created to hear god audiobook: Created to Hear God Havilah Cunnington, 2023-12-12 Do you struggle to discern God's voice in the decisions and challenges you face? God is always speaking--the key is discovering the unique way He speaks to each of us, which is your unique prophetic personality. Hearing God's voice is one of the greatest gifts we've been given, but it can also feel complex and frustrating. As a teenager, Havilah Cunnington didn't think she could hear God's voice, thinking it was like trying to tune into a radio station and never finding the correct frequency. But one night at a conference, she had an encounter with God that changed everything. She realized He had been speaking to her the whole time--she just hadn't learned to recognize His voice. Now an author, speaker, pastor, and founder of the well-known ministry Truth to Table, Havilah teaches people around the world to recognize the unique way God is speaking to them. After more than twenty-five years studying and teaching about hearing from God, she has discovered four distinct ways we hear His voice. In Created to Hear God you will: identify your unique prophetic personality: Hearer, Knower, Feeler, or Seer; learn the core concepts of a prophetic personality; discover how to strengthen and develop that personality; uncover a relationship with God that has felt hidden for so long; and learn how God speaks to your family and friends God is alive and well. It's not about Him speaking but us listening. Through biblical teaching and experience, you'll receive guidance in hearing and connecting with God. If you love tools like the Enneagram, join the thousands who have already gained a deeper understanding of themselves and others through learning their unique prophetic personality.

created to hear god audiobook: COMMENTARY ON THE WRITINGS OF ISAIAH Bryan Barton, 2025-01-08 This book of commentary reviews the writings of Isaiah, an Old Testament prophet, and provides a background and explanation for the prophet's writings. It provides a mixture

of historical facts along with my own views of what the prophet Isaiah was referring to in each verse. The writings of Isaiah are known for their unfamiliar pose and style of writing, but the purpose of this book is to clarify the meaning of each verse and strives to identify scriptural verses that help modern day readers understand the depth of meaning behind the prophet's words which lie purposely hidden in the writings of Isaiah. In Chapter six of the book of Isaiah, the Lord called the young prophet to write the words he would put in his mouth, but he was to write it so that those who read the words would not understand their deeper meaning until the later days. We do understand his writings today, just as was predicted, and with the aid of modern-day revelation, we can decipher just how wonderfully grand his writings truly were. This book was written in the hopes of encouraging others to read and understand his writings that will bring us all closer to Jesus Christ, for they testify of him.

created to hear god audiobook: How to Pray Reuben A. Torrey, 2018-11-01 Praying always with all prayer and supplication in the Spirit and watching in this with all perseverance and supplication for all the saints - Ephesians 6:18 Prayer. Satan laughs as he looks at the church today and says to himself, "You can have your Sunday schools and your young people's small groups, your boys' and girls' programs, your vacation Bible schools, your Christian schools, your elegant churches, your retreats, your music programs, your brilliant preachers, and even your revival efforts - as long as you don't bring the power of almighty God into them by earnest, persistent, believing, mighty prayer." It is not necessary that the whole church prays to begin with. Great revivals always begin first in the hearts of a few men and women whom God arouses by His Spirit to believe in Him as a living God, as a God who answers prayer, and upon whose heart He lays a burden from which no rest can be found except in persistent crying unto God. May God use this book to inspire many who are currently prayerless, or nearly so, to pray earnestly. May God stir up your own heart to be one of those burdened to pray, and to pray until God answers.

created to hear god audiobook: Literary Cultures and Digital Humanities in India Nishat Zaidi, A. Sean Pue, 2022-12-29 This book explores the use of digital humanities (DH) to understand, interpret, and annotate the poetics of Indian literary and cultural texts, which circulate in digital forms — in manuscripts — and as oral or musical performance. Drawing on the linguistic, cultural, historical, social, and geographic diversity of Indian texts and contexts, it foregrounds the use of digital technologies — including minimal computing, novel digital humanities research and teaching methodologies, critical archive generation and maintenance — for explicating poetics of Indian literatures and generating scholarly digital resources which will facilitate comparative readings. With contributions from DH scholars and practitioners from across India, the United States, the United Kingdom, and more, this book will be a key intervention for scholars and researchers of literature and literary theory, DH, media studies, and South Asian Studies.
