khadija history book: Khadija Daughter of Khuwaylid Wife of Prophet Muhammad Yasin Al-Jibouri et al., 2016-06-21 Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impact on the lives of people went far beyond her time and will always continue. This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book, and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It even describes to you wedding traditions at the time many of which are still alive. Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullah ibn al-Zubayr, a

relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the story of two women: of one who loved and another who hated...

From this perspective, human agency and society become the main focus for shaping, perpetuating and institutionalising religious beliefs, ideas and practices, opening up space for empirical and sociological analyses of religious phenomena. The seven essays in this volume seek to explore and examine some of the key debates in contemporary sociology of Islam. The topics explored are: social factors in the origins of Islam; social theory and Muslim society; Islam and politics in South Asia; Muslim piety; anti-Semitism; the social foundations of Muhammad's prophetic mission, with a special reference to Arab historical memory and the role of his first wife Khadija bint Khuwaylid; and the barriers to social inclusion of Australian Muslims in Australian society. khadija history book: Bad Indians Book Club Patty Krawec, 2025-09-16 A fascinating advanced seminar about how to think, read, think about reading, and think about Indigenous lives. --Booklist, starred review In this powerful reframing of the stories that make us, Anishinaabe writer Patty Krawec leads us into the borderlands of history, science, memoir, and fiction to ask: What worlds do books written by marginalized people describe and invite us to inhabit? When a friend asked what books could help them understand Indigenous lives, Patty Krawec, author of *Becoming Kin*, gave them a list. This list became a book club and then a podcast about a year of Indigenous reading, and then this book. The writers in *Bad Indians Book Club* refuse to let dominant stories displace their own and resist the way wemitigoozhiwag--European settlers--craft the prevailing narrative and decide who they are. In *Bad Indians Book Club*, we examine works about history, science, and gender as well as fiction, all written from the perspective of Bad Indians--marginalized writers whose refusal to comply with dominant narratives opens up new worlds. Interlacing chapters with short stories about Deer Woman, who is on her own journey to decide who she is, Krawec leads us into a place of wisdom and medicine where the stories of marginalized writers help us imagine other ways of seeing the world. As Krawec did for her friend, she recommends a list of books to fill in the gaps on our own bookshelves and in our understanding. *Becoming Kin*, which novelist Omar El Akkad called a searing spear of light, led readers to talk back to the histories they had received. Now, in *Bad Indians Book Club* comes a potent challenge to all the stories settler colonialism tells--stories that erase and appropriate, deny and deflect. Following *Deer Woman*, who is shaped by the profuse artistry of Krawec, we enter the multiple worlds Indigenous and other subaltern stories create. Together we venture to the edges of worlds waiting to be born.
