Plot Summary of Guy de Maupassant's "The Necklace"

The story begins by introducing Madame Mathilde Loisel, a middle-class woman who feels deeply dissatisfied with her modest life. She dreams of luxury, fine clothes, and high society, but is confined to a humble existence with her husband, a low-paid clerk. When they receive an invitation to a prestigious ball, Madame Loisel borrows a beautiful necklace from her wealthy friend Madame Forestier to appear affluent. She enjoys the event immensely, basking in the admiration of others.

However, upon returning home, Madame Loisel realizes that the necklace is missing. Fearing disgrace, she and her husband decide to replace the necklace rather than confess the loss. They buy an expensive replacement by borrowing money and work for ten years to repay the debt, living in poverty and hardship. At the end of the story, Madame Loisel encounters Madame Forestier and learns that the original necklace was actually a fake, made of paste and worth very little. This shocking revelation underscores the irony and tragedy of their sacrifice.

Main Characters and Their Roles

Madame Mathilde Loisel

Madame Loisel is the protagonist whose vanity and desire for wealth drive the story's conflict. She is portrayed as beautiful but deeply discontented with her social status. Her longing for an opulent lifestyle leads her to borrow the necklace, setting the tragedy in motion.

Monsieur Loisel

Madame Loisel's husband is a modest and loving man who tries to please his wife despite their limited means. He sacrifices his own comfort and works tirelessly to pay off the debt incurred from replacing the lost necklace. His character represents loyalty and selflessness.

Madame Forestier

Madame Forestier is a wealthy friend who lends Madame Loisel the necklace. She is only briefly mentioned but plays a crucial role in the story's twist ending. Her generosity contrasts with Madame Loisel's deceit and pride.

Key Themes and Literary Devices

Vanity and Materialism

The story vividly explores how vanity and the desire for material wealth can lead to ruin. Madame Loisel's obsession with appearances blinds her to the value of honesty and contentment.

Irony

Irony is the central literary device in the narrative, culminating in the twist ending where the replacement necklace turns out to be a worthless imitation. This situational irony highlights the futility of Madame Loisel's sacrifices.

Social Class and Ambition

The story critiques social stratification and the aspiration to climb the social ladder. Madame Loisel's unhappiness stems from her awareness of her lower social standing and her futile attempts to mask it.

Symbolism and Interpretation

The necklace itself symbolizes false values and superficiality. It represents the allure of wealth and status, which ultimately leads to Madame Loisel's downfall. The story can be interpreted as a cautionary tale about the dangers of pride and the importance of honesty.

Additionally, the decade of hardship endured by the Loisels symbolizes the harsh consequences of deception and the societal pressures that compel individuals to maintain appearances at great personal cost.

guy de maupassant necklace summary: Balboa Films Jean-Jacques Jura, Rodney Norman Bardin II, 2007-07-25 From 1913 through 1918, Long Beach, California, was home to the largest independent film company in the world, the largely forgotten Balboa Studio. Founder Herbert M. Horkheimer bought the studio from Edison Company in 1913, and by 1915 Balboa's expenses exceeded \$2,500 a day and its output hit 15,500 feet of film per week. Bert Bracken, Fatty Arbuckle, Henry King, Baby Marie Osborne, Thomas Ince, and William Desmond Taylor began their careers with the studio. In 1918, Horkheimer stunned the industry by declaring bankruptcy, shutting down Balboa, and walking away from moviemaking. The closing of the studio effectively ended Long Beach's runs as a major film location and left many wondering about the true reasons behind Horkheimer's decision. Most of Balboa's films have been lost, and little has until now been written about the studio. This book first explores the history of filmmaking in Long Beach and then fully details the story of Balboa. The extensive filmography includes length, copyright date when available, cast and credits, and a plot summary.

guy de maupassant necklace summary: English as a Foreign Language in a New-Found Post-Pandemic World El-Henawy, Walaa M., del Mar Suárez, Maria, 2022-06-24 The COVID-19 pandemic has catalyzed a new era in English as a Foreign Language (EFL) learning and teaching by shifting EFL education from the face-to-face learning paradigm to the online and distance learning paradigm. Teachers and students have faced several challenges such as choosing appropriate web tools for presenting content either synchronously or asynchronously, motivating students to participate, and assessing students' learning. Additionally, this shift to emergency remote online learning represents a challenge for students, particularly with managing their own learning. Taking into account that many students attend low-income schools with limited resources that lack reliable access to the internet and computers, this shift has resulted in growing equity gaps. Likewise, transitioning to emergency remote teaching has revealed a lack of digital competency and readiness amongst teachers. English as a Foreign Language in a New-Found Post-Pandemic World presents an overview of various tools, designs, and strategies utilized to provide digital teaching and assessment of the English language, shares research on using digital technologies for supporting English language learning, and identifies promising areas and directions for future innovations, applications, and research in digital English language learning and teaching. Covering critical topics such as digital teacher education, language learning environments, and online instructional tools, this reference work is crucial for administrators, policymakers, teacher educators, special educators, educational technologists, researchers, scholars, academicians, practitioners, instructors, and students.

linguistics. The fundamental premise that underlies this volume is that language is a communicative tool shaped by human behavior. In this study, case is viewed as a semantic entity. Each case is assigned an invariant meaning within a larger semantic system, which is validated through numerous examples from spoken language and literary texts to illustrate that the distribution of cases is semantically motivated and defined by communicative principles that can be associated with human behavior.
