words and ideas on what to do. You can read every book you could get your hands on in the nine months leading up to their birth. But nothing will prepare you for the reality of overnight feedings, constant diaper changes, and the protective urge that dominates every second of every day. Parenting a strong-willed child, most especially, makes it all the more difficult and confusing. No two children are the same and no self-help parenting book will ever be comprehensive enough to cover every inch of the child-raising terrain. Yet, there are resources where you can get targeted, highly effective tips and tricks on how to raise a happy, healthy, strong-willed child. *Parenting a Strong-Willed Child: How to Effectively Raise High Spirited Children or Toddlers* is such a resource. And it is a treasure trove of everything you need to learn in order to give your strong-willed child the best life.

dealing with strong willed children: Your Strong-Willed Child Jordan Waldrop, 2020-09-23

Discover the secrets to reclaim your stature as a parental authority and regain your child's cooperation and respect. Does your child throw interminable temper-tantrums that just won't

subside whatever trick of the book you may try? You may have tried calming them down by reasoning with them, giving them affection, or simply ignoring them, hoping that the outburst would end on its own. Are you tired of their stubborn persistence and their constant defiance of your authority? They just love those power struggles and indulge in finding loopholes and exceptions in every single situation where they don't feel satisfied or when they don't get exactly what they want. Does he or she constantly ignore warnings they don't want to hear, making use of their exceptionally developed selective hearing skills? Your desperate attempts at vocalising a watch out, be careful, don't jump on the couch are simply ignored if they're not interested in what you have to say and will tune out of anything they think doesn't suit their desires. If you're all too familiar with these questions and scenarios, know that you're dealing with a strong-willed child. Awareness of the fact is a major first step. From there on, things can finally start changing for the better. Rest assured, however, you're surely not the only parent with a spirited child out there. In fact, you may be surprised to know that 85% of modern families include at least one strong-willed child, so while your situation may seem overwhelming at times, it's not the least unusual. And much like many parents out there, armed with the right tools and in-depth guidance on how to positively discipline your child, you will soon start seeing steady positive changes in your child's behaviour... And finally gain some much-needed peace of mind. In *Your Strong-Willed Child*, you'll discover: How to discipline your child from a place of love and avoid any long term damage or conflict to your relationship An in-depth profile of your strong-willed child, along with thorough guidance on how to deal with their most difficult behaviours What a positive figure of authority is, and how to position yourself as one in your child's life to avoid any power imbalances The 5 crucial kinds of rules your home must have if you want to raise your child to become a successful adult How to transform correctional responses into instructional responses and build a relationship based on respect between you and your child How to get your child to cooperate without having to rely on harsh punishment and punitive discipline The vital building blocks of positive discipline and what sets it apart from traditional and outdated disciplinary methods And much more. It may be exhausting, and you may be angry (and angry for being angry) because each day is an ordeal, but with a little patience and the right strategies, there's no reason why your child won't change their exhausting behaviour. Taking the right amount of care and exhibiting the right kind of sensitivity will transform all the currently challenging traits into positive attributes. And remember, this is just a phase. With patience and perseverance, you will soon watch your strong-willed child develop admirable life skills, becoming the adult who, by spending years defying you, isn't afraid to stand up to the things they believe in. If you want to finally discover bulletproof ways to discipline your strong-willed child without breaking their spirit, then scroll up and click the Add to Cart button right now.

dealing with strong willed children: Parenting the Strong-Willed Child, Expanded Fourth Edition: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds Rex Forehand, Deborah J Jones, Nicholas Long, 2023-12-05 The clinically proven five-week program for improving your child's behavior—fully updated and revised In 1996, *Parenting the Strong-Willed Child* established itself as a seminal guide for parents who want to manage challenging behavior with parenting techniques grounded in positive reinforcement, without yelling or harming a child's self-esteem. The authors provide a proven, step-by-step five-week program giving parents the tools they need to successfully build upon their child's strengths while effectively managing challenging behavior. Packed with brand-new content, this fourth edition has been thoroughly updated to integrate state-of-the-field scientific and clinical advances, providing a timely and thorough response to the current issues facing parents of young children. It addresses important new topics, including: Understanding parenting and child behavior in context, including effects of the global pandemic, racial disparities, financial strain, and other parenting challenges Greater opportunities for parents to learn proven parenting skills for challenging child behaviors such as noncompliance, whining, and tantrums Help for parents to apply new skills to the specific problem behaviors they are facing Strategies for linking the five-week program skills to common parenting challenges, including screen time Understanding how the proven five-week program can

help parents of children with ADHD given advances in science and clinical practice in this area The importance of parent self-care as they learn the program Improve the life of your child—and yourself—with valuable lessons and science-backed advice that has helped a generation of parents raise happy, healthy children.

dealing with strong willed children: *The Everything Parent's Guide to the Strong-Willed Child* Ellen Bowers, 2012-04-18 Set boundaries and eliminate power struggles—without conflict! I won't go! I don't care! You can't make me! Every parent hears these words at one time or another, but if you have a strong-willed child, the arguments can seem never-ending. Fortunately, there's hope. *The Everything Parent's Guide to the Strong-Willed Child*, 2nd Edition can help you put a stop to the endless cycle of battles with your child and rebuild a relationship based on love and

respect—rather than conflict. This essential guide shows you how to trade in exhausting and ineffective punishment for techniques that can help you: Identify the triggers of combative behaviors Understand strong-willed and spirited motivations Give your child tools to develop self-control Learn how your reaction can lessen—or intensify—strong-willed behaviors Communicate more effectively with your child Strengthen the family bond and create a safe environment Featuring a positive approach to discipline and including new ways to compromise and communicate with children, this all-in-one guide has everything you need to raise capable, happy, and agreeable kids!

dealing with strong willed children: The Everything Parent's Guide To The Strong-Willed Child Carl E Pickhardt, 2005-08-01 All children need guidance, yet some are definitely more resistant to parental direction and advice than others. Parenting a child whose personality may be described as difficult or controlling can leave you conflicted and frustrated. How do you nurture your child, get him to listen, and know who's in charge? It can be done. The Everything Parent's Guide to the Strong-Willed Child helps you work around stubborn and argumentative behavior. You'll learn how to encourage your child to compromise and communicate with you, rather than make unreasonable demands and/or shut down altogether. By learning what makes your child strong-willed, the effects of such behavior, and how to manage it, you can help your child achieve a more tempered disposition and teach him the lifelong rewards of a positive attitude. Psychologist Carl E. Pickhardt shows you how to: Regain control of your family Reap the benefits of healthy communication Discipline to teach, not to punish Resolve conflict between you and your child effectively Overcome willfulness in older children The Everything Parent's Guide to the Strong-Willed Child is your all-inclusive guide to regaining, and maintaining, a healthy and happy family.

dealing with strong willed children: The New Strong-Willed Child James C. Dobson, 2014-09 Is a willful little darling driving you to distraction? The New Strong-Willed Child is the resource you need--a classic bestseller completely rewritten, updated, and expanded for a new generation of parents and teachers. Challenging as they are to raise, strong-willed children can grow up to be men and women of strong character--if lovingly guided with understanding and the right kind of discipline. Find out what Dr. James Dobson, today's most trusted authority on parenting, has to say about what makes strong-willed children the way they are; shaping the will while protecting the spirit; avoiding the most common parenting mistake; and much more. If you are struggling to raise and teach children who are convinced they should be able to live by their own rules, The New Strong-Willed Child is a must-read (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.)
