henry emily final words: Famous Last Words Alan Bisbort, 2001 Whether Inspiring, Incomprehensible, insightful, bleak, or absurd, last words can be spoken by the living as well as the dying. Among the dying, last words are truly final, as was the case with Dylan Thomas, who uttered I've just had eighteen straight whiskeys. I think that's the record. Famous Last Words records the parting shots of dozens of folks no longer with us, from those dead for political reasons to those who themselves decided to end it all. And it records the words of those who went on with their lives after uttering a memorable farewell but whose reputation was made by their words, often to their lasting frustration, such as the infamous Richard Milhous Nixon: You won't have me to kick around anymore, because, gentlemen, this is my last press conference. Famous Last Words also preserves the last words of those inhabiting the world of fiction, whether in a book, on the stage, in a movie or on TV. Blanche DuBois's I have always depended on the kindness of strangers ranks right alongside Charles Foster Kane's Rosebud and Sidney Carton's It is a far, far better thing that I do, than I have ever done. . . . The mutterings of the imagined are always floating around in our culture's consciousness, kicking lustily. Author Alan Bisbort consulted unimpeachable sources and original texts in compiling this compendium of 140 choice good-byes. But not only the farewells capture our attention: Bisbort's concise, witty, and informative text adds revealing context to the quoted words. Famous Last Words is fascinating, illuminating, and immensely rewarding. Reading through the pages may reveal some unifying impulse behind all those bye-byes; if so, you have truly stumbled upon the meaning of life.

henry emily final words: Looking for Alaska John Green, 2019-09-24 The award-winning, genre-defining debut from John Green, the #1 bestselling author of *The Anthropocene Reviewed* and *The Fault in Our Stars* Winner of the Michael L. Printz Award • A Los Angeles Times Book Prize Finalist • A New York Times Bestseller • A USA Today Bestseller • NPR's Top Ten Best-Ever Teen Novels • TIME magazine's 100 Best Young Adult Novels of All Time • A PBS Great American Read Selection • Millions of copies sold! First drink. First prank. First friend. First love. Last words. Miles Halter is fascinated by famous last words—and tired of his safe life at home. He leaves for boarding school to seek what the dying poet François Rabelais called the “Great Perhaps.” Much awaits Miles

at Culver Creek, including Alaska Young, who will pull Miles into her labyrinth and catapult him into the Great Perhaps. Looking for Alaska brilliantly chronicles the indelible impact one life can have on another. A modern classic, this stunning debut marked #1 bestselling author John Green's arrival as a groundbreaking new voice in contemporary fiction. Newly updated edition includes a brand-new Readers' Guide featuring a Q&A with author John Green

henry emily final words: Writing Lives Together Felicity James, Julian North, 2017-09-27 A diary entry, begun by a wife and finished by a husband; a map of London, its streets bearing the names of forgotten lives; biographies of siblings, and of spouses; a poem which gives life to long-dead voices from the archives. All these feature in this volume as examples of 'writing lives together': British life writing which has been collaboratively authored and/or joins together the lives of multiple subjects. The contributions to this book range over published and unpublished material from the late eighteenth to the late nineteenth centuries, including biography, auto/biographical memoirs, letters, diaries, sermons, maps and directories. The book closes with essays by contemporary, practising biographers, Daisy Hay and Laurel Brake, who explain their decisions to move away from the single subject in writing the lives of figures from the Romantic and Victorian periods. We conclude with the reflections and work of a contemporary poet, Kathleen Bell, writing on James Watt (1736-1819) and his family, in a ghostly collaboration with the archives. Taken as a whole, the collection offers distinctive new readings of collaboration in theory and practice, reflecting on the many ways in which lives might be written together: across gender boundaries, across time, across genre. This book was originally published as a special issue of Life Writing.

henry emily final words: The Daguerreotype , 1847

henry emily final words: Stephen F. Austin Gregg Cantrell, 2016-02-09 The Texas State Historical Association is pleased to offer a reprint edition of Stephen F. Austin: Empresario of Texas, Gregg Cantrell's path-breaking biography of the founder of Anglo Texas. Cantrell's portrait goes beyond the traditional interpretation of Austin as the man who spearheaded American Manifest Destiny. Cantrell portrays Austin as a borderlands figure who could navigate the complex cultural landscape of 1820s Texas, then a portion of Mexico. His command of the Spanish language, respect for the Mexican people, and ability to navigate the shoals of Mexican politics made him the perfect advocate for his colonists and often for all of Texas. Yet when conflicts between Anglo colonists and Mexican authorities turned violent, Austin's accommodationist stance became outdated. Overshadowed by the military hero Sam Houston, he died at the age of forty-three, just six months after Texas independence. Decades after his death, Austin's reputation was resurrected and he became known as the "Father of Texas." More than just an icon, Stephen F. Austin emerges from these pages as a shrewd, complicated, and sometimes conflicted figure.

henry emily final words: New York Magazine , 1976-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

henry emily final words: The Delicate Distress Elizabeth Griffith, 2014-10-17 Actress, playwright, and novelist, Elizabeth Griffith (1727-1793) won fame in England with the publication in 1757 of the first two volumes of Letters Between Henry and Frances, letters from her own courtship with Richard Griffith whom she secretly married in 1751. Her first novel, The Delicate Distress (1769), focuses on the problems women encounter after marriage—the issue of financial independence for wives, the consequences of interfaith relationships, and the promiscuity of their husbands. Against a backdrop of rural England and Paris of the ancien regime, Griffith reimagines the epistolary novel of sensibility in the tradition of Samuel Richardson and Jean-Jacques Rousseau from a feminist perspective that centers on strong, intelligent, and virtuous women. Two sisters exchange letters about urgent ethical questions concerning love, marriage, morality, art, the duties of wives and husbands, and passion versus reason, while two men correspond about the same

subjects. At the story's center is the deep distress of Emily Woodville, a virtuous young newlywed who suspects her husband of infidelity with a French marchioness from his past. The third volume in the series *Eighteenth-Century Novels by Women*, *The Delicate Distress* contributes to our understanding of the development of the novel. As Cynthia Ricciardi and Susan Staves show, Griffith's exploration of the psychology of characters who observe and reflect but engage in no grand public actions anticipates Henry James. The editors' introduction places *The Delicate Distress* firmly in the tradition of the English novel, provides the most complete biography available on Griffith's life, and brings together the most important eighteenth- and twentieth-century criticism of the novelist's work.

henry emily final words: *Last Laughs* Kathleen E. Miller, 2006 Laugh in the face of death! That's what this bold, brash, and often irreverent collection of epitaphs encourages readers to do. It offers more than just the deceased's name and dates of birth and death, plus a touching phrase in memorial. Instead, every fascinating quote presents an unexpectedly cheeky perspective on the tragic, like this one from Uniontown, New Jersey: Here lies the body of Jonathan Blake; stepped on the gas pedal instead of the brake." Some come from the gravestones of the famous: Bette Davis's proudly notes that she did it the hard way." Each thought-provoking line makes an indelible contribution to our folklore.
