Intercessory prayer is the act of pleading or petitioning God on behalf of another person or group. When focused on breakthrough, it involves seeking divine intervention to overcome obstacles, challenges, or spiritual barriers. Breakthrough can be understood as a significant positive change or victory that alters the course of a difficult situation. This type of prayer requires faith, persistence, and a heart aligned with God's will. It is not merely asking for change but actively standing in the gap for others to experience transformation in their circumstances.
