Definition and Linguistic Roots of Gurbani

The term "Gurbani" is derived from two Punjabi words: "Gur," meaning guru or spiritual teacher, and "Bani," meaning word, speech, or utterance. Collectively, Gurbani means "the words of the guru" or "divine speech." In the Punjabi language, Gurbani refers specifically to the sacred hymns and verses composed by the Sikh Gurus and other enlightened saints included in the Guru Granth Sahib, the central religious scripture of Sikhism.

Gurbani, meaning in Punjabi, extends beyond just literal words; it embodies divine wisdom and spiritual guidance meant to inspire and guide practitioners on their path to enlightenment and ethical living. The language of Gurbani is primarily written in Gurmukhi script, which was standardized by Guru Angad Dev, the second Sikh Guru.

Components of the Word Gurbani

The two components of Gurbani explain its core essence:

- **Gur:** Refers to the spiritual guide or the Guru, who imparts wisdom.

- **Bani:** Denotes speech, message, or divine utterance.

Thus, Gurbani is considered sacred speech that emanates from the Guru's spiritual wisdom and is revered as a source of truth and divine knowledge.

The origin of Gurbani is deeply intertwined with the foundation and growth of Sikhism, a monotheistic religion established in the 15th century in Punjab by Guru Nanak Dev Ji. Compilation of Gurbani in Guru Granth Sahib

gurbani meaning in punjabi: Sikhism and Spirituality Rabinder Singh Bhamra, 2015-07-16

A spiritual person is when their mind becomes one with the Creator God. Then, the mind absorbs the qualities of God and acts like a spiritual master. He is no more under the effects of Maya, which is another of Gods creation in which the mind is prisoner and to its five vices (lust, anger, greed, attachments and ego). It becomes calm, quiet, peaceful, acts to the Will of God and is in bliss always. It happens when the Mind is meditating on God and thinks about God always. For this spiritual mind, everything happening in the world is OK as its happening to His Will. He lives a life of truthful dealings with other persons, earns an honest living and shares with others. He becomes pure in thoughts, words and deeds. His mind becomes pure like its Creator, Himself. He is the most dependable friend and reliable companion. The above qualities can be achieved by one who only lives for the service of people and to whom everybody is the child of God. This person has no desires for him and lives for his family and others. His happiness lies in service and the welfare of others. Such a person has no desires and attachments in this world and lives a worry free life; always content with his/her lot. This book tells how to achieve such a state of mind. The mind is Gods child and we here, on Earth, to play in the hands of God as per destiny written by Him. If we accept Him, pray to Him and meditate on him in the way this book guides, there is a chance to win freedom from the cycle of births and deaths and live with him in peace and bliss forever. The path to bliss and peace is fully explained in this book.

gurbani meaning in punjabi: The Guru Granth Sahib Pashaura Singh, 2003-09-26 This book examines three closely related questions in the process of canon formation in the Sikh tradition: how the text of the Adi Granth came into being, the meaning of gurbani, and how the Adi Granth became the Guru Granth Sahib. The censure of scholarly research on the Adi Granth was closely related to

the complex political situation of Punjab and brought the whole issue of academic freedom into sharper focus. This book addresses some of these issues from an academic perspective. The Adi Granth, the sacred scripture of the Sikhs, means 'first religious book' (from the word 'adi' which means 'first' and 'granth' which means 'religious book'). Sikhs normally refer to the Adi Granth as the Guru Granth Sahib to indicate a confession of faith in the scripture as Guru. The contents of the Adi Granth are commonly known as bani (utterance) or gurbani (the utterance of the Guru). The transcendental origin (or ontological status) of the hymns of the Adi Granth is termed dhur ki bani (utterance from the beginning). This particular understanding of revelation is based upon the doctrine of the sabad, or divine word, defined by Guru Nanak and the succeeding Gurus. This book also explores the revelation of the bani and its verbal expression, devotional music in the Sikh tradition, the role of the scripture in Sikh ceremonies, and the hymns of Guru Nanak and Guru Arjan.

gurbani meaning in punjabi: *The Intimate Other* Anna S. King, J. L. Brockington, 2005 The Intimate Other explores the theme of the devotional element in Indic Religions not only in Hinduism in which bhakti has become the dominant form, but also in Buddhism, Jainism, Sikhism and Islam. The essays by scholars of international repute, show the strength of this devotion to the divine as a living and powerful source of value, aesthetic imagination, creativity and well-being . They also analyse the sometimes divergent interests of scholar and devotee, problematising devotion and exposing its historical development as complex, contested and 'political'. Of particular interest are the chapters on the Jain and Buddhist traditions where the existence of devotion has often been doubted or denied. Contributors investigate widely ranging topics: these include an analysis of bhakti within the Sanskrit epics; a text-historical approach to Valmiki; Kabir's authorship of the poems attributed to him; contemporary attitudes to devotion to the Ganga: devotion within a syncretistic Jain movement, in Theravada Buddhism, subcontinental Sufi Islam, young Sikhs in Britain and in the shared musical and poetic traditions of Hindus, Sikhs and Muslims. The volume ends with a sensitive exploration of the devotional love that overpowers death within the Hindus, sikhs and Muslims. The volume ends with a sensitive exploration of the devotional love that overpowers death within the Hindu bhakti context. Together they demonstrate vividly just how passionate love for the intimate other penetrates and inspires so many aspects of the religious culture of South Asia.
