He returns one day after his host suffers an untimely death in a stately home to discover Antedote, another spirit residing in the mansion and the pair quickly find friendship and romance... until Upstart arrives. Antedote's domineering attitude allows Upstart to win Hedstrong's affections as she leads him into the centre of a Spiritual World Council in the aviary next to the mansion. It's not long before Hedstrong finds himself caught in the midst of an uprising as he discovers a council member trying to overthrow Jenius, a ruthless dictator and the current leader of the council.
