dexter in the dark reddit: Vigilantes Taimi Castle, Benjamin Meade, 2024-11-25 Motivated by recent instances of vigilantism that have captured media attention, such as the murder of Ahmaud Arbery and the trial of Kyle Rittenhouse, Drs. Castle and Meade examine vigilantism through historical contexts, popular culture, and modern technologies. From vigilantes' presence in the frontier and early states, to their contemporary manifestations in Neighborhood Watch and digital cybersleuthing, Castle and Meade characterize the evolution of the vigilante narrative and vigilantes' purpose of social group control. This book considers the impacts of vigilante mythology in American pop culture, with special emphasis on the early Western vigilante to the urban vigilante, like Dirty Harry and Death Wish, to comic book superheroes like Batman. How do these fictional characters who beat down and murder criminals on film impact cultural messages about crime, justice, and vengeance? Castle and Meade further explore the impact of digital technologies and novel viruses on vigilantism. Digilantes administer their own brand of extralegal justice online by hunting pedophiles, and TikTok cybersleuths harass random strangers. dexter in the dark reddit: Quicklet on Dexter Season 4 Ryan James Avery, 2012-07-30 ABOUT THE BOOK Originally aired in 2006, the first season of Dexter was based on the Jeff Lindsay novel: *Darkly Dreaming Dexter*. The book chronicles the life of blood-spatter analyst for the Miami-Metro police department, Dexter Morgan. On the outside, Dexter seems like a regular guy; he gets up every day, goes to work and helps put criminals behind bars. Just under the surface, however, things are not so ordinary. After a traumatizing experience as a small child in which his mother is brutally dismembered with a chainsaw by a drug-dealer, Dexter is left irreparably damaged and afflicted with antisocial personality disorder. Devoid of emotion, obsessed with blood and an inescapable urge to kill; Dexters life was destined to be fraught with pain and horror. Destiny, though, had other plans for him. Officer Harry Morgan, the man who investigated the grisly scene, adopted Dexter. Harry lived his life by a strict moral code, a code which he knew must be imparted to his son to protect him from himself and society. MEET THE AUTHOR Ryan Avery has been a personal trainer and writer for the past 5 years. Over this time, he has contributed articles on a variety of topics including music, history, video gaming and health & fitness. once sharp mind and is playing havoc with every aspect of his life. In the city, a killer attacks a woman as she is sitting in her bathtub. He slides in with her and makes a small cut on the inside of her thigh, causing her to bleed out through the open femoral artery.
