guideposts org: Seven Words Susan Robb, 2020-12-15 While many of us naturally wish to avoid the reality of the cross, it's from the cross that Jesus speaks and shows his deepest love for us. It's from the cross that Jesus' full humanity draws us closest to him. It's from the cross, as Jesus breathes his last breath and speaks his last words, that his deep trust in the Father and his divine glory are revealed. Those who listen to Jesus' last words from the cross will discover what he most wants them (the world) to hear and will experience an intimate and divine awe only available to those who are willing to draw near his cross. In Seven Words, Susan Robb looks at the seven last words of Christ on the cross through a lens that finds life and hope in his final sayings, while exploring each from a biblical and historical perspective. The book brings a hopeful and contemplative take on the cross during the weeks of Lent. Additional components for a six-week study include a DVD featuring Susan Robb and a comprehensive Leader Guide.

Frese, 2006-07-21 When Janelle's grandfather dies in her arms, she sees in his eyes an answer to the undying question we all struggle with in life: Where do we go from here? By fate or by faith, she follows the mystery-of-the-eyes to find Chaplain Barber, the man who would save her from death's sorrow and change her life forever. Chaplain George Russell Barber is the last living chaplain from the D-Day

landing on Omaha Beach, June 6, 1944. He survived Normandy's bloodiest beach battle, I dug like it was only up to me. I prayed like it was only up to God. Together, we dug that hole pretty deep. He went on to march across Europe for eleven more months without a weapon. Armed only with his Bible and his faith, Chaplain Barber preached the gospel during the most dangerous war scenes of the European theatre in World War II, There are no atheists in foxholes. One of the last of the red-blooded American boys, Chaplain Barber tells Janelle his life history like a Little Big Man of the Greatest Generation. From the cotton fields back home to the Horse Cavalry days, through three wars, the Space Age and the war on terrorism, his life of service grips the heart of the small town patriot and likewise spins the mind of the spiritually inquisitive. The Bible has been known to stop a bullet, but that's not the only reason I believe. Through their conversations, prayers and meditations, Janelle and the Chaplain mix the secret ingredients for the recipe of the Red, White and Blue in you.

People are experiencing and feeling within themselves a numbness and tiredness that they never felt before. They explain it as something indescribable but when they start chatting with each other, it begins to sound eerily similar. For example, a common statement people are saying nowadays is Wow! The months are flying by so fast! I feel like it was just weeks ago we were celebrating New Years Eve. Or, Oh my goodness! I feel so tired! And I sleep eight hours daily! Many people are experiencing today a flood of inconceivable worries, fears, and disasters. I go many places and start a conversation with people and listen to their problems and emotions. The majority of people are suffering silently inside and trying to convince others that all is well but its not. To compound it further, theres extreme temptation of luring certain individuals into living a lifestyle that they simply cant afford. Hope is disintegrating vanishing and being manipulated. During the Great Depression back in the days, people at least had hope in God. The excessive broadcasting of the end of the world theme in films during the past decade is intentional. guideposts org: *Under the Greenwood Tree* Tracy E. K'Meyer, 2024-02-06 In the summer of 1960, director C. Douglas Ramey took his Carriage House Players theater company down the street from their Old Louisville venue to Central Park, where the actors performed scenes from the Shakespeare classic *Much Ado about Nothing*. Buoyed by the enthusiastic audience response, Ramey's company returned to the park the next year for the first full season of the Kentucky Shakespeare Festival. More than sixty years later, Kentucky Shakespeare is now the oldest free, non-ticketed Shakespeare in the Park festival in the country. To commemorate the sixtieth anniversary of the festival, in spring 2020 Kentucky Shakespeare cooperated with students in the University of Louisville's Department of History to record twenty entertaining and enlightening oral interviews with longtime members of the company. In *Under the Greenwood Tree*, author Tracy K'Meyer captures the history of Kentucky Shakespeare in a series of carefully selected and edited transcripts of these interviews. In these pages, past and present cast and crew share their memories of the company's history, performances in the park, and the positive impact of its many outreach programs, from its inception in the 1960s, to its slump in the early 2000s, and on to its recent renaissance. An illuminating record of the collaborative artistry that brings Shakespeare's works to life, *Under the Greenwood Tree* offers readers a peek behind the curtain at the group's steadfast stewardship of the most important literature in the English language.
