free printable advent bible study: God Is With Us - [Large Print] Robin Wilson, 2019-09-03 God Is With Us, originally published in 2016, invites you to explore your longing for God's presence through a study of the lectionary Bible readings for Advent and Christmas. The hope of Advent is the fulfillment of that longing; we await the coming of Jesus as Immanuel, God With Us. Each week's Scriptures call us to praise God as we actively await the coming of Christ and prepare our hearts and lives for his arrival. Through the readings, we hear the invitation to claim and celebrate the new hope we have in Jesus Christ. The season of Advent offers opportunities to prepare for God's coming in human form in the infant Jesus and for the fulfillment of God's kingdom with the second coming of Christ. Hope is the focus of Advent worship, study, and prayer. We will discover the light that began in the manger, which continues as we look forward with hope to Christ's return. God Is With Us is based on the Revised Common Lectionary Scriptures for church year A, the first of a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Gospels, and the Epistles. It offers the opportunity to explore these Bible readings in a five-session study. It will help participants understand, appreciate, and engage in meaningful and joyous celebrations of Advent and Christmas and to live each day in God's hope through Jesus Christ.

free printable advent bible study: Advent Study Guides Edd Breeden, 2015-12-01 During the Advent season, the study guides focused on the passages related to the Christmas story. I would place an insert into the bulletin each Sunday that would take the congregation on a daily study of passages in the Old Testament related to the prophecies of the coming Messiah or passages in the New Testament that told the story of Jesus coming to earth as Immanuel, God with Us. Then on the following Sunday morning I would preach on the passages people had studied throughout the week. It became a great learning tool for those who used it and it kept everyone thinking about the same aspects of the Advent and Christmas season. In this book you will find one study guide that has 28 different passages and sets of questions which you can divide up however you would like; four weeks at seven days per week; or four and one half weeks at six days a week; or just taking the month of December and beginning at day 1 and working through until day 28, three days following Christmas. The second set of study guides include seven sets of questions revolving around the prophecies of Isaiah and Micah, the visit of the angel to Mary and Joseph, the Birth of Jesus, the vision of the Shepherds and the visit of the Wise Men. These seven weeks of studies can be used over a period of years while you preach on each of these passages during the Advent season. You can also use these guides as small group topics for the Advent season or your Bible Study, Sunday school classes can use this as the curriculum for the season. Anyway you choose to use these study guides you will have people covering many wonderful aspects of the Christmas story and how that story impacts our faith

today.

Ideal for Bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture-study groups, RCIA teams, catechumens and candidates, catechists and teachers. The people who walked in darkness have seen a great light (Is 9:2). Advent is a time for new understanding, for putting different pieces of God's revelation together so as to see the divine plan more clearly. We listen to the words of the ancient prophets, to the wisdom of Jesus, to the stories of his birth and infancy, and we make connections. Then we connect those truths to our own lives and our world and see how God is acting anew, how God continues to reveal the coming of Jesus today. Our best model for this Advent search for understanding is Mary of Nazareth. By making connections between the ancient and the new, between her people Israel and her own life, Mary grew in understanding of God's plan and responded to God's will with her acceptance: Let it be with me according to your word (LK 1:38).

free printable advent bible study: [Love Comes Near](#) Jenni Keller, 2015-10-27 Once, we were separated from God. But, because of Christmas - because of Jesus - we have been brought near. Walk slowly through the Christmas story this Advent, as we look at how God not only invites us to come near, but through Jesus' example, also teaches us how. Consider Mary; Jesus' radical nearness begins as a baby growing in a mother's womb, being nourished by her body, comforted by her arms. It doesn't get any more near than that. This 25-day Bible study, with a bonus Family Advent Experience, will help you and your family prepare your hearts for Christmas. Together, let's celebrate His gift of nearness. He is God with us. Our Immanuel.

great joy and led to God's glory in their lives and generations to come. As we explore the hope that Jesus brings, we'll learn to trust God's care for us as His beloved children in both times of abundance and times of lament. No matter what you're facing, at just the right time, in the fullness of time, God will act on your behalf too. In fact, He already has. In the advent season, we celebrate God's kindness to us, even as we wait on the future hope to come. Features: Personal study segments with homework to complete between 5 weeks of group sessions Leader helps to guide questions and discussions within small groups Beautiful, full-color interior to enhance the study experience Specific Advent activities for kids, students, and adults Benefits: Be encouraged to obey God despite difficult circumstances.
